We are pleased to provide information on scholarships available to Macomb Community College students who transfer to Michigan four-year colleges and universities. Many Macomb students have been very successful in receiving scholarships when they transfer to Michigan four-year institutions.

Interested community college students should apply directly to the four-year institutions of their choice. The student should apply for admission to the school, apply for financial aid using the Free Application for Federal Student Aid (FAFSA) and apply for the transfer scholarship by the deadline date. Applications may be obtained from the contact person(s) listed for each college or university.
