The Security Report

The Macomb Community College Annual Security Report is required by federal law and contains policy statements and crime statistics for the College. The policy statements address the College's policies, procedures and programs concerning safety and security. Included in this report are crime statistics for 2015, 2016 and 2017. These crime statistics reflect certain types of crimes that were reported to have occurred on campus or off campus within the confines of buildings or property owned or operated by the College. Public property within or immediately adjacent to the aforementioned College campuses are also included in these crime statistics. The crime categories listed are required to be reported by the Jeanne Clery Act of 1990, also known as the Crime Awareness and Campus Security Act. The most current version of the Annual Security Report is available online at http://www.Macomb.edu/resources/college-police/attachments/Annual-College-Safety-Security-Report.pdf. A limited number of printed copies are available at South and Center Campus College Police locations.

Macomb Community College Police Mission Statement and Purpose

Mission Statement: The College Police Department is charged with the responsibilities of providing police, fire and security services within the confines of the Macomb Community College campuses.

Purpose:

1. The College Police will provide police services that will include prevention, control, assistance, apprehension and prosecution.
2. The College Police will provide fire security services that will include prevention, detection, record-keeping and extinguishing within the capabilities of the Department.
3. The College Police will provide security services for all campus buildings, lands and property therein.
4. The College Police will participate in activities designed to improve its overall effectiveness and compatibility with the campus community at large and with other criminal justice agencies.
5. The College Police will act in every instance in accordance with the policies and regulations of the College.

Macomb Community College Police Authority and Jurisdiction

The Macomb Community College Police Department is a professional, full-service law enforcement agency with responsibility to provide police services to all areas of our campus community. Its sworn officers include lieutenants, sergeants, uniformed police officers and public service officers. Civilian support personnel consist of public service officers who provide security, fire protection and some dispatch support. Additional personnel are administrative assistants and communications/dispatch operators.

Certified officers of the Macomb Community College Police Department have complete police authority to apprehend and arrest anyone involved in illegal acts on campus. All criminal offenses, as well as violations of College rules and regulations that are committed by College students, are reported to the Dean of Students for possible disciplinary action or sanctions.

All criminal offenses are investigated by the College Police Department. Assistance may be requested from outside police agencies, as needed. Officers within the police department have received additional training and have been certified as evidence technicians. Evidence collected is turned over to the Michigan State Police crime laboratory for analysis. Upon completion of a criminal investigation, warrant requests are submitted to the Macomb County Prosecutor's Office for review.

The Macomb Community College Police work closely with local, state and federal police agencies and have direct radio communications with surrounding police departments. By mutual agreement with state and federal agencies, the Macomb Community College Police maintain LEIN (Law Enforcement Information Network) terminals at each College Police station. Through this system, police personnel can access the National Crime Information Computer and retrieve database information from the Michigan State Police and Michigan Secretary of State.

College Police officials maintain a close working relationship with all surrounding police agencies and will be advised of student criminal activity that may cause a safety concern on campus. This information will also be turned over to the Dean of Students for review and possible disciplinary action.

Reporting of Crimes and Emergency Situations

Community members, students, faculty, staff and guests are encouraged to report all crimes and public safety-related incidents to the Macomb Community College Police Department in a timely manner. Crimes should be reported to the Macomb Community College Police Department to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate. All crime reports will be investigated. Macomb Community College does not have procedures for voluntary, confidential reporting of crimes. Violations of the law will be referred to law enforcement agencies and, when appropriate, to the Dean of Students for review. When a potentially dangerous threat to the College community arises, timely reports or warnings will be issued through established methods of communication.

Members of the College Police command staff attend monthly county-wide investigators' meetings as well as a monthly police chiefs' meeting to exchange ideas and discuss issues which may be of concern to the Macomb Community College community.

Crime Prevention Information

General Crime Prevention:

The Macomb Community College Police Department is continually involved in researching methods to improve all aspects of police work. These include utilization of digital video cameras, electronic door alarms, emergency telephones, public awareness crime prevention seminars and distribution of related brochures.

Dissemination of current crime trends, incidents and statistics is achieved by printing them in student publications, including the Schedule of Classes. Composite drawings of suspects involved in campus crime incidents, with accompanying articles, are published in the local newspapers, posted on bulletin boards and entered into the College electronic mail system if the seriousness of the incident warrants.

Each semester, the Macomb Community College Police Department makes available crime prevention literature and safety information in the form of pamphlets and video displays. Seminars or presentations can be requested by student or staff groups and can be tailored to cover specific information related to crime prevention. This may include prevention of assault, robbery, sex crime, date rape, stalking, carjacking, vehicle theft, identity theft, active shooter, weather emergencies and general crime prevention.

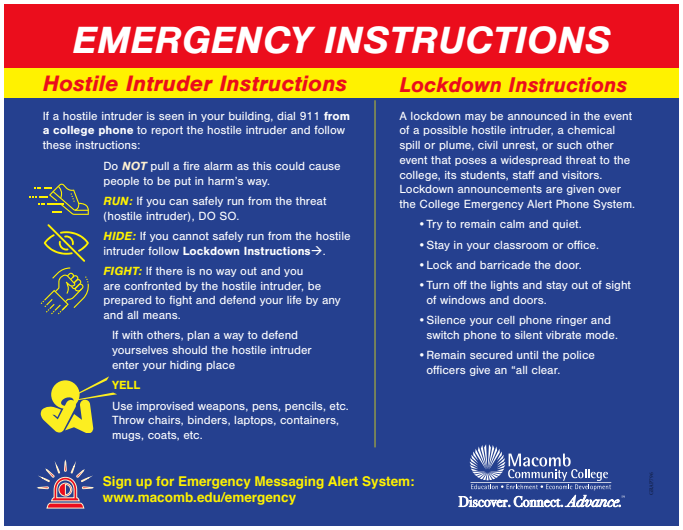

In addition to crime prevention, other services such as lost and found procedures, handicap parking information, after-hour building access, and procedures concerning emergency weather and fire are provided. Direction for help in obtaining alcohol/drug abuse assistance, spouse or child abuse, and emergency shelter information is available. Assistance will also be provided in locating towing companies for vehicle service.

