Sponsored Billing: Third Party Assistance

Phone: 586.445.7492 **Email:** sponsoredbilling@macomb.edu

Sponsored Billing is when a student's tuition, fees, or books are billed to and paid by a third party such as Michigan Works, Michigan Rehabilitation, prepaid tuition plans or tuition assistance programs. The Sponsor must agree to make full payment regardless of grades, course completion, or employment status. Written authorization from sponsor must be submitted each term and students must pay charges not covered by the authorization by the payment due date.

By submitting an authorization, the student grants the College permission to release necessary records to facilitate payment.

Authorizations must include

- | | |
|-------------------------------|---|
| • Sponsor's Name | • Charges to be covered—tuition, fees, books and supplies and the dollar amount if applicable |
| • Billing Address | |
| • Contact Name, Phone & Email | |
| • Student's Name | • Specific courses authorized i.e., ACCT-1080 |
| • Student ID | |
| • Term to be covered | • Authorized Signature |

Bookstore authorizations will be available for use within one business day during the term buying period below.

Helpful tip: Use the Account Activity statement from My Macomb Self-Service [View Account and Make Payments](#) for detail of charges for your sponsor's approval process.

The College reserves the right to refuse Sponsored Billing accounts for reasons including, but not limited to, delinquency or non-payment. If for any reason, the sponsor refuses to pay, the student will be held responsible. When applicable, student reimbursement will not occur until sponsor payment is received.

NOTE: If receiving need based aid, students must report any tuition assistance received to the Financial Aid office as adjustments in financial aid awards may be required.

Sponsors Wishing to Pay Immediately

Sponsors must process payment with our Sponsored Billing staff for tax reporting and to ensure refunds of financial aid are disbursed to the student or tuition refunds are returned to the agency.

It is the student's responsibility to drop a class selection within the 100% refund period if full payment is not possible by payment due date. A student not dropping a class selection may be assigned an "NS" or "E" grade and will still be responsible for payment. Review balance, due dates and last day for 100% refund per course listed on the Registration Statement presented after every My Macomb Self-Service drop or add transaction or available from the Registration menu.

The student may be contacted via any phone number (including wireless numbers which could result in charges to the student), e-mail address, or physical address provided in order to service our account or collect any amount you may owe.

Refunds - Review tuition refund policies and how and when refunds will be processed.

Delinquent Accounts - If not paid in full by the due date, a "HOLD" will be placed on all records and future registrations, assigned to a collection agency, assessed a **25% delinquent account fee** and reported to credit bureaus. Refunds will be used to reduce or pay off the debt.

Financial Aid Students - The student must drop classes within the 100% refund period to avoid responsibility of tuition and fees if award requirements (attendance, completion, minimum enrollment status, eligible program, etc.) cannot be met or cannot pay remaining balance after financial aid. The student may still be responsible for repayment of bookstore purchases, refunds or other costs no longer covered by reductions in aid. Review aid status via **Financial Aid Status (FAST)**, award letter and **terms and conditions** under the Financial Aid menu on the My Macomb Self-Service Menu.

If registered in classes meeting less than the full 16-week term, student provides intent of completing all courses, including those which have not yet begun, for federal aid purposes if not dropped within 100% refund period.
