Selective Admission Requirements

Nursing

2018

Deadline for all requirements

February 15, 2018

The requirements for the Nursing program are different than the requirements for other Selective Admissions programs. Please read the entire packet carefully to assure that all requirements are completed before the deadline date.
To be considered for admission to the Nursing program, applicants are required to complete ALL requirements. ALL appropriate documentation must be on file at the Center Campus Records and Registration Office by the February 15, 2018 deadline for the Nursing program that begins Fall 2018/Winter 2019. Macomb's Selective Admission programs have entrance testing requirements and admission requirements that are considerably different than other Macomb programs.

It is encouraged that Selective Admission applicants attend a Nursing Selective Admission Seminar prior to taking the HESI exam and submitting an application to the program. This seminar will review the application process, program prerequisites and requirements. Refer to the link below to access the most current dates and times for the Selective Admission program seminars: www.macomb.edu/SAseminar-nursing. Contact the Counseling and Academic Advising Office at 586.445.7999 to reserve a seat for a seminar.

The HESI Admission Assessment Exam may only be taken once per Selective Admissions cycle, and must be completed at Macomb Community College. Scores for this exam administered at other locations or institutions will not be accepted. The HESI Admission Assessment Exam scores remain active for 5 selective admission cycles, or until departmental requirements change, whichever comes first. You have the option to retake the test in an effort to improve your score. This exam will assess the prospective nursing student in the following academic subjects: Anatomy and Physiology, Math, Reading Comprehension, Vocabulary and General Knowledge, and Grammar. A cumulative, or overall exam average score, is provided for these academic tests. This is also referred to as the composite score. The best active composite score prior to the deadline date will be used for ranking purposes. At the direction of the Nursing Department administration, the Learning Style and Personality Profile are included in the assessment package for the purpose of offering students insights about their study habits and learning preferences as they relate to academic achievement. These two personal assessments will not be used as part of the selection process. Students who have a documented disability should contact the Macomb Community College Special Services Department at 586.445.7999 to make advance arrangements for appropriate exam accommodations. This should be done at the time of HESI
MANDATORY ORIENTATION: A MANDATORY ORIENTATION WILL BE HELD DURING THE WEEK OF MAY 14–18, 2018. YOU MUST ATTEND THIS ORIENTATION TO BE CONSIDERED FOR THE PROGRAM. NO OTHER ORIENTATION WILL BE OFFERED; IF YOU DO NOT ATTEND IT WILL BE UNDERSTOOD THAT YOU ARE NOT INTERESTED IN ENTERING THE PROGRAM AND YOUR NAME WILL BE REMOVED AS A CANDIDATE. IF YOU ARE SELECTED AS AN ALTERNATE CANDIDATE YOU MUST ALSO ATTEND THE MANDATORY ORIENTATION AS SCHEDULED DURING THAT SAME WEEK; NO ADDITIONAL ORIENATIONS WILL BE HELD.

RANKING

All applicants whose documentation is completed by the deadline date are ranked according to the following criteria. All prerequisite courses must be completed by the deadline date with a grade of C (2.0 GPA) or better to be ranked.

The GRADE POINT AVERAGE (GPA) of the four prerequisites (BIOL-2400 or BIOL-2730, ENGL-1180 or ENGL-1210, HHSC-1040 and BIOL-2710) are computed and weighted at 50%. The composite score of the HESI Admissions Assessment Exam is weighted at 50%. The composite score is the average score of the cumulative results of all five components of the HESI Admission Assessment Exam.

PROCESSING

Applicants will be ranked in the Nursing program ONLY if they have applied and completed all of the requirements to the program BEFORE THE FEBRUARY 15, 2018 DEADLINE DATE. The processing of all applicants takes approximately three months following the deadline date. At that time, all applicants are notified by mail of the admission decision, no later than May 15, 2018.

Applicants who are not admitted may apply for the following year but will not be given preference by reason of having previously applied.

Only those applicants selected for admission are required to submit a $100.00 non-refundable fee to confirm acceptance into the program. Admission is conditional upon proof of health documentation required at the appropriate time by the Department of Health and Human Services, and upon attendance at the mandatory program orientation.

Note: Some or all of the admission criteria listed above may constitute change from the past policy. Macomb retains the prerogative of changing admission procedures and requirements. Furthermore, students and prospective students bear the responsibility for keeping informed of college procedures and requirements.

CRIMINAL BACKGROUND CHECKS

Macomb Community College’s clinical partners may not accept students in a clinical learning environment who have been convicted of certain crimes. Therefore, students must undergo a Criminal Background Check, at their own expense, through CastleBranch.com in order to be considered for admission to the Nursing Program.

NOTE: Students will get more information regarding the Criminal Background Check at the mandatory orientation.

Revised 02/17
Macomb Community College’s clinical partners may not accept students in a clinical learning environment who have been convicted of certain crimes. Therefore, students must undergo a Criminal Background Check through CastleBranch.com in order to be considered for admission to the Nursing Program.

Convictions occurring after acceptance into the program must be reported to the Associate Dean of HHSC Dept. immediately. A student is not eligible for admission to the Nursing program for a period of years following completion of all terms and conditions of sentencing for conviction of certain crimes. The precise number of years a student must wait following sentencing depends upon the nature of the offense. Generally speaking, the more serious the offense, the longer the students must wait before eligibility is restored. Macomb Community College has adopted the waiting periods specified in MCL 330.1134a. If a student has been convicted of a crime, the student should consult “Nursing Program Waiting Periods” BEFORE seeking admission to the Nursing program to determine the specific waiting period, if any, applicable to that conviction. Failure to disclose conviction of a crime listed in MCL 330.1134a is grounds for immediate dismissal from the Nursing program. If a student is convicted of a crime listed in MCL 330.1134a while in the Nursing program, the student will be immediately dismissed from the program.
