PROCESSING

Applicants will be ranked in the Physical Therapist Assistant program ONLY if they have applied and completed all the requirements to the program BEFORE THE FEBRUARY 1, 2026 DEADLINE DATE. At that time, all applicants are notified by email or mail of the admission decision, no later than May 1, 2026. Applicants who are not admitted may apply for the following year but will not be given preference by reason of having applied before.

Only those applicants selected for admission are required to submit a \$100.00 **non-refundable** fee to confirm acceptance into the program. Admission is conditional into the Physical Therapist Assistant program upon proof of health documentation required at the appropriate time by the Department of Health and Human Services and upon attendance at the mandatory program orientation for the Physical Therapist Assistant program.

Some or all the admission criteria listed above may constitute change from the past policy. Macomb retains the prerogative of changing admission procedures and requirements. Furthermore, students and prospective students bear the responsibility for keeping informed of college procedures and requirements.

NOTE: *Certain courses must be taken prior to starting programs. For the most current offerings of degrees or certificates, programs of study, courses and procedural updates, refer to the Macomb Community College website (www.macomb.edu).*

CRIMINAL BACKGROUND CHECKS AND DRUG SCREENS
