Candidates must successfully complete the following courses, or their equivalents at another accredited institution, as defined by Macomb Community College with a punitive grade of C (2.0 GPA) or better prior to the deadline date of May 15th, 2023. ***BIO 2710** is recommended, however not included in ranking.

If you have received your Basic EMT training from a non-college-based training program you must provide a copy of your current and unencumbered **MICHIGAN BASIC EMT LICENSE** as proof of training, which will exempt you from taking EMSA 1215, 1220, and 1250. If you are using a Michigan Basic EMT license you will be awarded a "C" grade for those classes. This is for the purpose of ranking the applications only, and no actual college credits will be awarded. Proof of certificate should be emailed to selectiveadmissions@macomb.edu.

If you are receiving your Basic EMT training from a Michigan High School, you must provide a letter of endorsement from your instructors and a copy of your high school official transcript showing enrollment in the basic EMT courses to selectiveadmissions@macomb.edu. This is for the purposes of ranking the applications only, and no actual college credits will be awarded. **Proof of completion will be collected at orientation. Please be advised that a Michigan Basic EMT license is a requirement for the second semester of the Paramedic program. Failure to receive your Michigan Basic EMT license will result in removal from the program.**

4. SEND TRANSCRIPTS

Arrange for **OFFICIAL COLLEGE TRANSCRIPT(S)** to be sent directly from each institution attended to transcripts@macomb.edu. Macomb Community College transcripts are not required to be sent. In order to meet the deadline of May 15th, 2023 it is recommended that you request to have your current name, date of birth and Macomb ID number posted on transcripts.

5. COMPLETE ATI TEAS EXAM

The ATI TEAS exam must be taken at Macomb Community College. Students are only permitted to complete the ATI TEAS Test one time per Selective Admission Cycle. The exam score is good for three selective admission cycles.

RANKING

All applicants whose documentation is complete and on file by the deadline date are ranked according to the following criteria. All prerequisite courses must be completed by the deadline date with a grade of C (2.0 GPA) or better to be ranked.

- The GRADE POINT AVERAGE (GPA) of the two prerequisite courses (EMSA 1215 and EMSA 1220) are computed and weighted at 40%. If you are applying without having taken EMSA 1215, 1220, and 1250 at Macomb Community College, but do submit a valid Michigan Basic EMT license, you will be awarded a “C” grade for those classes. This is for the purpose of ranking the applications only, and no actual college credits will be awarded.
- The composite score of the ATI TEAS is weighted at 40%. The composite score is the average score of the cumulative results of all five components of the ATI TEAS. If the exam has been taken more than once, the highest score will be used within the three-year selective admission cycle period.
- Work experience with an EMS agency or in any job that involves direct patient contact in an emergency department will improve your ranking in the admissions process. **If you would like to receive the work experience benefit, email your current professional resume to psi@macomb.edu by May 10th, 2023. Note that this is a separate submission and due date.** The program coordinator will evaluate your experience and include your work experience into your ranking. Your work experience with an EMS agency or in a hospital emergency department will be weighted at 20% based on the following rubric:

Over 1-year experience =5 points
6 months to 1-year experience= 3 points
Less than 6 months experience= 2 points
No experience =0 points

PROCESSING

Applicants will be ranked in the Paramedic program **ONLY** if they have applied and completed all the requirements to the program **BEFORE THE May 15th, 2023 DEADLINE DATE**. All applicants are notified by mail of the admission decision, no later than July 1, 2023. Applicants who are not admitted will automatically be ranked for the July applicants and will not need to reapply. They will not be given preference by reason of having applied before. Only those applicants selected for admission are required to submit a \$100.00 non-refundable fee to confirm acceptance into the program.

A mandatory orientation for successfully ranked candidates will be held in August 2023. No other orientation date will be offered; if you do not attend, it will be understood that you are not interested in entering the program and your name will be removed as a candidate. If you are selected as an alternate candidate, you must also attend the mandatory orientation. **For students entering the EMS-Paramedic program from a high school, proof of successful completion is due at orientation.**

CRIMINAL BACKGROUND CHECKS

After conditional acceptance into the PARAMEDIC PROGRAM the following must be completed, and results submitted by August 15, 2023:

- Criminal Background Check and Drug Screening: Testing positive for illegal substances or having conviction of certain crimes may prevent you from enrolling in the paramedic program, participating in clinical rotations, or obtaining a State EMS license.
- A medical clearance physical (with completed Macomb Community College form)

Failure to complete these requirements will result in a withdrawal of your acceptance.

Macomb Community College's clinical partners may not accept students who have been convicted of certain crimes into a clinical learning environment. Therefore, students must undergo a Criminal Background Check, at their own expense, through CastleBranch.com in order to be considered for admission.

NOTE: Do not order your criminal background check at this time; students will get more information regarding the Criminal Background Check at the mandatory orientation.
