

Articulation Agreement
between
Macomb Community College
and
Dakota High School
Chippewa Valley Schools

This Agreement made this 28th day of June, 2010, by and between Macomb Community College (hereinafter called MCC) and Dakota High School/Chippewa Valley Schools (hereinafter called CVS).

WHEREAS, the parties wish and intend by the Agreement to set forth the terms and conditions of engaging in an educational program to help eligible participating students continue their education toward a certificate and/or Associate Degree through the Applied Technology and Apprenticeship Department.

MCC and Dakota High School/CVS agree that students graduating from their high school with completion of the Construction Building Trades program (CIP 46.0000) requirements will receive select credit in the Applied Technology program at MCC:

1. Student must successfully complete all competencies within the Construction Trades program with a “C” average or above grade point average.
2. Student has received recommendation from high school program instructor.
3. Student must enroll in a related Applied Technology and Apprenticeship program/ Building Construction Technology program at MCC within three (3) years of High School Graduation.
4. Course credit will be added to the student’s transcript upon successful completion of three (3) courses within the Applied Technology & Apprenticeship/Building Construction Technology area and the payment of a processing fee (\$5.00 at the time of this agreement). Regular tuition and fees for credit granted under this agreement will be waived.
5. Applicants for credit must meet all college admission requirements and be an enrolled/registered student in good standing.

Upon completion of three (3) courses, with a minimum of a 2.0 grade point in each class, in the Applied Technology and Apprenticeship/Building Construction Technology area at MCC, the student meeting these requirements will receive the following credit(s):

Course Number	Course Name	Credits
ATBC-1100	Blueprint & Math – Residential	2 credits
ATBC-1400	Construction – Hand Woodworking Tools	2 credits
ATBC-1410	Construction – Power Tools – Care & Use	2 credits
ATBC-1510	Construction – Layout Surveying	2 credits
ATTR-1600	Industrial Safety – Skilled Trades	2 credits
DRAD-2110	Applied Building Construction	3 credits
ATBC-1250	Construction – Wiring Residential	2 credits

If a student elects to enroll in one of the above listed classes as part of his three (3) classes to earn the articulated credit, that class will only earn credit once, and thus will reduce the number of articulated credits to less than fifteen(15) that the student will earn.

Students must meet all Macomb Community College requirements to be awarded a certificate and /or Associate Degree through the Applied Technology and Apprenticeship Department.

These institutions agree to communicate concerning curriculum changes which affect the agreed upon relationships between articulated courses at the respective schools.

This Agreement constitutes the entire agreement between the parties, and all prior discussions, agreements, and understandings, whether verbal or in writing, is hereby merged into this Agreement.

No agreement or modification to this Agreement, including any amendment or modification of this paragraph, shall be effective unless the same is in writing and signed by all parties.

This agreement expires June 30, 2012.

James O. Sawyer, Ph.D.
Provost and Vice President for the Learning Unit
Macomb Community College
