<p>**If a lesser credit course is completed as an equivalent, you are still responsible for the credit requirement in your teaching major. Some coursework must be taken at OU, and additional elective courses may be required depending on your choice of teaching major. For example, if you complete a 3 credit Literature course for the Language Arts teaching major, you will need one additional credit in order to earn 36 credits in the major. In this case, a student would select additional Literature, Writing Component or Oral Language Component coursework to achieve the minimum credit requirement. Please contact School of Education and Human Services Advising with specific questions about transferring courses to meet major or endorsement standards.</p>
