The Center for Advanced Automotive Technology and Macomb Community College Present

REVENGE OF THE ELECTRIC CAR

Revenge is that rare artifact, a snapshot of a major industry shift on its way to a tipping point... a slick, enjoyable valentine to a retooling industry.

—Daniel Gold, New York Times
(Critics' Pick)

Revenge follows the three-way race between GM, Nissan and Silicon Valley rogues Tesla Motors to bring an electric model successfully to market by centering on the three biggest personalities involved: Former GM CEO Bob Lutz, Nissan head Carlos Ghosn, and Elon Musk, the PayPal mogul.

—Mindy Farabee, Los Angeles Times
