

Architectural Technology

**Articulation Agreement**

between

**Macomb Community College**

and

**Romeo High School (18291)**

This Agreement made February 26, 2023, by and between Macomb Community College and Romeo High School.

WHEREAS, the parties wish and intend by the Agreement to set forth the terms and conditions of engaging in an educational program to help eligible participating students continue their education toward a certificate and/or Associate Degree through the Facilities Design and Construction Department.

Macomb Community College, agree that students graduating from their high school with completion of the Architecture Technology CTE requirements will receive select credit in the Architecture Technology program (CIP 15.1303) at Macomb Community College:

1. Student must successfully complete all competencies within the Architecture program with a “C” average or above grade point average.
2. Student has received recommendation from high school program instructor.
3. Student must enroll in the Architecture Technology program at Macomb Community College within three (3) years of High School Graduation.
4. Course credit will be added to the student’s transcript upon successful completion of three (3) courses within the Architecture Technology, Construction Management, and/or Civil Technology areas. Regular tuition and fees for credit granted under this agreement will be waived.
5. Applicants for credit must meet all college admission requirements and be an enrolled/registered student in good standing.

Upon completion of three (3) courses, with a minimum of a 2.0 grade point in each class, in one of the areas above at Macomb Community College, the student meeting these requirements will receive the following credit(s):

Course Number	Course Name	Credits
ARCH 1010	Architectural Design 1	3 credits
DRCG 1140	Introduction to AutoCAD 2D & 3D	4 credits

If a student elects to enroll in one of the above listed classes as part of his three (3) classes to earn the articulated credit, that class will only earn credit once, and thus will reduce the number of articulated credits that the student will earn.

Students must meet all Macomb Community College requirements to be awarded a certificate and /or Associate Degree through the Facilities Design and Construction Department.

These institutions agree to communicate concerning curriculum changes which affect the agreed upon relationships between articulated courses at the respective schools.

This Agreement constitutes the entire agreement between the parties, and all prior discussions, agreements, and understandings, whether verbal or in writing, is hereby merged into this Agreement. No agreement or modification to this Agreement, including any amendment or modification of this paragraph, shall be effective unless the same is in writing and signed by all parties.

These agreements are housed within the Office of Admissions & Outreach and posted on the college website.

This agreement expires February 26, 2025.