The most common mistakes people make regarding personal safety and property loss are:

1. Walking alone to an unlocked vehicle, entering, and then looking for car keys, leaving oneself vulnerable to danger.
2. Leaving books and personal property in plain view inside vehicles which are many times unlocked.
3. Overindulging in alcoholic beverages and becoming vulnerable to date rape or other dangers.
4. Driving intoxicated, endangering your life and the lives of others.
5. Leaving purses, book bags, and laptop computers unattended in classrooms, restrooms, and library tables or study cubicles.
6. Leaving lockers and desks unlocked.
7. Leaving driver's license and credit cards in library, bookstore or at ATMs.

Emergency Procedure Manual:

- Details your response to a variety of situations and circumstances.
- Faculty and staff can download the manual from My.Macomb.edu.
- Is distributed to students (i.e., orientation, classroom)
- Is posted on www.Macomb.edu

Crime Tips:

- Do not walk alone at night, and do not work or study in deserted areas or empty classrooms or alone in your car.
- Use the "buddy" system or call Macomb Community College Police for escorts.
- Keep purses, wallets and other property with you at all times.
- Mark your books with your name and a hidden code number on a specific page for identification in case of loss or theft.
- Look for College Police Officers on marked police bikes or marked patrol vehicles for help or to report any suspicious situations.

Emergency Notification:

- In the event of an emergency requiring the closure of a College building or campus, staff and students will be notified in several ways:
- The College Emergency Alert Phone System will send announcements over the telephone throughout the College.
- Macomb's public website's home page on www.Macomb.edu will display the emergency message. Remember to refresh the site to view updated information.
- The Emergency Messaging System will be activated and is linked to Twitter and Facebook.
- In addition, an "All Staff" email will be sent.

Issuing Timely Warnings

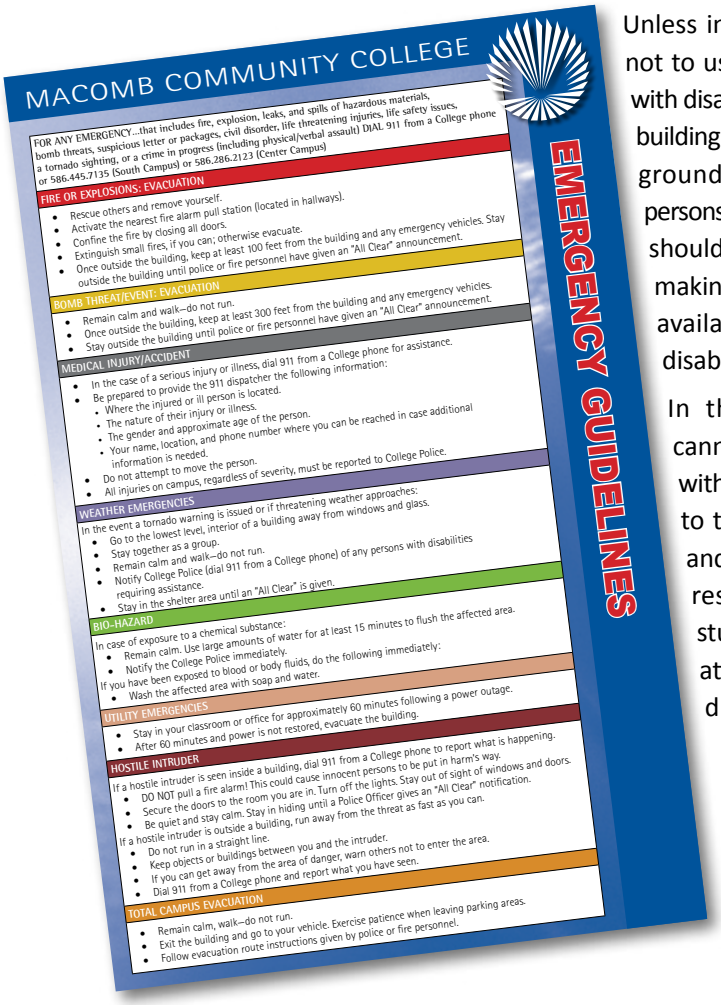

In the event that a situation arises, whether on or off campus that, in the judgment of the Chief of the College Police or his/her designee, constitutes an ongoing or continuing threat, a campus-wide "timely warning" will be issued. Depending on the particular circumstances of the incident, especially in all situations that could pose an immediate threat to the College community and individuals, the Chief of College Police or his/her designee may also post an "emergency notification." The timely warning or emergency notification will be posted by one or all of the following methods:

- Posting on Public Bulletin Boards
- Website (www.Macomb.edu)
- Informacast Phone System
- Emergency Messenger System
- The College-Wide Email System
- Social Media
- Local News Media

Emergency Evacuation Procedure

Announcements of the need to evacuate a building are made over the College Emergency Alert Phone System.

Unless instructions are given not to use elevators, persons with disabilities should use the building elevators to reach the ground floor. Able-bodied persons capable of using stairs should avoid the elevators, making the elevators more available to persons with disabilities.

In the event elevators cannot be used, persons with disabilities should go to the stairway landings and wait for emergency rescue personnel. If a student has a personal attendant, they should discuss emergency evacuation plans with their attendant in advance. Emergency personnel responding to the building will be checking the stairway landings upon their arrival for persons with disabilities.

Stay together as a group. Faculty should be prepared to account for their students and notify College Police (dial **911** from a College phone) of any persons with disabilities requiring assistance. If possible, have someone stay behind with persons with disabilities until emergency personnel arrive.

