POLC Command Officers Agreement January 1, 2019- December 31, 2021
AGREEMENT

THIS AGREEMENT, entered into this 19th day of December, 2018, between the Community College District of the County of Macomb, hereinafter referred to as the "College", and Police Officers Labor Council – Command Officers, hereinafter referred to as the "Union", expresses all mutually agreed covenants between the parties heretofore.

PREAMBLE

This agreement is entered into for the purpose of promoting harmonious relations between the College and the Union and establishing rates of pay, hours of work and other conditions of employment.

The parties ascribe to the principle of equal opportunity and shall share equally the responsibilities for applying the provisions of this Agreement without discrimination as to age, sex, marital status, race, creed, national origin, or political or Union affiliation.

The College and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

RECOGNITION – EMPLOYEES COVERED

Section 1.0

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the College hereby recognizes the Union as the sole exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of work, and other specified conditions of employment, during the term of this Agreement for those employees of the College in a bargaining Unit consisting of all full-time Sergeants and Lieutenants, but excluding Public Service Officers, Police Officers and all other employees.

Section 1.1

The College will not interfere with or discriminate in any way against any employee in the above bargaining unit by reason of his membership in the Union or activity required by this Agreement, nor will the College encourage or discourage membership in the Union or any other organization.

Section 1.2 - Severability Clause

This Agreement is subject in all respects to the laws of the State of Michigan. In the event any provision of this Agreement is in conflict with any law or held illegal, void or invalid by a court of competent jurisdiction, such provision shall automatically be deleted without affecting the remaining provisions of the Agreement.

Section 1.3- No Strike Clause

The Union recognizes that it is the responsibility of the employee to guard and protect the buildings, premises, materials, facilities and property of the College at all times and under all circumstances. The Union agrees that its members will faithfully discharge this responsibility and during the life of this Agreement that it will not cause or permit its members to cause, nor will any member of the Union take part in, any strike, sit-down, stay-in, stoppage of work or other interference with or refusal to perform the duties assigned to them. The Union further agrees, in the event of any controversy between the College and any other group or organization or its members resulting or threatening to result in any strike, stoppage of work, or other interference with orderly operations, that its members will continue to report for duty, remain at their posts, and in the regular manner discharge the duties assigned to them. The College reserves the right to discipline (including discharge) any employee who violates this paragraph, except where protected by law. This section shall not be subject to the grievance procedure under this Agreement.
Section 1.4
The Union recognizes that it is the responsibility of the employees to familiarize themselves with the rules and regulations established by the College and to faithfully report all violations thereof. The Union agrees that employees shall discharge all duties assigned to them impartially and without regard to Union or non-union affiliation of any employee of the College, and that failure to do so constitutes sufficient cause for discipline up to and including discharge.

Section 1.5- Waiver Clause
It is mutually agreed that this Agreement represents the complete agreement between the parties and any other matter outside of this Agreement which has not been incorporated by reference shall not be deemed a part of such Agreement. It is agreed that the College and the Union voluntarily and unqualifiedly waive any and all rights to negotiate on matters outside of this Agreement during the term hereof, even though a subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

AUTHORITY OF THE COLLEGE

Section 2.0

During the life of this Agreement and to the extent the laws of the State of Michigan permit, the Employer will honor written voluntary individual membership dues deduction authorizations of employees.

Section 3.2
The Union shall certify to the Employer in writing the amount of each member’s regularly monthly dues. A copy of the Dues Deduction Authorization Form for each employee for whom the Union membership dues are to be deducted hereunder shall be delivered by the employees to the Employer before any payroll deductions shall be made. Section 3.4
All sums deducted by the Employer shall be remitted to the labor Union’s Financial Officer once each month within fifteen (15) calendar days following the payday in which deductions were made, together with a list which identifies current employees for whom the Union dues have been deducted, the amount deducted from the pay of each employee and any employees who have terminated their Dues Deduction Authorization during the previous month. Employee may terminate their Dues Deduction Authorization at any time by serving written notice thereof to Human Resources.

Section 3.5
Once any funds are remitted to the Labor Council by the Employer, their disposition shall be the sole and exclusive obligation and responsibility of the Labor Council. In cases where a deduction is made that duplicates a payment that an employee already has made to the Council, or where a deduction is not in conformity with the provisions of the Constitution of the Labor Council or applicable state or federal law, refunds to the employee shall be made by the Labor Council to the employee.
Section 3.6
The Employer shall not be liable to the Labor Council for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees.

Section 3.7
The Labor Council shall indemnify, protect and hold harmless the Employer from any and all claims, actions, demands, suits, proceedings, and other forms of liability, including all costs and attorney fees, that shall arise out of or by reason of any actions taken or not taken by the Employer for the purpose of complying with the provisions of this Article.

The supervisor shall grant permission within reasonable time after the first hour of the shift for the Steward to leave his work for these purposes subject to necessary emergency exceptions. The privilege of the Steward leaving his work during working hours without loss of time or pay is subject to the understanding that the time will be devoted to the proper processing of grievances and will not be abused.

Section 4.2
The Steward and Alternate Steward may be required to record time spent. All such Stewards will perform their regular assigned work at all times except whenever necessary to leave their work to process grievances as provided herein.

Section 4.3
The Union will furnish the Employer with the names of its authorized representatives and members of its committee who are employed within the unit and such changes as may occur from time to time in such personnel so that the College may at all times be advised as to the authority of the individual representatives of the Union with which it may be dealing.

Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda unless mutually agreed.

The members of the Union shall not lose pay for time lost in such special conferences. Special conferences shall be scheduled within ten days after the request is made unless otherwise agreed.

Section 6.4 - Work Days

The Arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement. The Arbitrator's powers shall be limited to deciding whether the College or the Union has violated, misapplied or misinterpreted any of the express terms of this Agreement. It is understood that any matter that is not specifically set forth in this Agreement shall not be subject to arbitration.

Section 7.5
The Arbitrator shall have no power to establish wage scales or change any wage.

Section 7.6
If the College disputes the arbitrability of any grievance under the terms of this Agreement, the Arbitrator shall first determine the question of arbitrability before hearing the merits of said grievance. If the Arbitrator finds that the grievance is not arbitrable, the grievance shall be referred back to the parties without decision or recommendation on its merits.

Section 7.7
It is understood and agreed that the interpretation of any policies of insurance or the provision thereof shall not be subject to binding arbitration.

Section 7.8
An award of back pay shall not extend back more than thirty days prior to the date the grievance was first filed in writing.

Section 7.9
No decision of an Arbitrator in one case shall create a basis for a retroactive adjustment in any other case.

DISCIPLINE AND DISCHARGE

Section 8.0
The College shall not discipline or discharge any employee except for just cause. The College and the Union mutually subscribe to progressive discipline.

Section 8.1
Any disciplined or discharged employee will be allowed to discuss the discipline or discharge with the Steward and the College will make available an area for the discussion if requested before the disciplined or discharged employee is required to leave the property of the College. Upon request, the College or its designated representative will discuss the discipline or discharge with the employee and the Steward.
Section 8.2
Should a disciplined or discharged employee and the Steward consider the discipline or discharge to be improper, a grievance may be presented in writing through the Steward to the Chief or designee within five working days of the discipline or discharge. If the decision is not satisfactory to the Union, the grievance shall be processed through the regular grievance procedure.
