Important Information:

1. All content is for informational purposes and is designed to be used as a tool to assist students with transfer information but should not be used for self-advising. Some courses may include prerequisite requirements that are not listed in this guide. Consult with your advisor for details.
2. When pursuing a Macomb degree work closely with a Macomb and Ferris State University advisor or counselor to ensure BOTH the Macomb and Ferris State University degree requirements are being met.
3. Transfer credit limits vary by each transfer college and major. This transfer guide may contain more than the maximum number of allowable transfer credits Ferris State University will accept.
4. Macomb and Ferris State University reserve the right to make any necessary changes to courses, provisions, or transfer requirements without notice.
5. It is the responsibility of the student to be aware of changes that affect their transfer program. Students are strongly encouraged to contact Ferris State University on an annual basis to review their program requirements.
6. Students may concurrently be enrolled and taking courses at both Macomb and Ferris State University during the same semester after completing the minimum requirements for Ferris State University. Meet with an academic advisor or counselor for additional information.
7. To transfer into Ferris's program a minimum overall GPA of 2.5 is required.
8. It is highly recommended that applicants have a minimum of 5 years industrial/manufacturing experience.
9. If you decide to transfer before graduating from Macomb you may be eligible to earn your associate degree after the fact.
