Selective Admission Programs

What is Selective Admission?

Select programs in Health and Human Services require specific criteria to gain admission, such as testing requirements or minimum grade point average in prerequisite courses. Please view the selective admissions program application packet for information on application requirements, ranking and deadlines.

How to Apply for Selective Admission

For application questions, email selectiveadmissions@macomb.edu. Selective admissions applicants are encouraged to meet with an academic advisor or counselor prior to submitting an application to the program. This meeting will allow for review of the application process, program prerequisites and requirements. Contact the [Counseling and Academic Advising](#) Office at [586.445.7999](tel:586.445.7999) for office hours.

HESI® Exam: CRUCIAL NOTES

- Check the Selective Admission page on Macomb.edu for testing information.
- The HESI® exam must be taken *through* Macomb Community College. This means you register and pay through Macomb.
- The HESI® exam *is administered only on ground*, held at Macomb Community College's Center Campus.
- Students are only permitted to complete the HESI® exam one time per Selective Admission Cycle. The exam score is good for three selective admission cycles.
- The student is best prepared, once again, by reading all resource documents provided to you by MCC.

TESTING ACCOMMODATIONS: Please email HESI@macomb.edu prior to registering for your HESI® exam.

HESI® exam score and Ranking

The following percentages represent the weight of the HESI exam in each program's ranking score:

- Associate Degree Nursing: 47%
- Licensed Practical Nursing: 47%
- Dental Hygiene: 47%
- EMT/Paramedic: 40%
- Occupational Therapy Assistant: 50%
- Physical Therapist Assistant: 50%
- Radiologic Technology: 40%
- Respiratory Therapy: 10%
- Veterinary Technician: 40%

