## WHAT YOU NEED TO KNOW

Placement Testing is important to your success at Macomb Community College. The results of the Placement Test will impact which English, math, and reading courses you can take.

### COMPASS/ESL OVERVIEW

The COMPASS examination is a computer-based untimed test. Please allow approximately **2 hours** for testing. Students whose first language is **NOT** English will be taking the COMPASS/ESL test. Individuals taking the COMPASS/ESL examination should allow additional time to complete testing. The COMPASS/ESL exam is also computer-based and untimed.

### BRING YOUR IDENTIFICATION

You must have appropriate identification in order for our staff to administer tests. Be sure to bring photo identification with signature (e.g. driver's license, passport, student ID, military ID) and your Macomb Community College identification number. If you have not been assigned a college ID number then be prepared to supply your social security number.

### SPECIAL ARRANGEMENTS

Students with a disability will need to contact a Special Services Counselor to arrange for appropriate accommodations.
