

## KIDS

College for Kids provides educational opportunities and a “college campus connection” for students ages 3-17. Through fun activities and enriching, memorable experiences, students learn and succeed through personal achievement.

Macomb’s C4K serves close to 1000 students annually through a variety of programs from enrichment to vocational skills while promoting and encouraging interest in connected college studies. Partial C4K Scholarships for Lifelong Learning may be available. Email C4K@macomb.edu for application.
