Features of your prescription drug plan

Preferred Therapy Program	A step-therapy approach that encourages physicians to prescribe generic, generic alternative or over-the-counter medications before prescribing a more expensive brand-name drug. It applies only to prescriptions being filled for the first time of a targeted medication. Before filling your initial prescription for select, high-cost, brand-name drugs, the pharmacy will contact your physician to suggest a generic alternative. A list of select brand-name drugs targeted for the preferred therapy program is available at bcbsm.com/pharmacy, along with the preferred medications. If our records indicate you have already tried the preferred medication(s), we will authorize the prescription. If we have no record of you trying the preferred medication(s), you may be liable for the entire cost of the brand-name drug unless you first try the preferred medication(s) or your physician obtains prior authorization from BCBSM. These provisions affect all targeted brand- name drugs, whether they are dispensed by a retail pharmacy or through a mail order provider.
Prior authorization/step therapy	A process that requires a physician to obtain approval from BCBSM **before** select prescription drugs (drugs identified by BCBSM as requiring prior authorization) will be covered. **Step Therapy**, an initial step in the Prior Authorization process, applies criteria to select drugs to determine if a less costly prescription drug may be used for the same drug therapy. This also applies to mail order drugs. Claims that do not meet Step Therapy criteria require prior authorization. Details about which drugs require Prior Authorization or Step Therapy are available online at **bcbsm.com/pharmacy**.

Portability Options	
For Employees	See the Former Employee sections in this Schedule of Benefits for the amounts of insurance an Insured is eligible to continue under this option.
Terminal Illness Benefit	50% of Life Insurance Benefits in force on the date the Insured is determined by the Insurance Company to be Terminally Ill, subject to a Maximum Benefit of $100,000.

Re-solicitation Period

During a Re-solicitation Period, an Employee currently insured under the Voluntary Life Insurance portion of this Policy may increase his or her Voluntary Life Insurance Benefits, and an Employee who is eligible for the Voluntary Life Insurance portion of this Policy but who has not previously enrolled may become insured under the Policy, by satisfying the Insurability Requirement. An Employee's insurance will be effective on the date the Insurance Company agrees in writing to insure the Employee.

An Employee may reduce Insurance Benefits at any time. A request for a Benefit reduction received during a Re-solicitation Period will become effective on the Policy Anniversary following the Re-solicitation Period. Any other Benefit reduction will be effective on the date the Insurance Company receives the completed change form.

Former Employee Benefits

Amount of Insurance	An amount elected subject to the Maximum Benefit amount for Basic Life Insurance Benefits allowable to an Employee, less any amount of conversion insurance issued under the Conversion Privilege for Life Insurance. Any amount elected in excess of the Basic Life Insurance Benefits in effect on the date he or she no longer qualifies as an Employee will be effective on the date the Insurance Company agrees in writing to insure him or her. The Maximum Benefit for Basic Life Insurance Benefits is $50,000.
Maximum Benefit Period	To Age 70
Terminal Illness Benefit	50% of Basic Life Insurance Benefits in force on the date the Insured is determined by the Insurance Company to be Terminally Ill, subject to a Maximum Benefit of $25,000.

ELIGIBILITY FOR INSURANCE

Classes of Eligible Persons
A person may be insured only once under the Basic Life portion of the Policy even though he or she may be eligible under more than one class. A person may also be insured only once under the Voluntary Life portion of the Policy as an Employee, even though he or she may be eligible under more than one class.

Employee
An Employee in one of the Classes of Eligible Employees shown in the Schedule of Benefits is eligible to be insured on the Policy Effective Date or the day after he or she completes the applicable Eligibility Waiting Period, if later. The Eligibility Waiting Period will not apply to an Employee, in Active Service on the Policy Effective Date, who was covered under the Prior Plan and satisfied the Eligibility Waiting Period, if any, of that plan. Credit will be given for any time that was satisfied.

If a person has previously converted his or her insurance under the Policy, he or she will not become eligible until the converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in the Employee's Life Insurance Benefits based on age or a change in class unless those conditions no longer affect the amount of coverage available to the Employee.

