

Earn College Credit. Achieve Your Goals.

The College Board's College-Level Examination Program (CLEP) has been the most widely trusted credit-by-examination program for nearly 50 years, accepted by 2,900 colleges and universities and administered in more than 1,800 test centers. These exams allow students to test their mastery of college-level material in introductory subjects and earn college credit. Students can earn credit and get closer to achieving their educational goals by earning qualifying scores on one or more CLEP exams.

How do I get credit for CLEP?

When you take a CLEP exam, you can select the institution that should receive your scores. An official score report will automatically be forwarded to the school. You will also receive an unofficial copy of your score for your records immediately after the examination (except for College Composition).

If you do not indicate where you would like your score sent when you register, you can always request a transcript at a later time for a fee. Just submit the Transcript Request Form — it's available on the CLEP website, clep.collegeboard.org/about/score.

How do I prepare for a CLEP exam?

Information on CLEP exam practice materials can be found on the CLEP website, clep.collegeboard.org/test-preparation. You can also review sample test questions, exam topics, and other suggested study resources.

Our CLEP Policy

There is no limit to the number of CLEP examination credit hours that a student can earn at Macomb. However, you will need to speak with the Counseling & Advising department to get a full understanding of how your credits impact your program and graduation requirements.

Students are unable to repeat an exam within three months of the testing date. CLEP exams repeated earlier than three months will be canceled and test fees will be forfeited.
