How the world of app publishing functions. Student-created apps will be accessible on a private site in addition to learning the basics of mobile app design and game development, you will also see firsthand how the world of app publishing functions. Students who complete the class will have the foundations of VR design by creating their own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take your projects that build on previous years. (15 Contact Hours)

Small Engine Repair for Teens Ages 14-17 • KIDS-8190

This course offers students exposure to the various pieces of shop equipment/tools and details of small engine repair. The course curriculum will include the basics of small engine repair. Students who complete the course will have the knowledge of small engine repair and be able to service basic small engines. (15 Contact Hours)
provides educational opportunities and a college campus connection for students ages 3 to 17. Through fun activities and enriching, memorable experiences, students learn and succeed through personal achievement. Partial scholarships may be available.

For information, contact the program coordinator at 586.498.4100 or C4K@macomb.edu.

STEM Career Exploration Lab (CEL) for middle school (6th–9th grade) students and their parents. Students and parents design, test and build three projects (Hovercraft, Catapult and Safety Helmet) while learning about Engineering careers. This is a FREE 4-hour class sponsored by the Center for Advanced Automotive Technology (CAAT). CAAT is a National Science Foundation Advanced Technological Education Center. Pre-registration is required. Class size is limited to 20 students and 20 parents. Classes are held at Macomb’s South Campus, Room R112.

Three classes are offered:
Wednesday, June 27, 9 am–1 pm
Monday, July 30, 9 am–1 pm
Monday, August 20, 9 am–1 pm

To register, please contact:
Saleta McMurray, STEM Outreach Coordinator, Center for Advanced Automotive Technology, Macomb Community College 586.445.7127