Except as noted in the Reinstatement Provision, if an Employee terminates coverage and later wishes to reapply, or if a former Employee is rehired, a new Eligibility Waiting Period must be satisfied. An Employee is not required to satisfy a new Eligibility Waiting Period if insurance ends because he or she is no longer in a Class of Eligible Employees, but continues to be employed by the Employer, and within one year becomes a member of an eligible class.

ENROLLING FOR INSURANCE

Initial Open Enrollment
During the Initial Open Enrollment Period, an Employee who was insured, or who was eligible to be insured, under the Prior Plan may become insured under the Voluntary Life Insurance Plan provided by this Policy for a Benefit up to this Policy's Guaranteed Issue Amount, as shown in the Schedule of Benefits, without satisfying any Insurability Requirement. Any Employee who is not actively at work, due to Injury or Sickness, on the date his or her coverage would otherwise become effective under this Policy, may not become insured under this Policy until he or she returns to Active Service.

An Employee may become insured for an amount in excess of the Guaranteed Issue Amount only if he or she satisfies the Insurability Requirement. Any excess amount will be effective on the date the Insurance Company agrees in writing to insure the Employee.

EFFECTIVE DATE OF INSURANCE

An Employee will be insured for an amount not to exceed the Guaranteed Issue Amount on the date he or she becomes eligible, if the Employee is not required to contribute to the cost of this insurance.

An Employee will be insured for an amount that exceeds the Guaranteed Issue Amount on the date the Insurance Company agrees in writing to insure that eligible person. The Insurance Company will require the eligible person to satisfy the Insurability Requirement before it agrees to insure him or her.

An Employee who is required to contribute to the cost of this insurance may elect insurance for himself or herself only by authorizing payroll deduction in a form approved by the Employer and the Insurance Company. The effective date of this insurance depends on the date and amount of insurance elected.

If an individual elects coverage within 31 days after becoming eligible to enroll, or for any increases, the Guaranteed Issue Amount will be effective on the latest of the following dates:

1. The Policy Effective Date.
2. The date payroll deduction is authorized for this insurance.
3. The date the Employer or Insurance Company receives the completed enrollment form.

If Employee coverage is elected in an amount that exceeds the Guaranteed Issue Amount or an enrollment form is received more than 31 days after becoming eligible to elect coverage, this insurance will be effective on the date the Insurance Company agrees in writing to insure that eligible person. The Insurance Company will require the eligible person to satisfy the Insurability Requirement before it agrees to insure him or her.

If an eligible Employee is not in Active Service on the date insurance would otherwise be effective, it will be effective on the date he or she returns to Active Service.

Takeover Provision

Special Terms Applicable to Previously Insured Employees Not in Active Service

Employees not in Active Service on the Policy Effective Date are not covered under the Policy. However, the Insurance Company agrees to provide a death benefit equal to the lesser of:

1. the amount due under this Policy (without regard to the Active Service provision), or
2. the amount that would have been due under the Prior Plan had it remained in force.

The benefit amount will be reduced by any amount paid by the Prior Plan, or that would have been paid had this Policy not been issued and had timely filing of the claim been made under the Prior Plan.

These special terms will end on the earliest of the following dates:

1. the date the Employee meets the Active Service requirements;
2. the date insurance terminates for one of the reasons stated in the Termination of Insurance provision;
3. 12 months after the Policy Effective Date; or
4. the last day the Employee would have been covered under the Prior Plan if that plan was still in force.

TL-009020

TERMINATION OF INSURANCE

An Insured's coverage will end on the earliest of the following dates:

1. the date the Employee is eligible for coverage under a plan intended to replace this coverage;
2. the date the Policy is terminated by the Insurance Company;
3. the date the Insured is no longer in an eligible class;
4. the date coinciding with the end of the last period for which premiums are paid;
5. the date an Employee is no longer in Active Service; and
6. for an Employee, the date the Employer cancels participation under the Policy.

