Volunteers are so very important to the successful operation of the SOAR Macomb program at Macomb Community College. The tasks are easy—volunteers are the front-line representatives of SOAR Macomb who are there to greet members, take attendance and provide directions to the classroom or lecture hall. The volunteers’ friendly manner enhances the SOAR Macomb experience, helping to make it more pleasant and memorable. If you would like to become a SOAR Macomb volunteer, please check the box below and you will be contacted with more details.