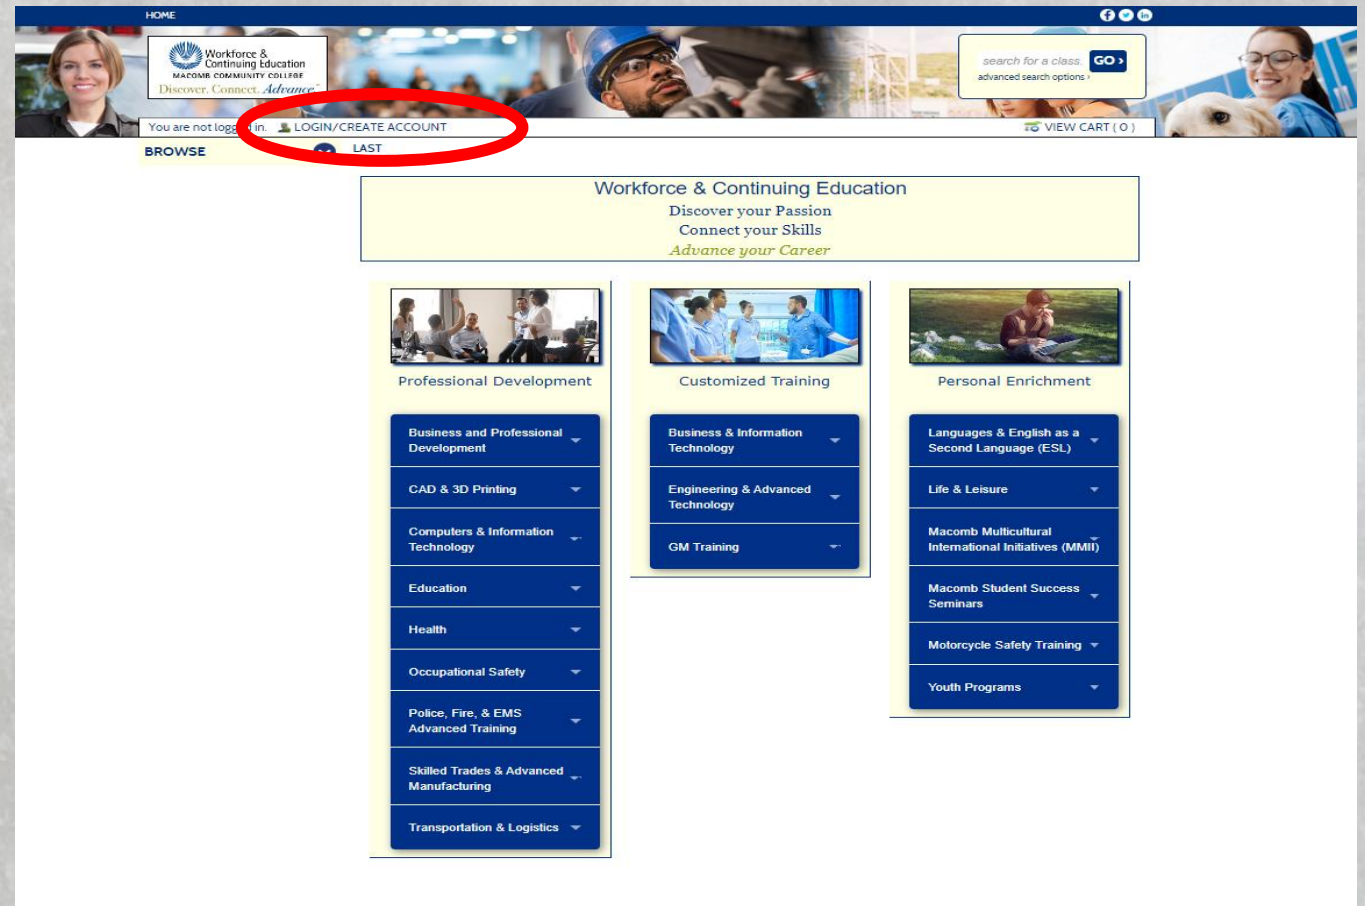

How to register for the HESI® exam

There are four important accounts that will be established in this process

1. Macomb.edu email
2. Lumens account
3. Evolve account
4. Canvas account

- Registration begins at wce.macomb.edu. First time users are required to create a Lumens account
- Click on Login/Create account. Complete account registration using your Macomb.edu email (be sure to keep a note of your password).
- Just a note: Your LUMENS account is not the same as your MCC student account.

In order to set up an account in Lumens, you will need a social security number.

If you have any problems with setting up your Lumens account, you can email wceregissues@macomb.edu

Selecting your HESI® exam session

- HESI® exams are scheduled to occur only once per day. The exam session begins promptly at the start of the session and lasts until your testing session has been completed.
- Plan on 5 hours maximum to complete your HESI® exam.
- You must plan to arrive at Macomb Community College, Center Campus testing location at least 15 minutes prior to the beginning of your testing session. Failure to do so may cause you to lose your spot in that session.
- Once you know which section you want to register for, you can simply click on “ADD TO CART”
- The fee for the exam is \$100.00.
- Please do not register for a HESI® exam during one of your credit classes. You cannot register for a course that conflicts with your credit class schedule.

Testing Day

Go to: Macomb Community College, Center Campus
44575 Garfield Rd., Clinton Township, MI 48038

YOU MUST ARRIVE AT LEAST 15 minutes prior to the starting time of your testing session to be checked in. If you arrive late you may lose your testing seat and forfeit your registration fee.

Macomb Community College Proctors will be available after all students have arrived to successfully check you in and to give students the access code to start the HESI® test.

Study Materials for the HESI® Admission Assessment Test

Study Resources (Optional):

While on the HESI Evolve website, please consider ordering the Study Guide. The study guide includes special codes that can be used to access practice assessments.

For Physical Copy- [Physical copy link](#)

For E-book Version - [E-book link](#)

A limited number of study guides are available at both the Center and South Campus Libraries. You must have a Driver's License or State ID to review these, and they may not be removed from the library.

HESI® quick tips

The HESI® exam will be administered in person by Proctors at Macomb Community College. You will be seated in a computer lab with up to 35 students. The school will supply proctors (a person who monitors students during an exam) and important test details. If you have questions or need assistance prior to the test date, please email HESI@macomb.edu

A four-function calculator (addition, subtraction, multiplication, and division) is built into the online exam.

You will retrieve your HESI® Registration Code on your CANVAS account. You should have entered that on your Evolve account prior to your testing date. If you have not gained access to your CANVAS HESI-8000 or HESI-8001 course 24 hours after you have registered and paid for your exam, please email onlinesupport@macomb.edu

Plan on 5 hours maximum to complete your HESI exam. The exam is timed, and student can view the lapsed time on their screen while testing.

Review your test scores

The score from your HESI® exam is available immediately after the entire testing session is completed by all students in that testing session. Simply log back into your Evolve Account later that day or the next (if you test late in the day) to review your results and remember to check out the optional Remediation section.

Students do not need to send your scores to Macomb Community College as we will pull them from the Evolve system and add to your student profile at Macomb.

The HESI® Scoring Guide is provided to students in their CANVAS account.

THERE IS NOT A CUT SCORE required for any of the Selective Admission Programs. Please refer to the Selective Admission Packet for the program you are applying to for ranking procedures.