TL-004714

CONTINUATION OF INSURANCE

If an Employee is no longer in Active Service, he or she may be eligible to continue insurance. The following provisions explain the continuation options available under the Policy. Please see the Schedule of Benefits to determine the applicability of these benefits on a class level.

Continuation for Layoff, Temporary Leave of Absence, Family Medical Leave or Injured Servicemember Family Leave

If an Employee's Active Service ends due to a layoff, Employer approved unpaid leave of absence, family medical leave of absence or injured servicemember family leave, insurance will continue for up to the Maximum Benefit Period shown in the Schedule of Benefits, if the required premium is paid.

Continuation for Disability

If an Employee becomes Disabled, the Life Insurance Benefits shown in the Schedule of Benefits will be continued, provided premiums are paid, until the earlier of the following dates:

1. The date the Employee is no longer Disabled.
2. The date following the Maximum Benefit Period shown in the Schedule of Benefits.
3. The date coinciding with the end of the last period for which premiums are paid.
4. The date the Policy is terminated by the Insurance Company.

Amount of Insurance

If an Employee dies while he or she is Disabled and coverage is continued under this provision, the Insurance Company will pay a Death Benefit equal to the amount in effect on the date the Employee became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while coverage is continued under this provision. The Insurance Company will pay benefits only if due proof of the Employee's continuous Disability is received within one year of the date of the loss.

"Disability"/"Disabled" means because of Injury or Sickness the Employee is unable to perform all the material duties of his or her Regular Occupation; or is receiving disability benefits under the Employer's plan.

"Regular Occupation" means the occupation the Employee routinely performs at the time the Disability begins. The Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Portability Options

For Employees

If an Employee's coverage under the Policy ends prior to age 70, for any of the following reasons:

a. termination of employment; or
b. termination of membership in an eligible class under the Policy;

Life Insurance Benefits may be continued up to the Maximum Benefit shown in the Schedule of Benefits for this option.

The Employee must apply to the Insurance Company and pay the required premium. The application must be submitted:

a. within 31 days of the Employee's termination of employment or membership in an eligible class under the Policy; or
b. during the time that the Employee has to exercise the Conversion Privilege.

Coverage under this option may not be elected at a later date.

When applying for this option, the Employee must name a beneficiary. Any beneficiary named previously under the Policy is no longer in effect. If there is no named or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives:

a. spouse;
b. child or children;
c. mother or father;
d. brothers or sisters; or
e. the executors or administrators of the Insured's estate.

When coverage is continued under this option, the Employee becomes a Former Employee.

Coverage will end on the earliest of the following dates.

a. The date the Insurance Company cancels coverage for all Former Employees.
b. The end of the period for which premiums are paid.
c. The date an Insured reaches age 70.
d. The date the Maximum Benefit Period shown in the Schedule of Benefits for this option ends.

DESCRIPTION OF BENEFITS

The following provisions explain the benefits available under the Policy. Please see the Schedule of Benefits for the applicability of these benefits on a class level.

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, the Insurance Company will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

TL-004730

Accelerated Benefits

Any benefits payable under this Accelerated Benefits provision will reduce the Death Benefit payable for Life Insurance. Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision.

Terminal Illness Benefit

The Insurance Company will pay a Terminal Illness Benefit to an Insured who has been determined by the Insurance Company to be Terminally Ill.

The Terminal Illness Benefit is payable only once in an Insured's lifetime.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, the Insurance Company will require the Insured submit the following proof.

1. A written diagnosis and prognosis by two Physicians licensed to practice in the United States.
2. Supportive evidence satisfactory to the Insurance Company, including but not limited to radiological, histological or laboratory reports documenting the Terminal Illness.

The Insurance Company may require, at its expense, an examination of the Insured and a review of the documented evidence by a Physician of its choice.

"Terminal Illness" means a person has a prognosis of 12 months or less to live, as diagnosed by a Physician.

TL-004748

Conversion Privilege for Life Insurance

Each Insured may convert all or any portion of his or her Life Insurance that would end under the Policy due to:

1. termination of employment;
2. termination of membership in an eligible class under the Policy;
3. termination of the Policy.