Remain calm and walk—do not run.

Once outside the building, keep at least 100 feet from the building and any emergency vehicles. Move toward the outer edge of the campus (i.e. South Campus—move outward to 12 Mile, Hayes, Bunert or Martin; Center Campus—move toward Garfield, Hall Road, condos or hospital; East Campus—move toward Dunham; MTEC—move toward 11 Mile or Van Dyke)

Stay outside the building until police or fire personnel have given an "All-Clear" announcement.

Total Campus Evacuation

Announcements of a total campus evacuation will be made over the College Emergency Alert Phone System.

Remain calm and walk—do not run.

Unless instructions are given not to use elevators, persons with disabilities should use the building elevators to reach the ground floor. Able-bodied persons capable of using stairs should avoid the elevators, making the elevators more available to persons with disabilities.

In the event elevators cannot be used, persons with disabilities should go to the stairway landings and wait for emergency rescue personnel. If a student has a personal attendant, they should discuss emergency evacuation plans with their attendant in advance. Emergency personnel responding to the building will be checking the stairway landings upon their arrival for persons with disabilities.

Faculty—be prepared to account for all students and notify College Police (dial **911** from a College phone) of any persons with disabilities requiring assistance. If possible, have someone stay behind with persons with disabilities until emergency personnel arrive.

Exit the building and go to your vehicle.

Exercise patience when leaving parking areas.

Follow evacuation route instructions given by police or fire personnel.

Michigan Sex Offender Registration Law and Information

The "Campus Sex Crimes Prevention Act" is a federal law enacted on October 28, 2000 that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or working or volunteering on campus.

In the state of Michigan, convicted sex offenders are required to contact the police agency where they reside. The Macomb Community College Police do not provide registration or verification services to registered sex offenders.

Updated sex offender information can be found on the Michigan Public Sex Offender Registry at www.mipsor.state.mi.us/PSOR_Search.aspx.

Security and Access to the Campus Facilities

The Macomb Community College Police are on duty 24 hours a day, 365 days a year. Ingress and egress of campus buildings and property are monitored by College Police through patrols, digital video cameras and electronic alarms. After-hours access requires authorization and sign-in with College Police. Macomb Community College has no residential facilities.

Security considerations such as lighting and sidewalks on campus are monitored by the College Police and the Plant Operations department. Issues affecting security are reported to the proper department, and repairs are made by College staff.

Substance Abuse Policy

Campus Rules and Regulations

Possession or use of alcohol or drugs on Macomb Community College's campuses or at any College function is prohibited. The following excerpts from the Macomb Community College Handbook on Rights and Responsibilities explain the College's regulations regarding alcohol and drugs:

Article I—Alcoholic Beverages

Section a: No person shall be under the influence of, or in possession of, alcoholic beverages while on College grounds, except as noted in section c.

Section b: Possession shall consist of having an open or unopened container of alcoholic beverage on the person, or in the vehicle of occupancy, immediately before challenge by an enforcing official.

Section c: Exception to the consumption of alcoholic beverages on campus is permitted only by special authorization granted through the Office of the Vice President for Community and Professional Education.

Article V—Drugs

No person shall use, possess, distribute or sell drugs except as expressly permitted by law.

Violations of any rule or regulation regarding drugs or alcohol may be reported to the College Department of Public Safety seven days a week, 24 hours a day. Call South Campus Public Safety at 586.445.7135 or Center Campus Public Safety at 586.286.2123.

Drugs and Alcohol: Know the Risks

It's said, you are what you eat. Well, you are what you inhale, inject and drink, too.

Drug and alcohol abuse are hazards to your physical and emotional health. Specific effects differ from person to person depending on the drug used, the amount and the conditions under which the drug is used, but every time you inhale, inject, or raise a glass you put your body and mind at risk.

- Chronic use of drugs and alcohol can lead to physical and psychological dependency.
- Use of cocaine or crack can result in irregular heartbeat, radical and violent changes in behavior, and death.
- If drugs are injected, the user risks AIDS, hepatitis, and other infections.
- Long-term abuse can lead to organic damage, such as cirrhosis of the liver seen in alcohol abuse, or lung and mouth cancer as a result of marijuana use.
- Hallucinogenic drugs, such as LSD, cause delusions, mental distortions, and can result in violent reactions and death.

Additionally, since illicit drugs vary in form, purity, and strength, the drug user constantly risks an overdose, which can cause psychosis, convulsions, coma or death. But abusers don't just endanger their own lives. They jeopardize the health and lives of everyone around them when their drug and alcohol use results in accidents in the workplace and on the road.

Disciplinary Sanctions

Disciplinary action will be taken by the College for violations of these rules. Depending upon the nature of the violation, it may take the form of **arrest and referral for prosecution, dismissal from the College, probation, temporary or permanent suspension from a class or program, denial of honors, certificate, or degree, restitution, or restrictions on activities or privileges.**

Legal Sanctions

In addition to these College regulations, all applicable township, city, county, state, and federal laws, statutes, and regulations regarding drug and alcohol use shall apply on all College property and at all College-sponsored events. According to the laws of the state of Michigan, distribution, sale, or use of an illicit drug is punishable by fines, probation, and/or imprisonment.

It is also unlawful for any person under 21 years of age to purchase, consume or possess alcoholic liquor. Violators of this law are subject to fines and/or participation in substance abuse prevention programs.

Any person operating a vehicle while impaired or intoxicated is subject to restriction or denial of driver's license, and/or fines, and/or imprisonment.

