

**MACOMB COMMUNITY COLLEGE
PETITION FOR ADMISSION TO PARAMEDIC PROGRAM**

Candidate (Print clearly):		
Last Name	First Name	MI
Street Address		
City	State	Zip
Phone Primary	Phone Secondary	
email		

o Admission into the Macomb Community College's paramedic programs is granted through the petition process. You will not be able to enroll in the program via general class registration.

Procedure:

You must complete the front and back of this form, and submit it to the address below for consideration. You must include:

- Unofficial college transcript even if you are a Macomb student
- A copy of your State of Michigan Basic EMT license. If you are in the certification process for Basic EMT you can still gain acceptance into the paramedic program, however you will need to successfully acquire your Basic EMT license before the start of the second semester.
- Two (2) letters of recommendation focusing on your character (educators/employers)
- Complete the pre-admission testing on the EMS testing website by June 1st

All petitions will be reviewed and the applicants will be rated based upon the responses given. The program coordinators will select students for the upcoming classes starting at the highest rated petition, and continuing until the class capacity has been met.

The list of applicants will be retained until after the program start dates. If positions become available, those not previously selected will be offered the opportunity to enroll. The list will not be maintained from year to year.

The program does not discriminate against applicants based upon gender, race, age, religion or region of residence. The reviewer of this petition will view only the back of this petition, so that the petitioner's identity remains unknown.

You may then submit this petition in person to Dan Media, Center Campus A-123 or to the PSI clerical staff at Center Campus A-114-1, or mail to:
