This agreement is made this 1st day of May, 2009, by and between Macomb Community College and the above mentioned Macomb County high schools.

WHEREAS, the parties wish and intend by the Agreement to set forth the terms and conditions of engaging in an educational program to help eligible participating students continue their education toward an Associate Degree in Media & Communications Arts.

Macomb Community College and the above Macomb County high schools agree that students successfully completing Graphics Arts Technology / Television Broadcasting / Multimedia Production / Filmmaking / Visual Imaging or Visual Technology Programs (CIP 10.0301) who meet the following requirements can receive select credit in the Media & Communication Arts program (CIP 50.0402) at Macomb Community College.

1. Student must successfully complete Graphic Arts Technology / Television Broadcasting / Multimedia Production / Filmmaking / Visual Imaging or Visual Technology Programs with a 2.5 average and an overall GPA of 2.0.
2. Student receives recommendation from the Graphic Arts Technology / Television Broadcasting / Multimedia Production / Filmmaking / Visual Imaging or Visual Technology instructor.
3. Student must enroll in the Media & Communication Arts program at Macomb Community College within 3 years of high school graduation.
4. Applicants for credit must meet all college admission requirements and be an enrolled/registered student in good standing.

5. Course credit will be added to the student’s transcript upon successful completion of the appropriate advanced level course and the payment of a transaction fee (\$5.00 per transaction at the time of this agreement). Regular tuition and fees for credit granted under this agreement will be waived.  
 Students who fulfill the requirements of items 1 through 4 must submit a portfolio for review. MCC Media & Communications Arts faculty will review the student’s portfolio and may grant up to 12 semester hours of articulated credit.

Based on the following chart, the students must successfully complete, with a grade of C or better, the appropriate advanced level course at MCC before articulated credit can be transcribed to the student’s college transcript.

<b>Upon Portfolio review, successful completion of appropriate course, and MCC faculty recommendation credit can be granted for the following courses.</b>		<b>Course to be completed at MCC with a “C” or better before Articulated Credit can be transcribed to the student’s college transcript.</b>
