

Motorcycle Safety

For more information, email motorcycle@macomb.edu

The Motorcycle Rider and Safety Education Program is conducted with Michigan Safety Education funds from a grant administered by the Michigan Secretary of State.

Equipment Required for all Motorcycle classes:

Protective eyewear (glasses or goggles), helmet, boots, gloves, long sleeved jacket or shirt, long pants, and rain gear if needed. Bring to the first riding session and each riding session thereafter. You are required to be on time for each session and must attend each session.

All classes are \$25. No refunds on or after the class start date. You are required to be on time for each session and must attend each session. Your seat will be given away if you are late!

Basic Rider Course (BRC) CYCL-8000

Learn to ride a motorcycle safely with classroom and on-range instruction. In order to pass, you must successfully complete all tests, both written and riding. Upon completion of the approved Motorcycle Safety Foundation course the Michigan Secretary of State will waive the riding skills test required for a cycle endorsement. The written test must still be taken. You should be able to ride a two-wheel bicycle and must be 15 years of age or older. Motorcycles are provided for the Basic Rider Course unless otherwise stated.

You will receive both classroom and range instruction. The first day of class will consist of classroom instruction. The class will be broken down into groups and specific riding schedules will be assigned on this day. Normally your schedule will be broken up into 2 or 4 hour blocks of riding practice. These time blocks cannot be scheduled until the first night of class, so you must be available for the entire class time shown below.

One Weekend

Friday from 6-10 PM, Saturday and Sunday from 8 AM-8 PM/South Campus S101

This class is the most physically demanding. We recommend that you already know how to clutch and brake to take this class.

Weeknight Class

This class is at a relaxed pace with riding spread out over 7 or 8 days. Meet in South Campus S Bldg, North Lobby.

93019 MTW TH 4/30-5/10 5:30 PM-9:25 PM \$25 SOU S N-Lobby Staff
93021 MTW TH 5/14-5/24 5:30 PM-9:25 PM \$25 SOU S N-Lobby Staff

Walk-In Policy (Applies to BRC, PB and ARC classes)

If the Basic Rider Class you want to register for is full, you can try to walk-in to the class. (Openings occur when there are no-shows) Walk-ins must arrive approximately 15 minutes prior to the start time on the first day of class. When you arrive you will be given a lottery number. Instructors will pull as many lottery numbers as there are open spaces. There are no guarantees that you will be able to get into the class but if you do, you will pay \$25 in cash at that time. You must be able to attend all the sessions. Students with an approved class re-take form will have first priority in the lottery.

Performance Based Course CYCL-8002

For students who already know how to ride a motorcycle but do not have their cycle endorsement. Students MUST furnish their own cycle with a clutch and proof of insurance. Bike must pass a safety inspection prior to the riding skills test. In order to pass, you must successfully complete all tests, both written and riding. Upon completion of the approved Motorcycle Safety Foundation course the Michigan Secretary of State will waive the riding skills test required for a cycle endorsement. The written test must still be taken. Note: Scooters and shiftless motorcycles are allowed but you must present proof of registration, proof of no-fault insurance and display a valid motorcycle license plate. (1 session)

No refund after class has started.

93037 S 5/5-5/5 8 AM-5:55 PM \$25 SOU C121 Staff

Advanced Rider Course CYCL-8011

Licensed Cyclist Only

This one-day safety training program is designed to be low-risk, effective, and enjoyable with classroom and on-cycle activities. There will be small group interactive discussions and range practice consisting of basic controls, stopping, turning, swerving, and riding interaction skills.

Participants MUST furnish their own street-legal cycle, riding gear, proof of cycle endorsement, and proof of insurance. Cycle must pass a safety inspection. You MUST provide your own protective eyewear (glasses or goggles), helmet, boots, full-finger gloves, long sleeved jacket or shirt, long pants, and rain gear if needed.

Three Wheel Basic Rider Class ★NEW★CYCL-8012

For individuals 15 years or older who have minimal experience or are unlicensed operating a three-wheel motorcycle. Develop your basic riding skills as you learn proper turning, shifting and braking. There will be approximately 12 hours of instruction; 4 in the classroom and 8 on the range. Students **MUST** furnish their own three-wheel motorcycle and proof of insurance. The cycle must be titled and properly registered as a motorcycle and must display a valid motorcycle license plate. Bike must pass a safety inspection prior to the riding skills test. In order to pass, you must successfully complete all tests, both written and riding. Upon completion of the approved Motorcycle Safety Foundation course the Michigan Secretary of State will waive the riding skills test required for a cycle endorsement. The written test must still be taken.

MSF Rider Coach PreparationCYCL-8005

State and National certification as a Motorcycle Safety Foundation (MSF) RiderCoach will be offered to select candidates who have extensive experience, unwavering commitment, and enthusiastic drive to successfully complete the 80-hour Coach Preparation course. Call 586.498.4000 or email motorcycle@macomb.edu. to receive an application.

Students who are selected as coach candidates will be expected to:

- Complete a pre-course assignment and attend all classroom, range and student teaching sessions
- Possess a valid operator's license with motorcycle endorsement
- Be not less than 18 years of age
- Have a personal driving record with no more than 6 points in the past 12 consecutive months
- Be an active motorcyclist—i.e. currently operate a street motorcycle on a frequent, routine basis (approximately 1000 miles or more per riding season)
- Be committed to all aspects of motorcycle rider safety and education
- Enroll in a MSF Performance Based course prior to acceptance in the coach preparation course in order for skills to be evaluated