The Insured may apply for any type of life insurance the Insurance Company offers to persons of the same age in the amount applied for, except the Insured may not:

1. choose term insurance;
2. apply for an amount of insurance greater than the coverage amount terminating under the Policy (also, the conversion policy will not provide accident, disability or other benefits); or
3. apply for more than $10,000 of insurance if the Policy is terminated or amended to terminate the insurance for any class of Insureds, or the Employer cancels participation under the Policy. Conversion in these cases is only permitted if the Insured has been covered by the Policy or, any group life insurance policy issued to the Employer which the Policy replaced, for at least 3 years.

If the Insured becomes eligible for coverage under any group life policy within 31 days of termination of coverage under this Policy, the Insured may not convert an amount of insurance greater than the amount of coverage terminating under the Policy less the amount for which he or she may be covered under the other policy.

To apply for conversion insurance, the Insured must, within 31 days after coverage under the Policy ends:

1. submit an application to the Insurance Company; and
2. pay the required premium.

Evidence of insurability is not required.

Premium for the conversion insurance will be based on the age and class of risk of the Insured and the type and amount of coverage issued.

If the Insured has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends provided the application is received by the Insurance Company and the required premium has been paid.

If the Insured dies during the 31-day conversion period, the Life Insurance benefits will be paid under the Policy regardless of whether he or she applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any further benefits for that type and amount of insurance from this Policy.

Extension of Conversion Period

If an Insured is eligible for conversion insurance and is not notified of this right at least 15 days prior to the end of the 31-day conversion period, the conversion period will be extended. The Insured will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Insured by the Employer or mailed to the Insured's last known address as reported by the Employer.

If the Insured dies during the extended conversion period, but more than 31 days after his or her coverage under the Policy terminates, Life Insurance benefits:

1. will not be paid under the Policy; and
2. will be payable under the conversion insurance; provided:
    a. the Insured's application for conversion insurance has been received by the Insurance Company; and
    b. the required premium has been paid.

Prior Conversion Limitation
If an Insured is covered under a life insurance conversion policy previously issued by the Insurance Company, he or she will not be eligible for this Conversion Privilege unless the prior coverage has ended.

TL-009740

LIFE INSURANCE EXCLUSIONS

If an Insured commits suicide, while sane or insane, within 2 years from the date his or her insurance under the Policy becomes effective, Voluntary Life Insurance Benefits will be limited to a refund of the premiums paid on the Insured's behalf. The suicide exclusion applies from the effective date of any additional benefits or increases in Life Insurance Benefits.

Except for any amount of benefits in excess of the Prior Plan's benefits, this exclusion will not apply to any person covered under the Prior Plan for more than two years. If a person was not insured for two years under the Prior Plan, credit will be given for the time he or she was insured.

TL-004752

CLAIM PROVISIONS

Notice of Claim
Written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's Name, the Policy Number and the claimant's name and address.

Written notice or any other electronic/telephonic means authorized by the Insurance Company of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice or any other electronic/telephonic means authorized by the Insurance Company was given as soon as reasonably possible.

Claim Forms
When the Insurance Company receives notice of claim, the Insurance Company will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by the Insurance Company, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, of the nature and extent of the loss.

Claimant Cooperation Provision
Failure of a claimant to cooperate with the Insurance Company in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data
The Employer is required to cooperate with the Insurance Company in the review of claims and applications for coverage. Any information the Insurance Company provides in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss
Written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given not more than one year after that 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is provided outside of these time limits, the claim will be denied. These time limits will not apply while the person making the claim lacks legal capacity.

Written proof, or any other electronic/telephonic means authorized by the Insurance Company, of loss for Accelerated Benefits must be furnished 90 days after the date of diagnosis. This proof must describe the occurrence, character and diagnosis for which claim is made.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If it is not reasonably possible to submit proof of loss within these time periods, the Insurance Company will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

Time of Payment
Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

Manner of Payment of Claims
The Subscriber authorizes that any benefit payment due as a lump sum of $5,000 or more shall be credited to a draft account with the Insurance Company, in the name of the beneficiary. The beneficiary may withdraw the entire proceeds at any time by issuing one or more drafts, or may withdraw lesser amounts, subject to a minimum account balance set by the Insurance Company from time to time. Interest shall be credited to such account at rates as determined from time to time by the Insurance Company.

