The Motorcycle Rider and Safety Education program is conducted with Michigan Safety Education funds from a state grant administered by the Michigan Secretary of State. The following equipment is required: protective eyewear (glasses or goggles), helmet, boots, gloves, long sleeved shirt or jacket, long pants, and rain gear (if needed). You are required to be on time and attend all sessions. You will not be admitted to class if you are late. Students under the age of 18 are allowed to take the Basic Rider Web Enhanced or the Returning Rider courses starting at age 15 if they have a valid driver's license number. A parent or guardian must accompany the student to the first class meeting; parent signatures are required on some documents. For more information, email motorcycle@macomb.edu.

Basic Rider Web Enhanced  $50.00
REQUIREMENT:  Must provide a valid email address upon registration. Must complete the online course prior to your class start date and bring the certificate of completion to the first class session.

Link to the course will be distributed by the College, via email, at least 1 week prior to the start date of your class. If you have not received an email by this time, please email your request to motorcycle@macomb.edu.

The course consists of approximately 18 hours of instruction – 3 hours of online training to be completed prior to your class start date, 5 hours of classroom instruction and 10 hours of hands-on coaching. Designed for participants that have minimal experience operating a motorcycle, the course will focus on the development of basic riding skills: clutch and throttle coordination, straight-line riding, braking, turning and shifting. Successful completion of this course and its knowledge and skills test will result in a riding and written test waiver by the Secretary of State.

Prerequisite:  Ability to ride a bicycle (18 Contact Hours)

Returning Rider (Basic Rider 2) $50.00
This one day course is designed for the experienced, but unendorsed rider to become licensed and legal, or for already endorsed riders to refresh and improve their skills. This course is NOT designed for beginning riders. Students must demonstrate competency with basic operational skills and pass the Level 1 written test during the screening exercises in order to continue in the course. If it’s determined a rider needs additional skill development before proceeding, the rider will be referred to the Basic Rider Course (no refunds; no transfers). Topics include: speed control, braking & stopping, counter steering, cornering, hazard avoidance and other techniques necessary for the experienced rider to operate a motorcycle skillfully and safely. Each student must provide their own motorcycle and riding gear. Sharing is not allowed. Scooters will be allowed in this course. The cycle must be titled, properly registered, and display a valid license plate. Each student must provide proof of insurance and the bike must pass a safety inspection. Successful completion allows a student to waive the Secretary of State written and riding skills tests. (8 Contact Hours)

Advanced Rider $50.00
This one-day safety training program is designed to be low-risk, effective, and enjoyable with classroom and on-cycle activities. There will be small group interactive discussions and range practice consisting of basic controls, stopping, turning, swerving, and riding interaction skills. Participants MUST furnish their own street-legal cycle, riding gear and proof of insurance. Cycle must pass a safety inspection. You MUST provide your own protective eyewear (glasses or goggles), helmet, boots, full-finger gloves, long sleeved jacket or shirt, long pants, and rain gear if needed. (8 Contact Hours)

## Frequently Asked Questions

1) **When I enter the course, I only see a blank white page.**  
   This is an issue often experienced with Internet Explorer. Try to either minimize or maximize your screen. If this doesn't work, please make sure you have the latest version of Adobe Flash Player. Lastly, if neither of the above work, try another browser.

2) **The course does not load correctly on my iPad.**  
   The MSF course is not currently compatible with iPads or other tablets. Please use a desktop or laptop computer.

3) **My completion certificate is not enabled even though I’ve completed the course.**  
   This occurs when the last slide of the presentation does not play through completion (until the voice-over ends). Please re-launch the course and let the last slide play all the way through and try the certificate link once again.

4) **My certificate is showing an incorrect date.**  
   This occurs when the last slide of the presentation does not play through completion (until the voice-over ends). Please re-launch the course and let the last slide play all the way through and try the certificate link once again.

5) **I forgot my password or have locked myself out.**
