

**MACOMB COMMUNITY COLLEGE
WAIVER OF RESPONSIBILITY FOR APPROVAL/DEMIAL OF AN F-1 VISA
BY THE UNITED STATES CUSTOMS AND IMMIGRATION SERVICE.**

College employees are not qualified or permitted by law to provide advice with respect to any legal matter including immigration and naturalization procedure. Please consult your attorney.

Macomb College is not responsible for the decision made by the United States Customs and Immigration Service (USCIS) in either approving or denying an F-1 Student visa for and individual.

When the college sends in the required paperwork to USCIS requesting the F-1 student visa, we are through with the implementation process. After USCIS receives the paperwork from the college, they will deal directly with the individual. It is the responsibility of the individual to keep the College informed of all correspondence and/or decisions made by Immigration.

Macomb College requires all individuals requesting F-1 student visa status to attest to the fact that they have been made aware of the responsibilities of the College in this matter.
