Important Information:

1. All content is for informational purposes and is designed to be used as a tool to assist students with transfer information but should not be used for self-advising.
2. Associate degree requirements are NOT included on this transfer guide. When pursuing a Macomb degree work closely with a Macomb and Rochester University advisor or counselor to ensure BOTH the Macomb and Rochester University degree requirements are being met.
3. A minimum cumulative 2.25 GPA or better is required for admission.
4. Transfer credit limits vary by each transfer college and major. This transfer guide may contain more than the maximum number of allowable transfer credits Rochester University will accept.
5. Rochester University requires 30 credits of upper division coursework (3000 level courses or higher, or direct equivalents).
6. Macomb and Rochester University reserve the right to make any necessary changes to courses, provisions, or transfer requirements without notice.
7. It is the responsibility of the student to be aware of changes that affect their transfer program. Students are strongly encouraged to contact Rochester University on an annual basis to review their program requirements.
8. Students may concurrently be enrolled and taking courses at both Macomb and Rochester during the same semester after completing the minimum requirements for Rochester University. Meet with an academic advisor or counselor for additional information.
9. Forty-five or more credit hours or coursework at Rochester University are required for honors to be awarded at graduation.
10. If you decide to transfer before graduating from Macomb you may be eligible to earn your associate degree after the fact.