To Whom Payable
Death Benefits will be paid to the Insured's named beneficiary, if any, on file at the time of payment. If there is no named beneficiary or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives: spouse; child or children; mother or father; brothers or sisters; or to the executors or administrators of the Insured's estate. The Insurance Company may reduce the amount payable by any indebtedness due.

All benefits payable under the Accelerated Benefits section are payable to the Insured, if living. If the Insured dies prior to the payment of an eligible claim for an Accelerated Benefit, benefits will be paid in accordance with the provisions applicable to the payment of Life Insurance proceeds, unless the Insured has directed us otherwise in writing. However, any payment made by us prior to notice of the Insured's death shall discharge us of any benefit that was paid.

All other benefits, unless otherwise stated in the Policy, will be payable to the Insured or the certificate owner if other than the Insured.

Any other accrued benefits which are unpaid at the Insured's death may, at the Insurance Company's option, be paid either to the Insured's beneficiary or to the executor or administrator of the Insured's estate.

If the Insurance Company pays benefits to the executor or administrator of the Insured's estate or to a person who is incapable of giving a valid release, the Insurance Company may pay up to $1,000 to a relative by blood or marriage whom it believes is equitably entitled. This good faith payment satisfies the Insurance Company's legal duty to the extent of that payment.

Change of Beneficiary
The Insured may change the beneficiary at any time by giving written notice to the Employer or the Insurance Company. The beneficiary's consent is not required for this or any other change which the Insured may make unless the designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the form is received by the Employer or the Insurance Company. When this form is received, it will take effect as of the date of the form. If the Insured dies before the form is received, the Insurance Company will not be liable for any payment that was made before receipt of the form.

Physical Examination and Autopsy
The Insurance Company, at its expense, will have the right to examine any person for whom a claim is pending as often as it may reasonably require. The Insurance Company may, at its expense, require an autopsy unless prohibited by law.

Legal Actions
No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations
If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which the Employee lives when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship
The Insured will have the right to choose any Physician who is practicing legally. The Insurance Company will in no way disturb the Physician/patient relationship.

ADMINISTRATIVE PROVISIONS

Premiums
The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If the Insured's coverage amount is reduced due to acceleration of his or her Death Benefit, his or her premium will be based on the amount of coverage he or she has in force on the day before the reduction took place. If the Insured's coverage amount is reduced due to his or her attained age, premium will be based on the amount of coverage in force on the day after the reduction took place.

Changes in Premium Rates
The premium rates may be changed by the Insurance Company from time to time with at least 31 days advance written notice. No change in rates will be made until 15 months after the Re-Issue Date. An increase in rates will not be made more often than once in a 12 month period. However, the Insurance Company reserves the right to change the rates even during a period for which the rate is guaranteed if any of the following events take place.

1. The terms of the Policy change.
2. A division, subsidiary, affiliated company or eligible class is added or deleted from the Policy.
3. There is a change in the factors bearing on the risk assumed.
4. Any federal or state law or regulation is amended to the extent it affects the Insurance Company's benefit obligation.
5. The Insurance Company determines that the Employer has failed to promptly furnish any necessary information requested by the Insurance Company, or has failed to perform any other obligations in relation to the Policy.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Reporting Requirements
The Employer must, upon request, give the Insurance Company any information required to determine who is insured, the amount of insurance in force and any other information needed to administer the plan of insurance.

Payment of Premium
The first premium is due on the Policy Effective Date. After that, premiums will be due monthly unless the Employer and the Insurance Company agree on some other method of premium payment.

If any premium is not paid when due, the plan will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Notice of Cancellation
The Employer or the Insurance Company may cancel the Policy as of any Premium Due Date by giving 31 days advance written notice. If a premium is not paid when due, the Policy will automatically be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period
A Policy Grace Period of 31 days will be granted for the payment of the required premiums under this Policy. This Policy will be in force during the Policy Grace Period. The Employer is liable to the Insurance Company for any unpaid premium for the time this Policy was in force.

