

SET & PROP DESIGN

Meet the Instructor

Jonathan Krueger, President and Creative Consultant for Scenic Design Group Inc., excels in special effects and customizing sets. His credits include themed bedroom designs for two episodes of ABC's *Extreme Makeover-Home Edition*, several award winning national trade and auto show displays, sets for *Black Sabbath & REO Speed Wagon* world concert tours, and a 17-foot giant football player at the *2010 Super Bowl*. Mr. Krueger and his Scenic Design Group also provide unique props and decorative materials for nature centers, museums, theme parks, casinos, and theaters, as well as theatrical productions, film, and video.

Mold Making & Casting

Discover and implement methods & techniques for mold making & duplication of products and props for film, stage, exhibits, and much more. Courses should be taken in order as each one builds upon the other.
