Selective Admission Requirements

Occupational Therapy Assistant

2020

Deadline for all requirements

February 1, 2020

The requirements for the Occupational Therapy Assistant program are different than the requirements for other Selective Admissions programs. Please read the entire packet carefully to assure that all requirements are completed before the deadline date.
To be considered for admission to the OCCUPATIONAL THERAPY ASSISTANT program, applicants are required to complete ALL requirements. ALL appropriate documentation must be on file at the Center Campus Records and Registration Office by the February 1, 2020 deadline for the program that begins Fall 2020. Macomb’s Selective Admission programs have assessment and admission requirements that are considerably different than other Macomb programs.

It is encouraged that Selective Admission applicants meet with an academic advisor or counselor prior to taking the HESI exam and submitting an application to the program. This meeting will allow for review of the application process, program prerequisites and requirements. Contact the Counseling and Academic Advising Office at 586-445-7999 for office hours or visit https://www.macomb.edu/future-students/student-resources/counseling-academic-advising/contact-us.html.

APPLICATION REQUIREMENTS

1. Submit an Occupational Therapy Assistant application here. Please retain the confirmation email from your submitted application for your records. If you are not a current or former student at Macomb Community College you must also apply for admission and complete all admission steps.

2. Arrange for OFFICIAL COLLEGE TRANSCRIPT(S), INCLUDING COLLEGE BOARD (CLEP & AP) AND INTERNATIONAL BACCALAUREATE, to be sent directly from EACH institution attended to the Center Campus Records & Registration Office. Macomb Community College transcripts are not required to be sent. In order to meet the deadline of February 1, 2020, it is recommended that applicants request to have their current name, date of birth and Macomb ID number be posted on their transcript. Transcripts that are issued to the student will not be accepted.

Mail: Macomb Community College
Center Campus Records & Registration Office G-110
44575 Garfield Rd.
Clinton Twp., MI 48038-1139
Or email: transcripts@macomb.edu

3. The following courses must be completed by the end of the Fall 2019 term prior to the application deadline of February 1, 2020. Candidates must successfully complete the following courses, or their equivalents at another accredited institution, as defined by Macomb Community College with a punitive grade of C (2.0 GPA) or better prior to the deadline date of February 1, 2020. A punitive grade is one that affects the grade point average. A grade of C- is not acceptable. A GPA will be calculated on the prerequisite courses.

   BIOL-2710 – Human Physiological Anatomy
   ENGL-1180 – Communications 1 OR ENGL-1210 – Composition 1
   PSYC-1010 – Introductory Psychology

In addition, if accepted into the OTA program the following two courses are required to be completed with a grade of C or higher before the start of the 2020 Fall semester. The courses below are not used to calculate the GPA for Selective Admissions:

   HHSC-1030 – Orientation to Occupational Therapy
   PHIL-2100 – Introduction to Ethics

4. HESI ADMISSION ASSESSMENT EXAM Applicants must complete the HESI Admission Assessment Exam. Early registration is recommended to secure your seat in a preferred session. The HESI Admission Assessment Exam may only be taken once per Selective Admissions cycle, and must be completed at Macomb Community College. Scores for this exam administered at other locations or institutions will not be accepted. The HESI Admission Assessment Exam scores remain active for 5 selective admission cycles, or until departmental requirements change, whichever comes first. You have the option to retake the test in a future selective admissions cycle in an effort to improve your score. This exam will assess the prospective
student in the following academic subjects: Anatomy and Physiology, Math, Reading Comprehension, Vocabulary and General Knowledge, and Grammar. A cumulative, or overall exam average score, is provided for these academic tests. This is also referred to as the composite score. The best active composite score within 5 selective admission cycles, prior to the deadline date will be used for ranking purposes. At the direction of the Occupational Therapy Department Administration, the Learning Style Profile is included in the assessment package for the purpose of offering students insights about their learning preferences as they relate to academic achievement. This personal assessment will not be used as part of the selection process. Students who have a documented disability should contact the Macomb Community College Special Services Department at 586.286.2237 (Center Campus) or 586.445.7420 (South Campus) to make advance arrangements for appropriate exam accommodations. This should be done at the time of HESI Admission Assessment registration. The HESI ADMISSION SCHEDULE AND FEES can be found on pages 6 and 7.

