The road to success is paved with...bricks.

For over 60 years, Macomb Community College has paved the way for our community to DISCOVER interests, CONNECT with people and industries, and ADVANCE to the next level of success.

Whether you are an alum, employee, retiree, friend, student or patron of the College, you have been an integral part of Macomb's history. Now, you have an opportunity to be a part of our future, as well.

In 2014, the College celebrated its 60th anniversary by renovating the South Campus entranceway. Inscribed bricks line the walkway leading to the front of campus, located off 12 Mile Road between D and E buildings. You can still be part of the excitement! For a limited time, we are offering these bricks for \$100 each, inscribed with up to three lines of text.

By purchasing one of these bricks, you can celebrate your time at Macomb, honor a loved one, recognize a graduate, or highlight your company. Your brick will be permanently installed on the newly redesigned South Campus walkway, serving as a lasting tribute to your support of Macomb, its students and programs.
