ATI TEAS Exam

Check the Selective Admission page on Macomb.edu after October 1, 2022, for testing information. Testing will begin November 2022.

The ATI TEAS exam is NOT administered in an on-campus/on-ground venue. It is administered only remotely, from a secure and technologically equipped location of your choice, such as your home. The ATI TEAS exam is remotely proctored by staff from Macomb Community College.

The ATI TEAS exam must be taken at Macomb Community College. Students are only permitted to complete the ATI TEAS exam one time per Selective Admission Cycle. The exam score is good for three selective admission cycles.

The student is best prepared, once again, by reading all resource documents provided to you by MCC on behalf of ATI.

Dry Run

To ensure you are comfortable with Remote Proctoring with Proctorio, you **MUST** complete a dry-run assessment several days prior to exam day.

IMPORTANT: Take this dry-run exam at least once several days prior to the ATI exam day to allow time to troubleshoot any issues.

Ensure that you are taking the dry run on the same device in which you will be taking the ATI proctored assessment.

A student ID card will not serve as acceptable ID. It must be a government issued ID such as a driver's license or State ID card.

Dry run 101

The purpose of the dry run is to walk through each step in the online exam process before your actual test day. Doing so will help identify any issues beforehand, as well as give you an idea as to what you can expect.

Before starting the dry run, you should:

- Make sure your laptop or desktop computer is fully charged and equipped with a webcam and microphone.
- Close all other windows and documents on your computer.
- Have a government-issued photo ID card available.
- Find a well-lit space and be ready for a room scan prior to your assessment. Check out this [exam environment guide](#) from Proctorio for helpful tips.
- Position your webcam from your shoulders up so that your face is fully visible.

To begin the dry run:

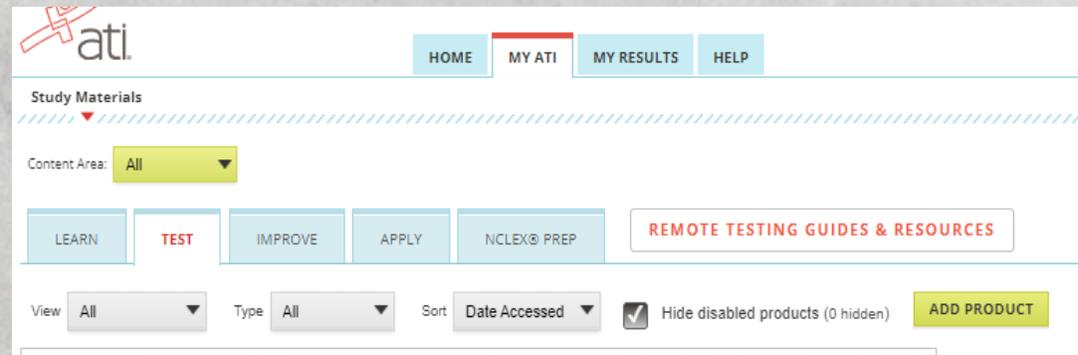

- Log in to your ATI student account and click "MY ATI" > "TEST" > "REMOTE PROCTORING DRY RUN."
- Click "BEGIN." This will launch you into Proctorio at the "BEFORE YOU BEGIN" page. Select "START EXAM PRE CHECKS" and follow the steps.

