This Agreement made this 28th day of August, 2018, by and between Macomb Community College and Romeo High School, Armada High School, Lake Shore High School, Anchor Bay High School, Warren Career Prep Center, L'Anse Creuse-Pankow Center, Roseville Community Schools, Utica Community Schools, St. Clair County Technical Education Center, and Dakota High School/Chippewa Valley schools.

WHEREAS, the parties wish and intend by the Agreement to set forth the terms and conditions of engaging in an educational program to help eligible participating students continue their education toward a certificate and/or Associate Degree through the Applied Technology and Apprenticeship Department.

Macomb Community College and the schools listed above agree that students graduating from their high school with completion of the Construction Management program (CIP 46.0000) requirements will receive select credit in the Applied Technology program (CIP 15.1001) at Macomb Community College:

1. Student must successfully complete all competencies within the Construction Management program with a "C" average or above grade point average.
2. Student has received recommendation from high school program instructor.
3. Student must enroll in a related Applied Technology and Apprenticeship program/ Construction Management program at Macomb Community College within three (3) years of High School Graduation.
4. Course credit will be added to the student's transcript upon successful completion of three (3) courses within the Applied Technology & Apprenticeship/Construction Management area. Regular tuition and fees for credit granted under this agreement will be waived.
5. Applicants for credit must meet all college admission requirements and be an enrolled/registered student in good standing.

Upon completion of three (3) courses, with a minimum of a 2.0 grade point in each class, in the Applied Technology and Apprenticeship/Construction Management area at Macomb Community College, the student meeting these requirements will receive the following credit(s):

Course Number	Course Name	Credits
CNST-1100	Builder's Pre-License 1 - Residential	2 credits
DRAD-2110	Applied Building Construction	3 credits
CIVL-1050	Construction Safety Policy & Procedure	3 credits

The CNST-1100 course can only be used as credit for the Construction Management and Applied Technology programs and not used as credentials for the Builder's License, which is LARA approved - The Department of Licensing and Regulatory Affairs (LARA).

If a student elects to enroll in one of the above listed classes as part of his three (3) classes to earn the articulated credit, that class will only earn credit once, and thus will reduce the number of articulated credits to less than eight (8) that the student will earn.

Students must meet all Macomb Community College requirements to be awarded a certificate and/or Associate Degree through the Applied Technology and Construction Management Departments.

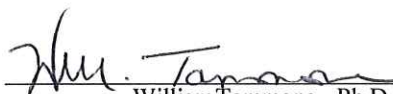

These institutions agree to communicate concerning curriculum changes which affect the agreed upon relationships between articulated courses at the respective schools.

This Agreement constitutes the entire agreement between the parties, and all prior discussions, agreements, and understandings, whether verbal or in writing, is hereby merged into this Agreement.

No agreement or modification to this Agreement, including any amendment or modification of this paragraph, shall be effective unless the same is in writing and signed by all parties.

These agreements are housed within the Office of Admissions & Outreach and posted on the college website.

This agreement expires June 30, 2020. The discard date is June 30, 2022.
