5. COMPLETE ATI TEAS EXAM

ATI TEAS exam and registration information will be posted to the Selective Admissions webpage on October 1, 2024, which is the date registration for the exam begins. Students are only permitted to complete the ATI TEAS Test one time per Selective Admission Cycle. The exam score is good for three selective admission cycles.

RANKING

All applicants whose documentation is complete and on file by the deadline date are ranked according to the following criteria. All prerequisite courses must be completed by the deadline date with a grade of C (2.0 GPA) or better to be ranked.

- The GRADE POINT AVERAGE (GPA) of the two prerequisite courses (EMSA 1215 and EMSA 1220) are computed and weighted at 45%. If you are applying without having taken EMSA 1215, 1220, and 1250 at Macomb Community College, but do submit a valid Michigan Basic EMT license, you will be awarded a “C” grade for those classes. This is for the purpose of ranking the applications only, and no actual college credits will be awarded.
- The composite score of the ATI TEAS exam is weighted at 45%. The composite score is the average score of the cumulative results of all four components of the ATI TEAS exam. If the exam has been taken more than once, the highest score will be used within the three-year selective admission cycle period.
- Work experience with an EMS agency or in any job that involves direct patient contact in an emergency department will improve your ranking in the admissions process. **If you would like to receive the work experience benefit, email your current professional resume to psi@macomb.edu by January 25, 2025. Note that this is a separate submission and due date.** The program coordinator will evaluate your experience and include your work experience in your ranking. Your work experience with an EMS agency or in a hospital emergency department will be weighted at 10% based on the following:

Over 1-year experience =5 points
6 months to 1-year experience= 3 points
Less than 6 months experience= 2 points
No experience =0 points

PROCESSING

Applicants will be ranked in the Paramedic program **ONLY** if they have applied and completed all the requirements to the program **BEFORE THE February 1st, 2025, DEADLINE DATE**. All applicants are notified by mail or email of the admission decision, no later than May 1, 2025. Applicants not admitted will automatically be ranked with the May applicants and will not need to reapply. They will not be given preference by reason of having applied before. Only those applicants selected for admission are required to submit a \$100.00 non-refundable fee to confirm acceptance into the program.

A mandatory orientation for successfully ranked candidates will be held in August 2025. No other orientation date will be offered; if you do not attend, it will be understood that you are not interested in entering the program and your name will be removed as a candidate. If you are selected as an alternate candidate, you must also attend the mandatory orientation. **For students entering the EMS-Paramedic program from a high school, proof of successful completion is due at orientation.**

CRIMINAL BACKGROUND CHECKS AND DRUG SCREENS

After conditional acceptance into the PARAMEDIC PROGRAM the following must be completed, and results submitted by August 15, 2025:

- Criminal Background Check and Drug Screening: Testing positive for illegal substances or having conviction of certain crimes may prevent you from enrolling in the paramedic program, participating in clinical rotations, or obtaining a State EMS license.
- A medical clearance physical (with completed Macomb Community College form).

Failure to complete these requirements will result in a withdrawal of your acceptance.

Macomb Community College's clinical partners may not accept students who have been convicted of certain crimes into a clinical learning environment. Therefore, students must undergo a Criminal Background Check, at their own expense, through CastleBranch.com in order to be considered for admission.

NOTE: Do not order your criminal background check now; students will get more information about the Criminal Background Check at the mandatory orientation.
