Visit the Selective Admissions webpage for more details.

### **RANKING**

All applicants whose documentation is complete and on file by the deadline date are ranked according to the following criteria. Available seats are filled in the same rank order. All prerequisite courses must be completed by the deadline date with a grade of C (2.0 GPA) or better to be ranked. If AP, CLEP, and/or IB scores are used, the score is converted to a punitive grade and used for ranking.

- The **GRADE POINT AVERAGE (GPA)** of the six prerequisite courses (BIOL-2710, ENGL-1181 or ENGL-1211, HHSC-1700, PHSA-1050, PHIL-2100, and MATH-1050 or MATH-1050X) are computed and weighted at **60%**.

- BIOL-2710 and HHSC-1700 must be completed within 5 years of the Radiologic Technology application deadline date (grades must be earned in Winter 2022 or newer) to be used for ranking. IF YOU ARE SELECTED AS AN ALTERNATE CANDIDATE, YOU MUST ALSO ATTEND THE MANDATORY ORIENTATION; NO ADDITIONAL ORIENTATIONS WILL BE HELD.**

### **PROCESSING**

***Applicants will be ranked in the RADT program ONLY if they have applied and completed all of the requirements to the program BEFORE THE FEBRUARY 1, 2027 DEADLINE DATE.*** The processing of all applicants (including filing, computations, and ranking) takes approximately three months following the deadline date. At that time, all applicants are notified by mail or email of the admission decision, no later than May 1, 2027. Applicants who are not admitted may apply for the following year but will not be given preference by reason of having applied before.

Only those applicants selected for admission are required to submit a \$100.00 **non-refundable** fee to confirm acceptance into the program. Admission is conditional upon proof of health documentation required at the appropriate time by the Department of Health Science and Technology and upon attendance at the mandatory program orientation.

Note: Some or all of the admission criteria listed above may constitute change from the past policy. Macomb retains the prerogative of changing admission procedures and requirements. Furthermore, students and prospective students bear the responsibility for keeping informed of college procedures and requirements.

### **CRIMINAL BACKGROUND CHECKS**

Macomb Community College's clinical partners may not accept students who have been convicted of certain crimes into a clinical learning environment. Therefore, students must undergo a Criminal Background Check, at their own expense, through CastleBranch.com in order to be considered for admission to the RADT Program.

NOTE: Do not order your criminal background check at this time; students will get more information regarding the Criminal Background Check at the mandatory orientation.

## RADT PROGRAM WAITING PERIODS

Students are required to disclose any and all federal, state (including states other than Michigan), or local crimes for which the student has been convicted to the Associate Dean for the program the student wishes to enter. Convictions occurring before admission to the program must be reported to the Associate Dean prior to acceptance into the program. Convictions occurring after acceptance into the program must be reported to the Associate Dean immediately.

A student is not eligible for admission to the RADT program for a period of years following completion of all terms and conditions of sentencing for conviction of certain crimes. The precise number of years a student must wait following sentencing depends upon the nature of the offense. The more serious the offense, the longer the student must wait before eligibility is restored.

Macomb Community College has adopted the waiting periods specified in MCL 330.1134a.

If a student has been convicted of a crime, the student should consult the **RADT** Program Waiting Periods (table below) **BEFORE** seeking admission to the **RADT** program to determine the specific waiting period, if any, applicable to that conviction. Failure to disclose conviction of a crime listed in MCL 330.1134a is grounds for immediate dismissal from the **RADT** program. If a student is convicted of a crime listed in MCL 330.1134a while in the **RADT** program, the student will be immediately dismissed from the program.