Draft Accounts
The Insurance Company shall be entitled to retain, as part of its compensation, any earnings on draft accounts created in connection with benefit claims, in excess of interest credited under the terms of the policy.

Grace Period for the Insured
If the required premium is not paid on the Premium Due Date, there is a 31 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

If benefits are paid during the Grace Period for the Insured, the Insurance Company will deduct any overdue premium from the proceeds payable under the Policy.

Reinstatement of Insurance
Coverage may be reinstated without satisfying the Insurability Requirement, if an Employee's insurance ends because he or she is on an unpaid leave of absence and he or she applies for Reinstatement within 31 days of his return to Active Service.

After an Insured's coverage has ceased, it may be reinstated at any date prior to five years after the date of termination if the following conditions are met:
1. The Policy is still in force.
2. The Insured is eligible under the Policy.
3. A written request for reinstatement and a new enrollment form are sent to the Insurance Company.
4. The required premium is paid.
5. The Insurability Requirement, if any, is satisfied.

GENERAL PROVISIONS

Entire Contract
The entire contract will be made up of the Policy, the application of the Employer, a copy of which is attached to the Policy, and the applications, if any, of the Insureds.

Incontestability
All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud or eligibility for coverage.

Misstatement of Age
If an Insured's age has been misstated, the Insurance Company will adjust all benefits to the amounts that would have been purchased for the correct age.

Policy Changes
No change in the Policy will be valid until approved by an executive officer of the Insurance Company. This approval must be endorsed on, or attached to, the Policy. No agent may change the Policy or waive any of its provisions.

Workers' Compensation Insurance
The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Certificates
A certificate of insurance will be delivered to the Employer for delivery to Insureds. Each certificate will list the benefits, conditions and limits of the Policy. It will state to whom benefits will be paid.

Assignment of Benefits
The Insurance Company will not be affected by the assignment of an Insured's certificate until the original assignment or a certified copy of the assignment is filed with the Insurance Company. The Insurance Company will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error
A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Agency
The Employer and Plan Administrator are agents of the Employee for transactions relating to insurance under the Policy. The Insurance Company is not liable for any of their acts or omissions.

Ownership of Records
All records maintained by the Insurance Company are, and shall remain, the property of the Insurance Company.

DEFINITIONS

Please note, certain words used in this document have specific meanings. These terms will be capitalized throughout this document. The definition of any word, if not defined in the text where it is used, may be found either in this Definitions section or in the Schedule of Benefits.

An Employee will be considered in Active Service with the Employer on a day which is one of the Employer's scheduled work days if either of the following conditions are met.

1. He or she is actively at work. This means the Employee is performing his or her regular occupation for the Employer on a Full-time basis, either at one of the Employer's usual places of business or at some location to which the Employer's business requires the Employee to travel.
2. The day is a scheduled holiday, vacation day or period of Employer approved paid leave of absence, other than disability or sick leave after 7 days.

An Employee is considered in Active Service on a day which is not one of the Employer's scheduled work days only if he or she was in Active Service on the preceding scheduled work day.

Annual Compensation
An Employee's annual wage, basic annual earnings or salary as reported by the Employer for work performed for the Employer as of the date the covered loss occurs. The Employer who has subscribed to the Policyholder and for the benefit of whose Employees this policy has been issued. The Employer, named as the Subscriber on the front of this Policy, includes any affiliates or subsidiaries covered under the Policy. Full-time
Full-time means the number of hours set by the Employer as a regular work day for Employees in the Employee's eligibility class.

Initial Open Enrollment Period
The period in the calendar year when an eligible Employee who was hired on or before the Policy Effective Date may enroll for the first time for Insurance Benefits under this Policy. This period must be agreed upon by the Employer and the Insurance Company. Refer to Initial Open Enrollment under the Enrolling for Insurance section of the Policy.

