4. HESI ADMISSION ASSESSMENT EXAM

THE HESI EXAM FOR PHYSICAL THERAPIST ASSISTANT AND VETERINARY TECHNICIAN PROGRAMS ARE DIFFERENT FROM OTHER SELECTIVE ADMISSIONS PROGRAMS.

New for 2019, applicants must complete the HESI Admission Assessment Exam. Early registration is recommended to secure your seat in a preferred session. The HESI Admission Assessment Exam may only be taken once per Selective Admissions cycle, and must be completed at Macomb Community College. Scores for this exam administered at other locations or institutions will not be accepted. The HESI Admission Assessment Exam scores remain active for 5 selective admission cycles, or until departmental requirements change, whichever comes first. You have the option to retake the test in a future selective admissions cycle in an effort to improve your score. This exam will assess the prospective student in the following academic subjects: Math, Reading Comprehension, Vocabulary and General Knowledge, and Grammar. A cumulative, or overall exam average score, is provided for these academic tests. This is also referred to as the composite score. The best active composite score prior to the deadline date will be used for ranking purposes. At the direction of the Physical Therapist Assistant and Veterinary Technician Department Administration, the Learning...
Style and/or Personality Profiles are included in the assessment package for the purpose of offering students insights about their study habits and/or learning preferences as they relate to academic achievement. These personal assessments will not be used as part of the selection process. **Students who have a documented disability should contact the Macomb Community College Special Services Department at 586.286.2237 (Center Campus) or 586.445.7420 (South Campus) to make advance arrangements for appropriate exam accommodations. This should be done at the time of HESI Admission Assessment registration.** The **HESI ADMISSION SCHEDULE AND FEES** can be found on pages 6 and 7.

**RANKING**

All applicants whose documentation is complete and on file by the deadline date will be ranked according to the following criteria. Available seats are filled in the same rank order.

- The **HIGH SCHOOL** or **COLLEGE GRADE POINT AVERAGE (GPA)** is computed and weighted at 50%.
- The composite score of the HESI Admissions Assessment Exam is weighted at 50%. The composite score is the average score of the cumulative results of all four components of the HESI Admission Assessment Exam.

The **HIGH SCHOOL GPA** is used for ranking purposes only when an applicant has less than twelve (12) semester credits of college. The high school GPA identified by the high school on the transcript is used for ranking purposes. When this is not identified by the high school, the computation by Macomb will be based on all classes recorded on the transcript beginning with the tenth grade. (If the GED score is used in lieu of the high school GPA, the GED score is converted to a GPA for ranking purposes.)

The **COLLEGE GPA** is used in place of the high school GPA for ranking purposes only if a minimum of twelve (12) semester credits have been completed prior to the deadline date. This average is computed with the following exceptions:

1. Only MCC courses numbered 1000 or higher will be used.
2. Only transfer courses equated to MCC courses numbered 1000 or higher will be used.
3. Only the most recent twelve semester credits of MCC courses and/or transfer courses will be used from an accredited institution. If more than twelve credits were attempted in the most recent semester, the total semester's GPA will be used. If more than one term is required to meet the minimum twelve credits, the combined semesters' GPAs will be used even if the total exceeds twelve credits.

**MANDATORY ORIENTATION FOR SUCCESSFULLY RANKED CANDIDATES:** A mandatory orientation will be held sometime during the month of May 2019. You must attend this orientation to be considered for the program. No other orientation will be offered; if you do not attend it will be understood that you are not interested in entering the program and your name will be removed as a candidate. If you are selected as an alternate candidate you must also attend the mandatory orientation; no additional orientations will be held.

**PROCESSING**

**Applicants will be ranked in the Physical Therapist Assistant and Veterinary Technician programs ONLY if they have applied and completed all the requirements to the programs **BEFORE THE FEBRUARY 1, 2019, DEADLINE DATE.** In the event there is a tie in the ranking, the Math score from the HESI exam will be used as the tie breaker. The processing of all applicants (including filing, computations, and ranking) takes approximately three months following the deadline date. At that time, all applicants are notified by mail of the admission decision, no later than May 1, 2019. Applicants who are not admitted may apply for the following year but will not be given preference by reason of having applied before.

Only those applicants selected for admission are required to submit a $100.00 **non-refundable** fee to confirm acceptance into the program. Admission is conditional into the Physical Therapist Assistant program upon proof of health documentation required at the appropriate time by the Department of Health and Human Services, and upon attendance at the mandatory program orientation for both Physical Therapist Assistant and Veterinary Technician programs.

Some or all of the admission criteria listed above may constitute change from the past policy. Macomb retains the prerogative of changing admission procedures and requirements. Furthermore, students and prospective students bear the responsibility for keeping informed of college procedures and requirements.

**NOTE:** Certain courses must be taken prior to starting programs. For the most current offerings of degrees or certificates, programs of study, courses and procedural updates, refer to the Macomb Community College website ([www.macomb.edu](http://www.macomb.edu)).
CRIMINAL BACKGROUND CHECKS

Macomb Community College’s clinical partners may not accept students who have been convicted of certain crimes into a clinical learning environment. Therefore, students must undergo a Criminal Background Check, at their own expense, through CastleBranch.com in order to be considered for admission to the Physical Therapist Assistant program.

NOTE: Do not order your criminal background check at this time; students will get more information regarding the Criminal Background Check at the mandatory orientation.

PHYSICAL THERAPIST ASSISTANT PROGRAM WAITING PERIODS

WAITING PERIODS BELOW APPLY TO THE PHYSICAL THERAPIST ASSISTANT PROGRAM ONLY

Students are required to disclose any and all federal, state (including states other than Michigan) or local crimes for which the student has been convicted to the Associate Dean for the program the student wishes to enter. Convictions occurring before admission to the program must be reported to the Associate Dean prior to acceptance into the program. Convictions occurring after acceptance into the program must be reported to the Associate Dean immediately.

A student is not eligible for admission to the Physical Therapist Assistant program for a period of years following completion of all terms and conditions of sentencing for conviction of certain crimes. The precise number of years a student must wait following sentencing depends upon the nature of the offense. Generally speaking, the more serious the offense, the longer the student must wait before eligibility is restored.

Macomb Community College has adopted the waiting periods specified in MCL 330.1134a.

If a student has been convicted of a crime, the student should consult the Physical Therapist Assistant Program Waiting Periods (table below) BEFORE seeking admission to the Physical Therapist Assistant program to determine the specific waiting period, if any, applicable to that conviction. Failure to disclose conviction of a crime listed in MCL 330.1134a is grounds for immediate dismissal from the Physical Therapist Assistant program. If a student is convicted of a crime listed in MCL 330.1134a while in the Physical Therapist Assistant program, the student will be immediately dismissed from the program.
