

ART AT MACOMB

Drawing Principles

ARTS-8041

Beginners as well as experienced students benefit by focusing on traditional principles of observational drawing. Learn overall design planning, the effects of line quality variation and how to render light and shadow. Bring a drawing pad and pencil or drawing charcoal to the first class. High School students welcome. (10 sessions)

69387 S 9/19-11/21 9:30 AM-12:30 PM \$325 SOU C363 CCS Staff

Drawing What You See

ARTS-8039

Based on elements from the books “Drawing from the Right Side of the Brain” and “The Artist’s Way”. Examine areas of creative thinking as well as exercising hand and eye coordination, while creating art. Students will draw what they see and develop a portfolio of their work. (6 sessions)

69503 TH 10/1-11/5 6-9 PM \$109 SOU C204 M. Smith

Pen & Ink

ARTS-8037

Learn fundamental pen and ink drawing techniques by creating renderings from photographs using freehand crosshatch, stipple techniques, and shading values. Supplies needed **\$**. (6 sessions)
