CURRICULUM MAP FOR PRE-SOCIAL WORK PROGRAM
Macomb Community College

Introduced (I)	The skills associated with the program outcome are just introduced in the course.
Reinforced (R)	The skills associated with the program outcome are being worked on at a level above the introductory stage and/or the skills are being developed at a deeper level.
Mastered (M)	Students should have developed a sufficient level of competency in the skills associated with the program outcome to have mastered those skills at a community college level.

	Program Outcome 1: Utilize the appropriate communication skills when interacting with diverse populations.	Program Outcome 2: Apply theoretical frameworks supported by empirical evidence to assess individual development and behavior among micro, mezzo, and macro populations.	Program Outcome 3: Demonstrate ethical appropriate behavior within the social work profession.	Program Outcome 4: Summarize community resources that promote positive social change and individual well-being.
Semester 1