Injury
Any accidental loss or bodily harm which results directly and independently of all other causes from an Accident.

Insurability Requirement
An eligible person will satisfy the Insurability Requirement for an amount of coverage on the day the Insurance Company agrees in writing to accept him or her as insured for that amount. To determine a person's acceptability for coverage, the Insurance Company will require evidence of good health and may require it be provided at the Employee's expense.

Insurance Company
The Insurance Company underwriting the Policy is named on the Policy cover page.

Insured
A person who is eligible for insurance under the Policy, for whom insurance is elected, the required premium is paid and coverage is in force under the Policy.

Physician

The term does not include an Employee, an Employee's spouse, the immediate family (including parents, children, siblings or spouses of any of the foregoing, whether the relationship derives from blood or marriage), of an Employee or spouse, or a person living in an Employee's household.

Prior Plan
The Prior Plan refers to the plan of insurance providing similar benefits sponsored by the Employer in effect directly prior to the Policy Effective Date.

Sickness
Any physical or mental illness.

IMPORTANT CHANGES FOR STATE REQUIREMENTS

If an Employee resides in one of the following states, the provisions of the certificate are modified for residents of the following states. The modifications listed apply only to residents of that state.

California Residents:

Conversion Privilege for Life Insurance
Insured Employees and Insured Spouses may convert to an individual policy of life insurance for an amount not greater than the Conversion Amount shown below when the Policy ends, without regard to any requirement that the person be insured under the policy for a specified period of time, if all of the following apply.

a. The Insured became Totally Disabled while covered for the Life Benefit of the Policy. Totally Disabled means the person is unable to perform all the material duties of any occupation for which he or she may reasonably be qualified based on training, education and experience.
b. The Insured remained Totally Disabled until the Policy ended while covered for the Life Benefit of this Policy.
c. The Policy does not provide a Waiver of Premium, Extended Death Benefit Provision or monthly payments to Totally Disabled Insureds for the Life Benefit.
d. The person meets all other conditions for converting the insurance.

Conversion Amount - Insured's life insurance amount under the Policy on the date the Policy ends minus the amount for which the Insured is insured under a group policy that provides life coverage to employees of the Insured Employee's Employer covered under this Policy. The dollar limit that applies to the amount for conversion at Policy termination does not apply.

The requirement that the Insured be covered under the Policy for the stated number of years in order to convert life insurance does not apply.

Minnesota residents:

The following "Continuation of Life Insurance" provision is applicable to Minnesota residents if the Employer has a minimum of 25 Employees who reside in Minnesota, the Minnesota Employees represent at least 25% of all covered Employees under the Policy, and the Policy does not offer Portability.

Continuation Of Life Insurance – This provision shall not apply to the extent that the Policy provides for the right of Employees to continue insurance on a direct billed basis following termination of employment (Portability).

This provision shall apply with respect to Employees whose coverage under the Policy is terminated due to: (i) voluntary or involuntary termination or layoff from employment, for any reason other than gross misconduct; or (ii) reduction in hours such that the Employee is not eligible for insurance under the Policy. This provision shall only apply to Employees who, on such date, are Minnesota residents.

For those Employees subject to this provision, life insurance coverage may be continued under the Policy for 18 months or until the date that the Employee becomes covered under another group policy, whichever is shorter. Coverage provided under this provision will also end if the Policy is terminated.

The premium required for continued coverage shall be the premium under the Policy applicable to the Employee's class and amount of coverage. The Employer may charge an additional amount, not to exceed 2% of such premium, for collecting premium contributions from former Employees. The Employer shall notify the Employee of the right to continue and the required premium contribution. The Employee may elect to continue within 60 days of termination by paying the required premium, and may continue coverage in force by paying the required premium, without demand, on a monthly basis, as of the first of each month, to the Employer. Coverage will end at the end of any month in which the Employee has failed to pay premium to the Employer.

If continued coverage remains in force at the end of the 18 month period, or on termination of the Policy, the Employee may choose any conversion right then available under the Policy.