Prior to testing day

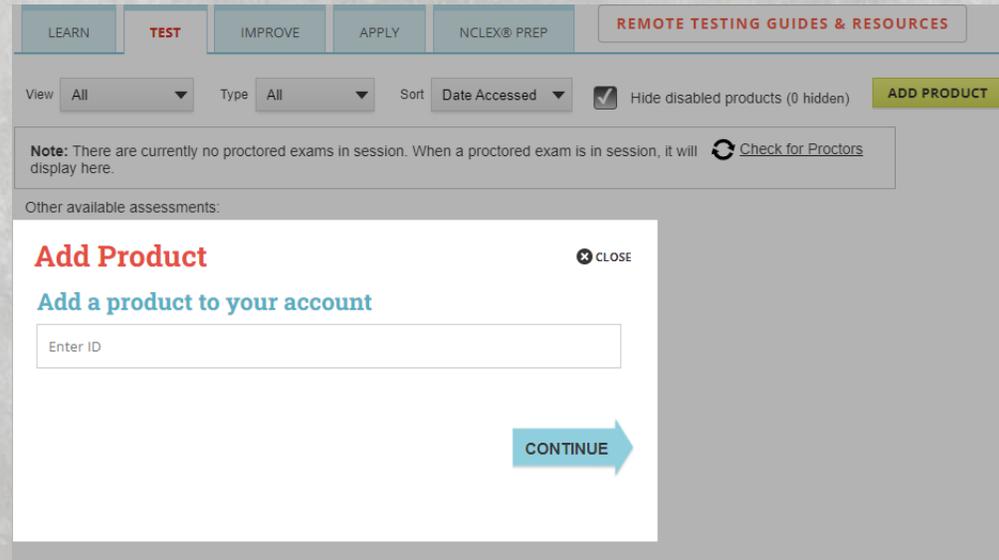

You will receive a TEST ASSESSMENT ID on your Macomb Community College CANVAS account.

To access your ATI TEAS exam at www.atitesting.com on the day of your test, you will need to have already loaded the test using the TEST ASSESSMENT ID.

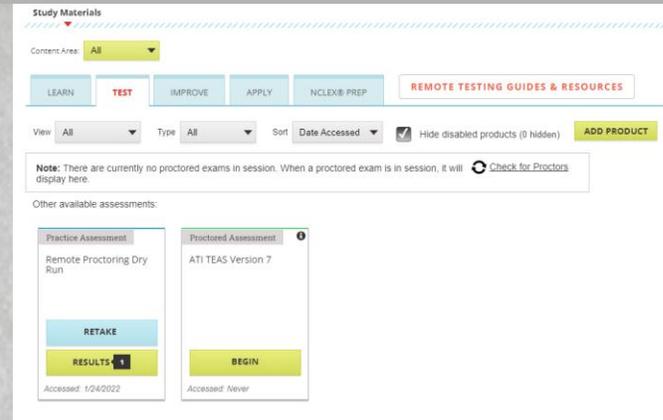

1. Select TEST tab
2. Click on green “ADD PRODUCT” button
3. Enter the TEST ASSESSMENT ID (after you do so, your ATI TEAS Version 7 Proctored Assessment will be listed on your screen as shown on the bottom screen shot)

The screenshot shows the ATI website interface. At the top, there are navigation tabs: HOME, MY ATI, MY RESULTS, and HELP. Below this is a 'Study Materials' section with a dropdown menu set to 'All'. A row of buttons includes LEARN, TEST (highlighted in red), IMPROVE, APPLY, and NCLEX® PREP. To the right is a button for 'REMOTE TESTING GUIDES & RESOURCES'. At the bottom of this section, there are filters for View (All), Type (All), Sort (Date Accessed), a checkbox for 'Hide disabled products (0 hidden)', and a green 'ADD PRODUCT' button.

This screenshot shows a modal window titled 'Add Product' with a 'CLOSE' button. The main heading is 'Add a product to your account'. Below this is a text input field labeled 'Enter ID'. At the bottom right of the modal is a blue arrow button labeled 'CONTINUE'. The background shows a dimmed version of the ATI website interface.

This screenshot shows the 'Other available assessments' section of the ATI website. It lists two assessments: 'Practice Assessment' (Remote Proctoring Dry Run) with a 'RETAKE' button and 'RESULTS' button, and 'Proctored Assessment' (ATI TEAS Version 7) with a green 'BEGIN' button. The 'Proctored Assessment' is marked as 'Accessed: Never'. The background shows the same website interface as the previous screenshots.