Title IX—Sexual Harassment, Sexual Misconduct and Prevention

Policies and Procedures for Responding to Reports of Sexual Harassment and Sexual Misconduct

1.0 Introduction. Title IX of the Education Amendments of 1972 ("Title IX") is a federal civil rights law that prohibits discrimination on the basis of sex in federally funded education programs and activities. All public and private colleges and universities receiving any federal financial assistance must comply with Title IX. Under Title IX, federally funded colleges and universities must ensure that students of all ages are not denied or limited in their ability to participate in or benefit from the school's educational programs or activities on the basis of sex. Sexual misconduct as defined in Section 6.0 of this Policy is a form sex discrimination prohibited by Title IX and this Policy.

Macomb Community College ("College") is firmly committed to maintaining a campus environment free from sexual misconduct. Sexual misconduct, which includes sexual assault, domestic/dating violence, stalking and sexual harassment, will not be tolerated by the College and is expressly prohibited. The College has jurisdiction to investigate and take certain actions with respect to reports of sexual misconduct and retaliation covered by this Policy. Persons covered by this Policy who engage in sexual misconduct and/or retaliation may be subject to discipline. In addition, the College may take steps to prevent the recurrence of any sexual misconduct and remedy the discriminatory effects on the Complainant and others, if appropriate.

This Policy also expresses the College's commitment to provide information and educational programs designed to raise awareness of sexual misconduct and prevent the College community from falling victim to sexual misconduct.

2.0 Policy Coverage. This Policy covers sexual misconduct and retaliation in connection with reports of possible sexual misconduct made under this Policy. Sexual misconduct encompasses a range of behaviors that can create a hostile educational environment, including sexual assault and sexual harassment.

This Policy applies to sexual misconduct or retaliation committed by a College student, employee*, or a third party if that sexual misconduct or retaliation occurs:

a. On campus, or

b. Off campus, if:

1. In connection with a College or College-recognized program or activity; or
2. In a manner that may pose an obvious and serious threat of harm to, or that may have the effect of creating a hostile educational environment for, any member(s) of the College community.

This Policy and related processes may also, at the College's discretion, apply to a Respondent's reported violations of other College policies if, in the College's judgment, those other allegations are directly related to the reported sexual misconduct.

*Sexual misconduct reportedly committed by a College employee, including by student-employees in the context of their employment, will continue to be investigated by the Human Resources Department in accordance with the procedure outlined in the *College's Unlawful Harassment Policy.*

3.0 Reporting Sexual Misconduct or Retaliation. The reporting of sexual misconduct or retaliation is voluntary. A person who believes they have experienced sexual misconduct or retaliation has the right to refuse to report it. Nevertheless, the College strongly encourages the prompt reporting of sexual misconduct and retaliation.

3.1 Who May Report Sexual Misconduct or Retaliation. A report of sexual misconduct or retaliation may be made by:

- A person who believes they experienced sexual misconduct (a "Complainant"); or
- A person who has information that sexual misconduct may have been committed by a College student or employee, or by a third party (a "Reporter").

3.2 Persons Receiving Reports of Sexual Misconduct or Retaliation. Reports of sexual misconduct or retaliation should be made to:

Title IX Coordinator, Dr. Casandra Ulbrich, Vice President College Advancement and Community Relations, 14500 E. - "Responsible Employees" of the College, if the assault occurred on campus. For the purposes of this Policy, "Responsible Employees" means the President, Vice Presidents, Provost, Deans, Associate Deans, Administrators and teachers, and persons designated "Campus Security Authorities" by the College as required by the Jeanne Clery Act.

Reports made to the College Police Department or to a Responsible Employee shall be forwarded to the Title IX Coordinator for review and investigation. In addition, upon being notified of an alleged sexual assault or other form of sexual misconduct that may constitute a crime, the Title IX Coordinator will notify the College Police Department to ensure appropriate distribution of College-wide warnings, if needed, and maintenance of accurate crime statistics, and to assist in the investigation as may be required under the circumstances.

Sexual misconduct that occurs off campus should be reported to the law enforcement agency for the city, township or county in which the misconduct took place.

3.3 **Importance of Timely Reporting.** To promote timely and effective investigation and review, the College strongly encourages Reporters and Complainants to make reports of possible sexual misconduct **as soon as possible** following the occurrence of the behavior giving rise to the concern. Although the Title IX Coordinator may pursue a report made later, the lapse of time may make it more difficult or impossible to gather relevant and reliable information.

3.4 **Preservation of Evidence.** If an incident of sexual assault, domestic assault, dating violence, or stalking occurs, it is important to preserve evidence so that successful criminal prosecution remains an option. The victim of a sexual assault should not wash, shower or bathe, douche, brush teeth, comb hair, or change clothes prior to a medical exam or treatment. If a victim has removed the clothing he or she was wearing during the assault prior to seeking medical treatment, that clothing should be placed in a brown paper, not plastic, bag and brought to the hospital when treatment is sought. If the victim is still wearing the clothes that he or she was wearing during an assault, he or she should bring a change of clothes with him or her to the hospital so that the clothes containing possible evidence can be preserved and examined for evidence of the crime. Evidence of violence, such as bruising or other visible injuries, following an incident of sexual assault, or domestic or dating violence, should be documented by taking a photograph. Evidence of stalking, including any communications such as written notes, email, voice mail, or other electronic communications sent by the stalker, should be saved and not altered in any way.

4.0 **College Response Procedure.**

4.1 **Services.** Victims of sexual misconduct or retaliation will be offered appropriate confidential support and other resources. The Dean of Student Success' office will coordinate the provision of any services provided by various College offices.

4.2 **Interim Interventions.** The College, through the Title IX Coordinator or designee, will take appropriate steps to prevent and/or address any retaliatory conduct against the Complainant/victim that may be connected to a report. In addition, the College may take other action to protect the Complainant/victim and College community as may be reasonable and appropriate under the circumstances. Such interim interventions may include separation of the Complainant/victim and Respondent in the academic setting or other interventions outlined in Section 4.8,"Sanctions." Interim interventions may be kept in place until the end of any review or appeal process.

