**4. COMPLETE ATI TEAS EXAM**

ATI TEAS exam and registration information will be posted to the Selective Admissions webpage on October 1, 2023, which is the date registration for the exam begins. Registration for the ATI TEAS exam must be scheduled through Macomb Community College at <http://wce.macomb.edu/>. Students are only permitted to complete the ATI TEAS exam one time per Selective Admission Cycle. The exam score is good for three selective admission cycles.

## **RANKING**

All applicants whose documentation is complete and on file by the deadline date are ranked according to the following criteria. Available seats are filled in the same rank order. All prerequisite courses must be completed by the deadline date with a grade of C (2.0 GPA) or better to be ranked. If AP, CLEP, and/or IB scores are used, the score is converted to a punitive grade and used for ranking.

- The GRADE POINT AVERAGE (GPA) of the two prerequisite courses (BIOL-2730 or BIOL-2400 and BIOL-2710) are computed and weighted at 45% each.
- The composite score of the ATI TEAS exam is weighted at 10%. The composite score is the average score of the cumulative results of all four components of the ATI TEAS exam. If the exam has been taken more than once, the highest score will be used within the three-year selective admission cycle period.
- BIOL-2400 OR BIOL-2730 & BIOL-2710 must be taken within 5 years of the Respiratory-Therapy program application deadline date (grades must be earned in Winter 2019 or newer) to be used for ranking.

**MANDATORY ORIENTATION FOR SUCCESSFULLY RANKED CANDIDATES:** A mandatory orientation will be held sometime during the month of May 2024. You must attend this orientation to be considered for the program. No other orientation will be offered. If you do not attend, it will be understood that you are not interested in entering the program and your name will be removed as a candidate. If you are selected as an alternate candidate, you must also attend the mandatory orientation; no additional orientations will be held.

## **PROCESSING**

***Applicants will be ranked in the Respiratory Therapy program ONLY if they have applied and completed all the requirements to the program BEFORE THE FEBRUARY 1, 2024, DEADLINE DATE.*** The processing of all applicants (including filing, computations, and ranking) takes approximately three months following the deadline date. At that time, all applicants are notified by mail of the admission decision, no later than May 1, 2024. Applicants who are selected for the program and choose not to enroll and applicants who are not selected are eligible to reapply. All applicants are ranked on the above criteria; preference will not be given to students who have previously applied.

Applicants selected for admission are required to submit a \$100.00 **non-refundable** fee to confirm acceptance into the program. They must also attend the mandatory program orientation and pass the required criminal background check and required drug screen to retain their seats.

**Note:** Some or all the admission criteria listed above may constitute change from the past policy. Macomb retains the prerogative of changing admission procedures and requirements. Furthermore, students and prospective students bear the responsibility for keeping informed of college procedures and requirements.

## **CRIMINAL BACKGROUND CHECKS AND DRUG SCREENS**

Macomb Community College's clinical partners may not accept students who have been convicted of certain crimes or test positive for certain drugs into a clinical learning environment. Therefore, students must undergo a Criminal Background Check and Drug Screen, at their own expense, through CastleBranch.com in order to be considered for admission to the Respiratory Therapy program.

**NOTE:** Do not order your criminal background check or drug screen at this time; students will get more information at the mandatory orientation.

## RESPIRATORY THERAPY PROGRAM WAITING PERIODS

Students are required to disclose any and all federal, state (including states other than Michigan), or local crimes for which the student has been convicted to the Associate Dean for the program the student wishes to enter. Convictions occurring before admission to the program must be reported to the Associate Dean prior to acceptance into the program. Convictions occurring after acceptance into the program must be reported to the Associate Dean immediately.

A student is not eligible for admission to the Respiratory Therapy program for a period of years following completion of all terms and conditions of sentencing for conviction of certain crimes. The precise number of years a student must wait following sentencing depends upon the nature of the offense. Generally speaking, the more serious the offense, the longer the student must wait before eligibility is restored.

Macomb Community College has adopted the waiting periods specified in MCL 330.1134a.

If a student has been convicted of a crime, the student should consult the Respiratory Therapy Program Waiting Periods (table below) BEFORE seeking admission to the Respiratory Therapy program to determine the specific waiting period, if any, applicable to that conviction. Failure to disclose conviction of a crime listed in MCL 330.1134a is grounds for immediate dismissal from the Respiratory Therapy program. If a student is convicted of a crime listed in MCL 330.1134a while in the Respiratory Therapy program, the student will be immediately dismissed from the program.
