

Macomb Community College COVID-19

We continue to safeguard the campus community from COVID-19 transmission:

- Monitoring CDC County Levels, and each building entrance will clearly display any requirements
- Protective barriers at public main desks and various locations throughout the college
- Enhanced cleaning protocols
- Hand sanitizer, PPE, and disinfecting materials provided for classrooms, labs, and workspaces
- Partnership with the Macomb County Health Department in COVID-19 case tracking.

COVID-19 case counts provided below are for the Winter semester January 10, 2022 through May 15, 2022.*

COVID-19 Cases will be updated each Tuesday for the previous week:

CURRENT PREVIOUS WEEK COVID-19 CASES	
Week of (Monday–Sunday) May 9-15, 2022	3
Semester total to date: Winter Term, January 10 – May 15, 2022	279
<i>*Posted data is based on Communicable Disease Reporting forms submitted to the college.</i>