TEAS quick tips

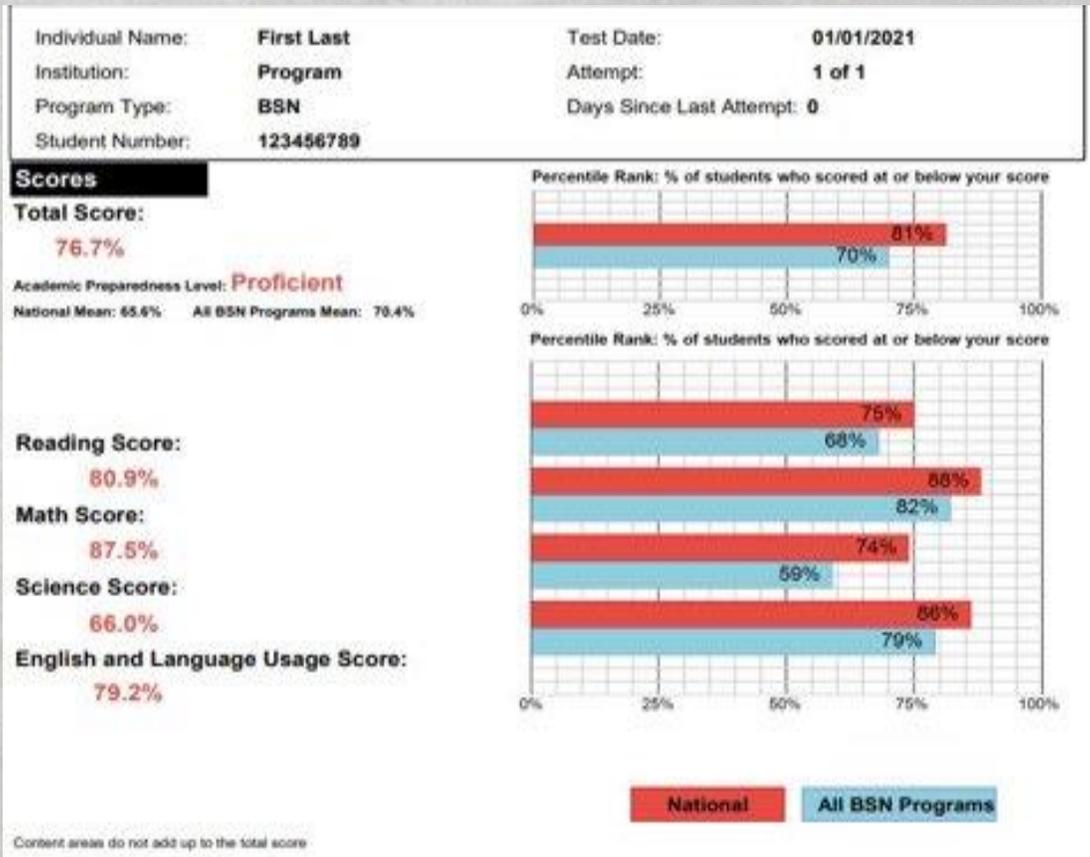

The TEAS exam will be administered online by staff at Macomb Community College. The school will supply proctors (a person who monitors students during an exam) and important test details. If you have questions or need assistance prior to the test date, please email ATITesting@macomb.edu

A four-function calculator (addition, subtraction, multiplication, and division) is built into the online TEAS exam.

You will retrieve your TEAS Assessment ID on your CANVAS account. If you have not gained access to CANVAS 24 hours after you have registered and paid for your exam, please email ATITesting@macomb.edu

Plan on 4 hours maximum to complete your TEAS exam. Each section is timed, and student can view the lapsed time on their screen while testing.

Review your test scores: Scores from your ATI TEAS exam are available immediately after testing is completed for you to review on your ATITesting.com account. You do not need to send your scores to Macomb Community College as we will pull them from the ATI system and add to your profile.
