This video will review the application process, program prerequisites and requirements. Refer to the video link located on the Selective Admissions webpage. Contact the Counseling and Academic Advising Office at 586-445-7999 for further program information.

Candidates must successfully complete the following courses, or their direct equivalents at another accredited institution, as defined by Macomb Community College with a punitive grade of C (2.0 GPA) or better prior to the deadline date of February 1, 2023. A punitive grade is one that affects the grade point average. A grade of C- is not acceptable. A GPA will be calculated on the prerequisite courses.

   - **BIOL-2710** – Human Physiological Anatomy
   - **ENGL-1180** – Communications 1 OR **ENGL-1210** – Composition 1
   - **PSYC-1010** – Introductory Psychology

4. **Complete ATI TEAS EXAM**

   See the Selective Admission page available after October 1, 2022 for testing information. Testing will begin November 2022. The ATI TEAS exam must be taken at Macomb Community College. Students are only permitted to complete the ATI TEAS Test one time per Selective Admission Cycle. The exam score is good for three selective admission cycles.
RANKING

All applicants whose documentation is complete and on file by the deadline date are ranked according to the following criteria. Available seats are filled in the same rank order. All prerequisite courses must be completed by the deadline date with a grade of C (2.0 GPA) or better to be ranked. If AP, CLEP and/or IB scores are used, the score is converted to a punitive grade and used for ranking.

- The GRADE POINT AVERAGE (GPA) of the three prerequisite courses (BIOL-2710, ENGL-1180 or ENGL-1210, and PSYC-1010) are computed and weighted at 50%.
- The composite score of the ATI TEAS is weighted at 50%. The composite score is the average score of the cumulative results of all four components of the ATI TEAS.

MANDATORY ORIENTATION FOR SUCCESSFULLY RANKED CANDIDATES: A mandatory orientation will be held sometime during the month of May 2023. You must attend this orientation to be considered for the program. No other orientation will be offered; if you do not attend it will be understood that you are not interested in entering the program and your name will be removed as a candidate. If you are selected as an alternate candidate, you must also attend the mandatory orientation; no additional orientations will be held.

PROCESSING

Applicants will be ranked in the Occupational Therapy Assistant program ONLY if they have applied and completed all the requirements to the program BEFORE THE FEBRUARY 1, 2023 DEADLINE DATE. The processing of all applicants (including filing, computations, and ranking) takes approximately three months following the deadline date. At that time, all applicants are notified by mail of the admission decision, no later than May 1, 2023. Applicants who are not admitted may apply for the following year but will not be given preference by reason of having applied before.

Only those applicants selected for admission are required to submit a $100.00 non-refundable fee to confirm acceptance into the program. Admission is conditional upon proof of health documentation required at the appropriate time by the Department of Health and Human Services, and upon attendance at the mandatory program orientation.

Note: Some or all of the admission criteria listed above may constitute change from the past policy. Macomb retains the prerogative of changing admission procedures and requirements. Furthermore, students and prospective students bear the responsibility for keeping informed of college procedures and requirements.

CRIMINAL BACKGROUND CHECKS and DRUG SCREENS

Macomb Community College’s partners may not accept students who have been convicted of certain crimes or test positive for certain drugs into a clinical learning environment. Therefore, students must undergo a Criminal Background Check and Drug Screen, at their own expense, through CastleBranch.com in order to be considered for admission to the Occupational Therapy Assistant program.

NOTE: Do not order your criminal background check or drug screen at this time; students will get more information regarding the Criminal Background Check and Drug Screen at the mandatory orientation.

OCCUPATIONAL THERAPY ASSISTANT PROGRAM WAITING PERIODS

Students are required to disclose any and all federal, state (including states other than Michigan) or local crimes for which the student has been convicted to the Associate Dean for the program the student wishes to enter. Convictions occurring before admission to the program must be reported to the Associate Dean prior to acceptance into the program. Convictions occurring after acceptance into the program must be reported to the Associate Dean immediately.

A student is not eligible for admission to the Occupational Therapy Assistant program for a period of years following completion of all terms and conditions of sentencing for conviction of certain crimes. The precise number of years a student must wait following sentencing depends upon the nature of the offense. Generally speaking, the more serious the offense, the longer the student must wait before eligibility is restored.
Macomb Community College has adopted the waiting periods specified in MCL 330.1134a.

If a student has been convicted of a crime, the student should consult the Occupational Therapy Assistant Program Waiting Periods (table below) BEFORE seeking admission to the Occupational Therapy Assistant program to determine the specific waiting period, if any, applicable to that conviction. Failure to disclose conviction of a crime listed in MCL 330.1134a is grounds for immediate dismissal from the Occupational Therapy Assistant program. If a student is convicted of a crime listed in MCL 330.1134a while in the Occupational Therapy Assistant program, the student will be immediately dismissed from the program.
