

ARTICULATION AGREEMENT

between
Macomb Community College
and
The following schools:

This Agreement is made on the 28th day of June, 2010, by and between Macomb Community College and the listed schools:

- Centerline High School
- East Detroit High School
- Harper Woods High School
- Lakeshore High School
- Lakeview High School
- L'Anse Creuse Public Schools
- L'Anse Creuse/ Mount Clemens Adult Education Program
- Lincoln High School
- Romeo High School
- Roseville High School
- Utica Community Schools
- Warren Consolidated Schools

WHEREAS, the parties wish and intend by the Agreement to set forth the terms and conditions of engaging in an educational program to help eligible participating students continue their education toward an Associate Degree in Product Development or Manufacturing Engineering.

Macomb Community College and the above listed schools agree that students successfully completing the CAD I and CAD II Program or AutoCAD programs (CIP 15.1301) at their high school, who meet the following requirements will receive select credit in the Product Development or the Manufacturing Engineering program (CIP 15.0613) at Macomb Community College.

1. Student must successfully complete their High School – CAD I and CAD II, or AutoCAD program with an overall GPA of 2.5.
2. Student has received recommendation from high school instructor.
3. Student must enroll in the Product Development or Manufacturing Engineering program at Macomb Community College within 3 years of high school graduation.
4. Applicants for credit must meet all college admission requirements and be an enrolled/registered student in good standing.
5. Course credit will be added to the student's transcript upon successful completion of the appropriate advanced level course and the payment of a transaction fee (\$5.00 per transaction at the time of this agreement). Regular tuition and fees for credit granted under this agreement will be waived.

Based on the following chart, the students must successfully complete, with a grade of B or better, the appropriate course at Macomb Community College before articulated credit can be transcribed to the student's college transcript.

Upon High School completion of appropriate course, and MCC faculty portfolio review, credit can be granted for the following courses:	Courses to be completed at MCC with a "B" or better Grade Point Average before Articulated Credit can be transcribed to the student's college transcript.
DRCG 1140: Intro to AutoCAD(3 cr) and PRDE 1450: AutoCAD Components & Assemblies (3 cr)	PRDE 1400: Intro to SolidWorks (3 cr)
PRDE 1000: Fundamentals of Design (4 cr)	PRDE 1400 & PRDE 1410 or PRDE 1500 & PRDE 1510 or PRDE 1600 & PRDE 1610

These institutions agree to communicate concerning curriculum changes which affect the agreed upon relationships between articulated courses at the respective schools.

This Agreement constitutes the entire agreement between the parties, and all prior discussions, agreements, and understandings, whether verbal or in writing, is hereby merged into this Agreement.

No amendment or modification to this Agreement, including any amendment or modification of this paragraph, shall be effective unless the same is in writing and signed by all parties.

This agreement expires June 30, 2012.

James O. Sawyer, Ph.D.
Provost and Vice President for the Learning Unit
Macomb Community College
