Sponsored Billing: Third Party Assistance

Phone: 586.445.7492 **Email:** sponsoredbilling@macomb.edu

Sponsored Billing is when a student's tuition, fees, or books are billed to third party tuition assistance programs.

Written authorization and payment for costs not covered by the sponsor must be submitted to sponsoredbilling@macomb.edu or the Cashier's office each term by the payment due date.

Authorizations will not be accepted if sponsor is delinquent, non-payment, if payment is contingent on grades or employment status or any other reason deemed appropriate.

Amount billed to sponsor may be reduced if assistance program will only pay for costs after financial aid.

By submitting an authorization, the student grants the College permission to release necessary records to facilitate payment, understands reimbursement may not be made until sponsor pays, and is responsible for any costs refused by the sponsor.

Once processed, eligible charges to be billed to your sponsor will be listed under "Sponsorships" on My Macomb Self-Service "View Account and Make Payments" – Account Activity. Sponsors are invoiced after drop/add unless otherwise requested.

Authorizations must include:

- Sponsor's Name
- Billing Contact Name, Address, Phone & Email
- Student's Name
- Student ID
- Term to be covered
- Charges to be covered– tuition, fees, books, or supplies and dollar amount if applicable
- Specific courses to be covered (ex. ACCT-1080)
- Authorized Signature

Registration and Payment Terms and Conditions

It is the student's responsibility to drop a class selection within the 100% refund period if full payment is not possible by payment due date. A student not dropping a class selection may be assigned an "NS" or "E" grade and will still be responsible for payment. Review balance, due dates and last day for 100% refund per course listed on the Registration Statement presented after every My Macomb Self-Service drop or add transaction or available from the Registration menu.

The student may be contacted via any phone number (including wireless numbers which could result in charges to the student), e-mail address, or physical address provided in order to service our account or collect any amount you may owe.

Tuition & Payments - Review tuition and fees assessed and how and when to make payment.

Refunds - Review tuition refund policies and how and when refunds will be processed.

Delinquent Accounts - If not paid in full by the due date, a "HOLD" will be placed on all records and future registrations, assigned to a collection agency, assessed a **25% delinquent account fee** and reported to credit bureaus. Refunds will be used to reduce or pay off the debt.

Financial Aid Students - The student must drop classes within the 100% refund period to avoid responsibility of tuition and fees if award requirements (attendance, completion, minimum enrollment status, eligible program, etc.) cannot be met or cannot pay remaining balance after financial aid. The student may still be responsible for repayment of bookstore purchases, refunds or other costs no longer covered by reductions in aid. Review aid status via **Financial Aid Status (FAST)**, award letter and **terms and conditions** under the Financial Aid menu on the My Macomb Self-Service Menu.

If registered in classes meeting less than the full 16-week term, student provides intent of completing all courses, including those which have not yet begun, for federal aid purposes if not dropped within 100% refund period.

The college reserves the right to drop classes for non-payment.

By registering at Macomb Community College, I accept responsibility for payment of courses and agree to the terms listed above, and in My Macomb.
