

FIREARMS TRAINING MANUAL

THIRD EDITION for Michigan Law Enforcement Officers

The Firearms Training Manual is an education and training tool for officers in basic police academies and/or in-service training. Written by leading experts in firearms and firearms instruction, it is designed for both the student and firearms instructor.

The MCOLES Basic Firearms Training Module, the Michigan Law Enforcement Officer-Subject Control Continuum and In-Service Resource Guide are included and were used as a foundation for the manual.

The book contains easy to understand text, in-depth narratives, charts, diagrams, and many photographs to guide students through this important area of law enforcement training.

Topics covered include:

- Firearms Related Equipment
- Firearms Safety
- Firearms Care and Maintenance
- Handgun Fundamentals
- Low Light Shooting and Other Firearms Skills
- Shotgun Fundamentals
- The Patrol Rifle
- Knowledge of Other Firearms
- Searching and Movement
- Subject Control and the Use of Force
- Fear and Anger Management
- Off Duty and Plain Clothes Weapons
- Off Duty/Plain Clothes Survival
- The Warrior Officer Philosophy