RANKING

All applicants whose documentation is complete and on file by the deadline date are ranked according to the following criteria. Available seats are filled in the same rank order. All prerequisite courses must be completed by the deadline date with a grade of C (2.0 GPA) or better to be ranked. If AP, CLEP and/or IB scores are used, the score is converted to a punitive grade and used for ranking.

- The GRADE POINT AVERAGE (GPA) of the three prerequisite courses (BIOL-2710, ENGL-1180 or ENGL-1210, and PSYC-1010) are computed and weighted at 50%.
- The composite score of the HESI Admissions Assessment Exam is weighted at 50%. The composite score is the average score of the cumulative results of all five components of the HESI Admission Assessment Exam.

MANDATORY ORIENTATION FOR SUCCESSFULLY RANKED CANDIDATES: A mandatory orientation will be held sometime during the month of May 2020. You must attend this orientation to be considered for the program. No other orientation will be offered; if you do not attend it will be understood that you are not interested in entering the program and your name will be removed as a candidate. If you are selected as an alternate candidate you must also attend the mandatory orientation; no additional orientations will be held.

PROCESSING

Applicants will be ranked in the Occupational Therapy Assistant program ONLY if they have applied and completed all the requirements to the program BEFORE THE FEBRUARY 1, 2020 DEADLINE DATE. The processing of all applicants (including filing, computations, and ranking) takes approximately three months following the deadline date. At that time, all applicants are notified by mail of the admission decision, no later than May 1, 2020. Applicants who are not admitted may apply for the following year but will not be given preference by reason of having applied before.

Only those applicants selected for admission are required to submit a $100.00 non-refundable fee to confirm acceptance into the program. Admission is conditional upon proof of health documentation required at the appropriate time by the Department of Health and Human Services, and upon attendance at the mandatory program orientation.

Note: Some or all of the admission criteria listed above may constitute change from the past policy. Macomb retains the prerogative of changing admission procedures and requirements. Furthermore, students and prospective students bear the responsibility for keeping informed of college procedures and requirements.

CRIMINAL BACKGROUND CHECKS

Macomb Community College’s clinical partners may not accept students who have been convicted of certain crimes into a clinical learning environment. Therefore, students must undergo a Criminal Background Check, at their own expense, through CastleBranch.com in order to be considered for admission to the Occupational Therapy Assistant program.

NOTE: Do not order your criminal background check at this time; students will get more information regarding the Criminal Background Check at the mandatory orientation.
OCCUPATIONAL THERAPY ASSISTANT PROGRAM WAITING PERIODS

Students are required to disclose any and all federal, state (including states other than Michigan) or local crimes for which the student has been convicted to the Associate Dean for the program the student wishes to enter. Convictions occurring before admission to the program must be reported to the Associate Dean prior to acceptance into the program. Convictions occurring after acceptance into the program must be reported to the Associate Dean immediately.

A student is not eligible for admission to the Occupational Therapy Assistant program for a period of years following completion of all terms and conditions of sentencing for conviction of certain crimes. The precise number of years a student must wait following sentencing depends upon the nature of the offense. Generally speaking, the more serious the offense, the longer the student must wait before eligibility is restored.

Macomb Community College has adopted the waiting periods specified in MCL 330.1134a.

If a student has been convicted of a crime, the student should consult the Occupational Therapy Assistant Program Waiting Periods (table below) BEFORE seeking admission to the Occupational Therapy Assistant program to determine the specific waiting period, if any, applicable to that conviction. Failure to disclose conviction of a crime listed in MCL 330.1134a is grounds for immediate dismissal from the Occupational Therapy Assistant program. If a student is convicted of a crime listed in MCL 330.1134a while in the Occupational Therapy Assistant program, the student will be immediately dismissed from the program.
