

# Academic Credit Tuition & Fees

Tuition is assessed on the actual contact hours spent in a classroom or other instructional environment, including labs and clinicals called. When contact hours exceed credit hours, students will not be assessed more than three additional contact hours.

Determine class billable contact hours and additional fees at: [selfservice.macomb.edu/Student/Courses](https://selfservice.macomb.edu/Student/Courses)

The Board of Trustees reserves the right to change any and all fees and rates of charge as conditions or circumstances make necessary.
