# HESI Test Information

## Selective Admission Cycle: November 2026-January 2027

Selective Admission programs at Macomb Community College utilize the **Health Education Systems Incorporated** (**HESI)** test as a component of the ranking process for each program. Applicants may take the test only once per Selective Admission cycle. Test scores remain active for three Selective Admission cycles or until departmental requirements change, whichever comes first.

***There are two HESI test versions offered***: HESI 8000 and HESI 8001 see the difference between the two below.