4.3 **Decision to Proceed with Investigation.** The Title IX Coordinator is not required to assign an investigator or otherwise investigate any report alleging facts that, if true, would not constitute a violation of this Policy. In all cases, the final decision on whether, how, and to what extent the College will conduct an investigation, and whether other measures will be taken in connection with any allegation of sexual misconduct or retaliation, rests solely with the Title IX Coordinator.

4.4 **Requests for Confidentiality.** If the Complainant requests that his or her name not be disclosed to the alleged perpetrator, or asks that the report of sexual misconduct not be pursued, the Title IX Coordinator shall inform the student that honoring the request may limit the College's ability to respond fully to the incident, including pursuing disciplinary action against the alleged perpetrator. If the Complainant insists that his or her name not be disclosed to alleged perpetrator or that the College not investigate or seek action against the alleged perpetrator, the Title IX Coordinator shall determine whether the College can honor the Complainant's request while still providing a safe and nondiscriminatory environment for all students, including the Complainant. In considering a Complainant's request for confidentiality that could preclude a meaningful investigation or potential discipline of the alleged perpetrator, the Title IX Coordinator should consider all relevant factors. If consideration of such factors results in a determination that the report must be investigated in order to provide a safe and nondiscriminatory environment for all students, the College may conduct an investigation and pursue disciplinary action, if appropriate, in a manner that discloses the student's identity to the alleged perpetrator.

4.5 Investigation. If the Title IX Coordinator decides upon review to investigate a report of sexual misconduct or retaliation, she will generally forward a report to a Deputy Title IX Coordinator for assignment to an Investigator(s). Upon assignment of a complaint to an Investigator, the Title IX Coordinator, the Deputy Title IX Coordinator and the Investigator shall confer with respect to the investigation. The Investigator shall regularly report the progress of the investigation and review the information collected with the Title IX Coordinator and the Deputy Title IX Coordinator.

For complaints against students, the Deputy Title IX Coordinator is Dr. Sue Boyd, Dean of Student Success, 14500 E. Twelve Mile Road, Warren, Michigan 48088, CH 114, 586.445.7408, 586.445.7160 (fax), boyds@Macomb.edu.

For complaints against employees or others, the Deputy Title IX Coordinator is Ms. Denise Williams, Vice President of Human Resources, 14500 E. Twelve Mile Road, Warren, Michigan 48088, CS 312, 586.445.7897, 586.445.7874 (fax), williamsdl@Macomb.edu.

The Investigator(s) will conduct an adequate, reliable, impartial and prompt investigation of those reports assigned by the Title IX Coordinator. In most cases, the Investigator(s) will meet separately with the Complainant (if participating), Respondent, Reporter (if applicable), and interview any witnesses identified by Complainant, Respondent or the College. A digital audio recording may be made of any interview if appropriate under the circumstances. The investigator(s) will also review other relevant information gathered during the investigation, including any police investigatory documents and student or personnel records that may be available. Occasionally, a different or less formal response to the report may be warranted depending upon the nature of the report and the circumstances involved.

At any time during the course of an investigation, the Complainant, Respondent, or any witnesses may provide a written statement, other supporting materials, or identify other potential witnesses, regarding the matter under review. The Complainant and Respondent may have an advisor with them at any meeting related to the investigation of the reported misconduct.

Investigations shall be conducted by College employees who receive annual training on issues related to dating violence, domestic violence, sexual assault, and stalking and on how to conduct an investigation in a manner that protects the safety of victims, promotes accountability, and assures adequate due process for victims and respondents.

4.6 Standard of Proof. The Investigator's findings will be made using the preponderance of the evidence standard. This standard requires that the information supporting a finding of responsibility be more convincing than the information in opposition to it. Under this standard, individuals are presumed not to have engaged in sexual misconduct or retaliation unless a preponderance of the evidence supports a finding that sexual misconduct or retaliation occurred.

4.7 Investigation Findings and Outcome Notification. In most cases, the Investigator will report his/her findings in writing to the Deputy Title IX Coordinator at the conclusion of an investigation. The Investigator's written findings will generally include:

a. A summary of the investigation;
b. The Investigator's findings; and
c. A summary of the Investigator's rationale in support of the findings.

The Deputy Title IX Coordinator shall review the Investigator's findings and forward them to the Title IX Coordinator.

Upon receipt of the Investigator's written findings, the Title IX Coordinator shall, in writing, simultaneously notify Complainant and Respondent of: the Investigator's findings; the sanctions imposed on Respondent, if any; the steps, if any, the College will take to remedy the effects and prevent recurrence of the misconduct, and notice of appeal rights.

4.8 Sanctions. If the Respondent is found responsible for sexual misconduct or retaliation, the College may initiate a process designed to eliminate the misconduct, prevent its recurrence, and remedy its effects, while supporting the College's educational mission and Title IX obligations. Sanctions or interventions may also serve to promote safety or deter students from similar future behavior. Some behavior is so harmful to the Complainant and/or the College community, or so deleterious to the educational process, that it may require more serious sanctions or interventions to benefit the College environment including, but not limited to, removal of the Respondent from specific courses or activities, suspension from the College, or expulsion.

4.9 Appeal. Complainant or Respondent may appeal the decision of the Title IX Coordinator to the College Disciplinary Panel. Written notice of Appeal shall be filed with the Title IX Coordinator within ten days of the date of the Title IX Coordinator's decision. The Notice of Appeal shall state with specificity why the Title IX Coordinator's decision should not stand.

Complainant or Respondent may seek review only on the following grounds:

a. A material deviation from the procedures affected the outcome of the case;
b. There is new and relevant information that was

unavailable, with reasonable diligence and effort, at the time of the investigation that could reasonably affect the investigation findings;

c. The sanctions, interventions and/or remedies are inappropriate or disproportionate to the determined violation(s); or

d. A review of all available and relevant information indicates that the evidence clearly does not support the finding(s) and provides firm and definite support for modifying the original finding(s).

