Discover. Connect. Advance.™

Dear friends of the arts,

The Macomb Center for the Performing Arts and Lorenzo Cultural Center are more than just entertainment, they are experiences that create lasting memories. These are challenging times and our performing arts theater and cultural center programs are no exception. **Today, we are writing to ask, if you are able, to donate an auction item to be included in our first virtual auction to be held March 22-26, 2021.** All proceeds will benefit the arts and cultural programming at Macomb Community College.

As we prepare to *Spring into the Arts*, we need your help! Supporters from all over the Metro Detroit region will be bidding on baskets and various auction items donated by our generous college community. Auction basket themes include: **Spring into...** *gardening, shopping, cooking & backyard BBQs, sports & outdoor adventures, jewelry, reading, spa time, wine tastings & cocktails, art & photography, home entertainment, summertime, technology and so much more!*

Please consider donating an auction basket/item to benefit our college's arts and cultural programming. The auction donation form is attached. Due to the current pandemic, donations are being scheduled for pickup or drop-off. Please contact foundation@macomb.edu or call **586-445-7302** to schedule or for questions.

On behalf of the Macomb Community College Foundation, thank you for considering this request. **With your help we will continue to create memories for patrons of the arts for years to come!** We look forward to hearing from you.

Sincerely,

Karly Gregory
