

Disclosure of Crime Statistics—Clery Act

In 1990, Congress enacted the Crime Awareness and Campus Security Act (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 and is now known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”).

Compliance with the Clery Act requires institutions like Macomb Community College to adhere to various mandates. One of those requirements involves timely notification to the campus community of certain crimes or incidents that are (a) reported to campus security authorities or local police agencies, and (b) considered by the institution to represent a serious or continuing threat to students and employees. Additionally, the Act requires the college to compile and publish a list of crime statistics.

College Police prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The process by which the annual disclosure of crime statistics occurs includes the statistics reported to College Police and those pertinent to College Police from our neighboring law enforcement departments. Additionally, a request is made annually for campus security authorities to provide statistical information to include in the report. Once completed, the report is placed on our website. Notice of the report and its availability is distributed in all applications for employment, student enrollment packages, new hire packages, and emailed to all current students and employees once annually. A printed version may be requested from College Police at Center Campus, I Building, Room 103 or South Campus, K Building, Room 340.

The United States Department of Education collects and maintains criminal statistics at institutions of higher learning consistent with Clery Act requirements. Macomb submits the annual crime statistics to the United States Department of Education, and are made available to the public on their website.

Annually, we contact the local police departments adjacent to our campuses to request their appropriate crime statistics related to Macomb Community College campuses. See Crimes by Campus Site for those qualifying statistics. The following agencies have been contacted and provided information relative to college campuses.

Macomb Community College has no residential facilities. Reported crimes may involve individuals not associated with the institution.

This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Burglary

The unlawful entry of a structure to commit a felony or a theft. Criminal Homicide—Manslaughter by Negligence

The killing of another person through gross negligence.

Criminal Homicide—Murder and Non-Negligent Manslaughter

Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship would be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition, dating violence would include, but would not be limited to, sexual or physical abuse or the threat of such abuse. Additionally, the proposed definition would specify that dating violence does not include acts that meet the definition of "domestic violence."

Domestic Violence

A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies under VAWA or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Drug Abuse Violations

Violations of state and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine).

Motor Vehicle Theft

The theft or attempted theft of a motor vehicle. (Classify as motor vehicle theft all cases where automobiles are taken by persons not having lawful access even though the vehicles are later abandoned, including joyriding.)

Robbery

The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Stalking

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress. Course of conduct would be defined to mean two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property. Substantial emotional distress would mean significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Notification of Final Results

The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offence. If the alleged victim is deceased as a result of such crime or offence, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.