Upon receipt of a timely filed Notice of Appeal, the Title IX Coordinator shall inform the College Disciplinary Panel of the appeal and notify the Complainant (if participating) and Respondent of the date by which the appeal will be decided. The date by which the appeal will be decided may be adjourned for good cause.

The College Disciplinary Panel shall be composed of a Vice President designated by the President or the Vice President's designee, an Academic Dean or the Dean's designee, and a faculty member appointed by the Macomb Community College Faculty Senate.

The Disciplinary Panel's decision should be made within ten (10) days of the date Notice of Appeal is filed with the Title IX Coordinator. These timelines are intended as guidelines and may be extended by the Disciplinary Panel if the circumstances of the case justify an extension.

The College Disciplinary Panel will review the matter based on the issues identified in the request for appeal. The College Disciplinary Panel may affirm, modify or reverse the decision of the Title IX Coordinator, or remand the appeal to the Title IX Coordinator for additional investigation. The College Disciplinary Panel will issue its final and unreviewable decision and make it available to the Complainant (if participating), Respondent (if participating), Title IX Coordinator and Deputy Title IX Coordinator in writing, simultaneously.

4.10 Timelines. The College will strive to complete its investigation and the sanction/remedy process, if applicable, and simultaneously share the results of that review with Complainant and Respondent within sixty (60) calendar days after the Title IX Coordinator receives a report of sexual misconduct. There are, however, factors beyond the control of the College that may affect the time needed to conduct a fair, reliable, impartial and prompt investigation of a report of sexual misconduct or retaliation including, but not limited to:

- Availability and cooperation of Complainant (if participating), Respondent (if participating) and/or witnesses
- Illness or injury of College employees conducting or participating in the investigation of the report or appeal
- Weather or other Acts of God that result in the College being closed.

The Title IX Coordinator may extend the time for completing the investigation for good cause. Any such extension shall not exceed thirty (30) calendar days.

If Complainant or Respondent appeals the Title IX Coordinator's decision to the College Disciplinary Panel, the timelines are extended to accommodate the time necessary for appeal provided in Section 4.9.

5.0 Student Expectations and Rights. Certain student protections and expectations pertain to the process for resolving student sexual misconduct and retaliation allegations. Complainants and Respondents participating in this process may expect the following:

5.1 Respect for Privacy. Information regarding sexual misconduct and retaliation reports, and any investigation or review of those reports, including any sanction determinations, may be shared with College employees with a legitimate educational interest or with external individuals or entities on a need-to-know basis and only as permitted under College policy and applicable law.

5.2 Notice of Rights. Any student or employee who reports an incident of sexual misconduct, whether the incident occurred on or off campus, shall receive a written explanation of their rights and options as provided for under this Policy. If a formal investigation is warranted, both the Complainant and Respondent shall be notified.

5.3 Participation in Process. Complainants, Respondents, Reporters or witnesses may choose to participate or decline to participate in the investigation. However, even if a Complainant or Respondent declines to participate the College may continue to investigate the matter and issue findings based on available information.

5.4 Protection from Retaliation and Assurance of Fair Treatment. The College will take appropriate steps to ensure that a person who in good faith reports, complains about, or participates in a sexual misconduct investigation will not be subjected to retaliation by the Respondent or by others with knowledge of the underlying report. Anyone who believes they are experiencing retaliation is strongly encouraged to report that concern using the same procedure for reporting possible sexual misconduct under this policy. A retaliation concern will be reviewed as a separate offense under this policy; that is, a person can be found responsible for retaliation even if not found to be responsible for the underlying reported sexual misconduct.

The College also will take appropriate steps to ensure that Respondents accused of sexual misconduct or retaliation is treated fairly throughout the College's review.

5.5 Coordination with Legal Proceedings. Students may simultaneously engage criminal prosecution procedures and/or civil litigation in connection with the same behavior that forms the basis of a sexual misconduct report under this Policy. In such cases, the College is committed to appropriate coordination with the College Police Department and local law enforcement and may, if requested and appropriate, share information with those agencies. The College will fulfill its obligation to take immediate and appropriate action to investigate possible sexual misconduct even if there are other external processes or procedures pending in connection with that same sexual misconduct report. Similarly, if the College finds sexual misconduct has occurred, the College will take effective steps to end it, prevent its recurrence, and address its effects, and sanction the Respondent regardless of what external proceedings may also be pending.

Standards for criminal investigations are different than the standards for a violation of this Policy, and therefore the College will not base its decisions under this Policy solely on law enforcement reports and/or actions. Accordingly, the College will not normally wait for the conclusion of a criminal investigation or other proceedings before implementing its review of reported sexual misconduct under this Policy.

5.6 Protection Orders. The College is committed to ensuring that orders of protection issued by courts are fully enforced on College property. Therefore, if a student or employee obtains a Personal Protection Order or Restraining Order, he or she should promptly inform the College Police Department and provide the College Police Department with a copy of that order, so that the College can enforce it. The College is also committed to protecting victims from any further harm, and if the College Police Department determines that an individual's presence on campus poses a danger to one or more members of the College community, it can issue an institutional No Trespass letter barring that individual from College property.

6.0 Definitions. For purposes of this Policy, the following terms have the definitions provided below.

Complainant: An individual who reportedly experienced sexual misconduct, regardless of whether that individual participates in the disclosure or review of that report by the College at any point.

Investigator: An appropriately trained individual, who may be a College employee, who reviews and investigates reports of sexual misconduct under this Policy.

Reporter: An individual who reports to the College a concern regarding possible sexual misconduct. A Reporter need not be a Complainant.

Respondent: A College student or participant in a College Program, an employee of Macomb Community College or an individual for whom the College is or may be responsible (e.g. independent contractors or vendors) who is reported to have engaged in sexual misconduct. This term also includes individuals whose identities are unknown if (a) there is reason to believe that individual may be a College student or participant in a College Program or (b) the Complainant or Reporter is a student.

Sexual Misconduct: Sexual assault (including rape and acquaintance rape), domestic/dating violence, stalking and sexual harassment, if that conduct is sufficiently serious to limit or deny a student's ability to participate in or benefit from the College's educational program, *i.e.* creates a hostile environment. Sexual misconduct may occur between people of the same sex or between people of different sexes. Sexual misconduct can include both intentional conduct and conduct that results in negative effects, even if those negative effects were unintended. Sexual misconduct can also include retaliation in connection with a Complainant's or Reporter's allegations under this Policy. Sexual misconduct includes the following:

Sexual Assault: Criminal Sexual Conduct as defined in the Michigan Penal Code. Criminal Sexual Conduct includes sexual penetration or sexual contact by the actor with another person by force or coercion or under circumstances where the actor knows or has reason to know that the victim is mentally incapable, mentally incapacitated, or physically helpless.

Sexual penetration: Sexual intercourse, cunnilingus, fellatio, anal intercourse, or any other intrusion, however slight, of any part of a person's body or of any object into the genital or anal openings of another person's body, but emission of semen is not required.

***Sexual contact*:** The intentional touching of the victim's or actor's intimate parts or the intentional touching of the clothing covering the immediate area of the victim's or actor's intimate parts, if that intentional touching can reasonably be construed as being for the purpose of sexual arousal or gratification, done for a sexual purpose, or in a sexual manner for revenge, to inflict humiliation, or out of anger.

***Mentally disabled*:** A person who has a mental illness, is intellectually disabled, or has a developmental disability.

***Mentally incapable*:** A person who suffers from a mental disease or defect that renders that person

temporarily or permanently incapable of appraising the nature of his or her conduct.

Mentally incapacitated: A person rendered temporarily incapable of appraising or controlling his or her conduct due to the influence of a narcotic, anesthetic, or other substance administered to that person without his or her consent, or due to any other act committed upon that person without his or her consent.

Physically helpless: A person who is unconscious, asleep, or for any other reason is physically unable to communicate unwillingness to an act.

Force or coercion: Includes but is not limited to:

- When the actor overcomes the victim through the actual application of physical force or physical violence.
- When the actor coerces the victim to submit by threatening to use force or violence on the victim, and the victim believes that the actor has the present ability to execute these threats.
- When the actor coerces the victim to submit by threatening to retaliate in the future against the victim, or any other person, and the victim believes that the actor has the ability to execute this threat. As used in this subdivision, "to retaliate" includes threats of physical punishment, kidnapping, or extortion.
- When the actor engages in the medical treatment or examination of the victim in a manner or for purposes that are medically recognized as unethical or unacceptable.
- When the actor, through concealment or by the element of surprise, is able to overcome the victim.

Consent: a willing, non-coerced act of sexual contact or sexual penetration between persons of sufficient age who are not mentally incapable, mentally incapacitated, nor physically helpless.

Acquaintance Rape: Sexual assault on a person by an actor known to the person assaulted.

Domestic/Dating Violence: An assault or assault and battery upon a spouse or former spouse, an individual with whom a person has or has had a dating relationship, an individual with whom a person has had a child in common, or a resident or former resident of a person's household.

Assault: An attempted battery or an unlawful act which places another in reasonable apprehension of receiving an immediate battery.

Battery: An intentional, unconsented and harmful or offensive touching of the person of another.

Dating relationship: Frequent, intimate associations primarily characterized by the expectation of affectional involvement. This term does not include a casual relationship or an ordinary fraternization between two individuals in a business or social context.

Stalking: A willful course of conduct involving repeated or continuing harassment of another individual that would cause a reasonable person to feel terrorized, frightened, intimidated, threatened, harassed, or molested and that actually causes the victim to feel terrorized, frightened, intimidated, threatened, harassed, or molested.

Victim: An individual who is the target of a willful course of conduct involving repeated or continuing harassment.

Course of conduct: A pattern of conduct composed of a series of 2 or more separate noncontinuous acts evidencing a continuity of purpose.

Harassment: Conduct directed toward a victim that includes, but is not limited to, repeated or continuing unconsented contact that would cause a reasonable individual to suffer emotional distress and that actually causes the victim to suffer emotional distress. Harassment does not include constitutionally protected activity or conduct that serves a legitimate purpose.

Emotional distress: Significant mental suffering or distress that may, but does not necessarily, require medical or other professional treatment or counseling.

Unconsented contact: Any contact with another individual that is initiated or continued without that individual's consent or in disregard of that individual's expressed desire that the contact be avoided or discontinued. Unconsented contact includes, but is not limited to, any of the following:

- Following or appearing within the sight of that individual.
- Approaching or confronting that individual in a public place or on private property.
- Appearing at that individual's workplace or residence.
- Entering onto or remaining on property owned, leased, or occupied by that individual.
- Contacting that individual by telephone.
- Sending mail or electronic communications to that individual.
- Placing an object on, or delivering an object to, property owned, leased, or occupied by that individual.

Sexual Harassment: Unlawful Harassment as defined in the College's Unlawful Harassment Policy.

Advisor: An individual chosen by a Complainant or Respondent to provide advice at in-person meetings with College employees reviewing a report of possible sexual misconduct under this policy. The person chosen as Advisor shall not be the Complainant, Respondent, a witness, or Reporter with respect to the report under review, and shall not speak on behalf of the person they are advising.

Title IX: Title IX of the Education Amendments of 1972 (Title IX) (20 U.S.C. § 1681 et seq.; 34 C.F.R. Part 106) (as amended) is a federal law that prohibits sex-based discrimination, including sexual harassment, sexual assault, and retaliation in education programs that receive federal financial assistance.

Title IX Coordinator: The College official charged with ensuring the College's overall compliance with Title IX and related College policy.

College Program: A College-sponsored activity that primarily includes elementary, secondary, or postsecondary student participants.

7.0 Awareness and Prevention Programs. The College provides primary prevention and awareness programs for student's registering for classes for the first time and for all new employees in order to promote the prevention and awareness of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. The College also offers ongoing prevention and awareness campaigns for students and College employees.

Safety Tips

Preventing Acquaintance Rape

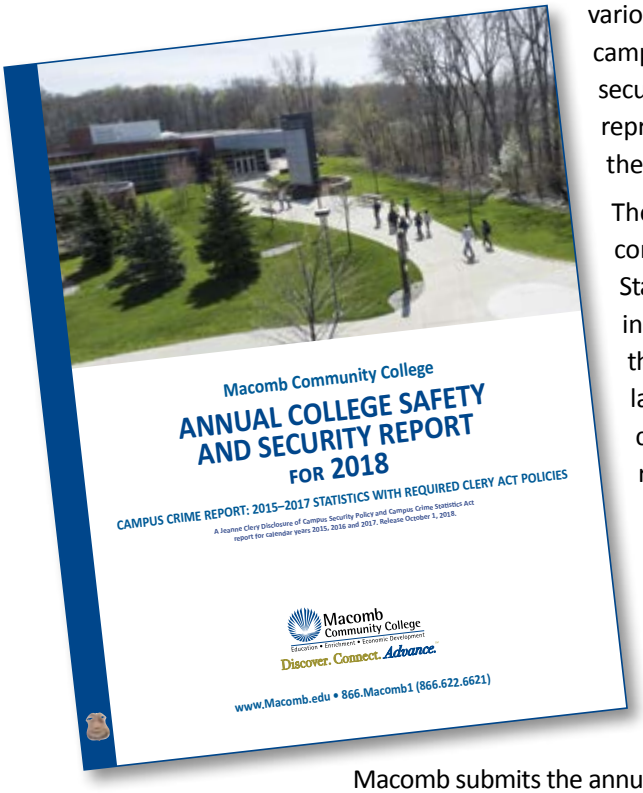

- It is never okay to force or coerce any individual to engage in sexual activity.
- Be aware that "force" can be emotional coercion, verbal pressure and intimidation as well as physical force.
- Trust your instincts, stand up for yourself, and be willing to "make a scene."
- Support your friends. Intervene if you see them making decisions that are harmful to others or to self.
- Consent requires sober, verbal permission for each and every sexual activity.
- Consent cannot be legally given if one or both parties are intoxicated by alcohol or other drugs.

Stalking is a crime. Stalking is defined as any unwanted contact between a stalker and their victim, which directly or indirectly communicates a threat or places the victim in fear. Stalking behaviors may include following a person, repeated and unwanted phone calls or email contact, and leaving gifts for their victims. Stalking is not flattery; it is a stalker's attempt to control and exert power over their victims.

Disclosure of Crime Statistics—Clery Act

In 1990, Congress enacted the Crime Awareness and Campus Security Act (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 and is now known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act").

Compliance with the Clery Act requires institutions like Macomb Community College to adhere to various mandates. One of those requirements involves timely notification to the campus community of certain crimes or incidents that are (a) reported to campus security authorities or local police agencies, and (b) considered by the institution to represent a serious or continuing threat to students and employees. Additionally, the Act requires the College to compile and publish a list of crime statistics.

The Macomb Community College Police Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The process by which the annual disclosure of crime statistics occurs includes the statistics reported to the Macomb Community College Police and those pertinent to the Macomb Community College Police from our neighboring law enforcement departments. Additionally, a request is made annually for campus security authorities to provide statistical information to include in the report. Once completed, the report is placed on our website. Notice of the report and its availability is distributed in all applications for employment, student enrollment packages, new hire packages, and emailed to all current students and employees once annually. A printed version may be requested from the Macomb Community College Police Department at Center Campus, I Building, Room 103 or South Campus, K Building, Room 340.

The United States Department of Education collects and maintains criminal statistics at institutions of higher learning consistent with Clery Act requirements. Macomb submits the annual crime statistics to the United States Department of Education, and are made available to the public on their website.

Annually, we contact the local police departments adjacent to our campuses to request their appropriate crime statistics related to Macomb Community College campuses. See Crimes by Campus Site for those qualifying statistics. The following agencies have been contacted and provided information relative to College campuses.

Macomb Community College has no residential facilities. Reported crimes may involve individuals not associated with the institution.

Aggravated Assault

An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. (It is not necessary that injury result from an aggravated assault when a gun, knife, or other weapon is used which could and probably would result in serious personal injury if the crime were successfully completed.)

Arson

Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Burglary

The unlawful entry of a structure to commit a felony or a theft. For reporting purposes, this definition includes: unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safe cracking; and all attempts to commit any of the aforementioned.

Criminal Homicide—Manslaughter by Negligence

The killing of another person through gross negligence.

Criminal Homicide—Murder and Non-Negligent Manslaughter

The willful (non-negligent) killing of one human being by another.

Dating Violence

Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship would be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship., For the purposes of this definition, dating violence would include, but would not be limited to, sexual or physical abuse or the threat of such abuse. Additionally, the proposed definition would specify that dating violence does not include acts that meet the definition of "domestic violence."

Domestic Violence

A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies under VAWA or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Drug Abuse Violations

Violations of state and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine).

Motor Vehicle Theft

The theft or attempted theft of a motor vehicle. (Classify as motor vehicle theft all cases where automobiles are taken by persons not having lawful access even though the vehicles are later abandoned, including joyriding.)

Robbery

The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Stalking

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress. Course of conduct would be defined to mean two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property. Substantial emotional distress would mean significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.