In the event the Employee dies during the 60 day right to elect period without having become insured under another group policy, or dies while continued coverage is in force, the death benefit will be paid to the beneficiary chosen by the Employee under the terms of the Policy.

Continued coverage will include eligible dependents who were covered on the Employee's date of termination, provided the dependent remains eligible as a dependent of the Employee. In the event that the dependent ceases to be eligible, the dependent may choose any conversion right then available under the Policy.

Missouri residents:

Applicable to Voluntary Life Insurance Benefits

If an Insured commits suicide, while sane or insane, within 1 year from the date his or her insurance under the Policy becomes effective, Voluntary Life Insurance Benefits will be limited to a refund of the premiums paid on the Insured's behalf. The suicide exclusion applies from the effective date of any additional benefits or increases in Life Insurance Benefits.

Except for any amount of benefits in excess of the Prior Plan's benefits, this exclusion will not apply to any person covered under the Prior Plan for more than one year. If a person was not insured for one year under the Prior Plan, credit will be given for the time he or she was insured.

If a Dependent Child commits suicide and is survived by other Dependent Children covered under the same certificate, no refund of premiums will be paid.

North Dakota residents:

The Suicide exclusion, if any, is limited to one year from the effective date of insurance. The suicide exclusion with respect to any increase in death benefits which results from an application of the insured subsequent to the effective date, if any, is limited to one year from the effective date of the increase.

   An eligible Employee may increase coverage or become insured for a Benefit in excess of the Guaranteed Issue Amount only if he or she satisfies the Insurability Requirement. Any excess amounts will be effective on the date the Insurance Company agrees in writing to insure the Employee.

2. Effective January 1, 2021, the rates shown on the attached Schedule of Rates will remain in force for coverage under the Policy.

   No change in rates will be made until 36 months after the effective date of this Amendment. SCHEDULE OF BENEFITS

Policy Effective Date:	May 1, 2012
Certificate Effective Date:	May 1, 2022
Policy Anniversary Date:	January 1
Policy Number:	LK-963317

Eligible Class Definition:
All active, Full-time Faculty Employees of the Employer regularly working a minimum of 30 hours per week.

Eligibility Waiting Period

If you were hired on or before the Policy Effective Date:	No Waiting Period
If you were hired after the Policy Effective Date:	No Waiting Period
Elimination Period	90 days
Gross Disability Benefit	The lesser of 70% of your monthly Covered Earnings rounded to the nearest dollar or your Maximum Disability Benefit.
Maximum Disability Benefit	$11,667 per month
Minimum Disability Benefit	The greater of $100 or 15% of your Monthly Benefit prior to any reductions for Other Income Benefits.

Disability Benefit Calculation
The Disability Benefit payable to you is figured using the Gross Disability Benefit, Other Income Benefits and the Return to Work Incentive. Monthly Benefits are based on a 30-day month. The Disability Benefit will be prorated if payable for any period less than a month.

During any month you have no Disability Earnings, the monthly benefit payable is the Gross Disability Benefit less Other Income Benefits. During any month you have Disability Earnings, benefits are determined under the Return to Work Incentive. Benefits will not be less than the minimum benefit shown in the Schedule of Benefits except as provided under the section Minimum Benefit.

"Other Income Benefits" means any benefits listed in the Other Income Benefits provision that you receive on your own behalf or for your dependents, or which your dependents receive because of your entitlement to Other Income Benefits.

Return to Work Incentive
During any month you have Disability Earnings, your benefits will be calculated as follows.

Your monthly benefit payable will be calculated as follows during 12 months disability benefits are payable and you have Disability Earnings:

1. Add your Gross Disability Benefit and Disability Earnings.
2. Compare the sum from 1. to your Indexed Earnings.
3. If the sum from 1. exceeds 100% of your Indexed Earnings, then subtract the Indexed Earnings from the sum in 1.
4. Your Gross Disability Benefit will be reduced by the difference from 3., as well as by Other Income Benefits.
5. If the sum from 1. does not exceed 100% of your Indexed Earnings, your Gross Disability Benefit will be reduced by Other Income Benefits.

No Disability Benefits will be paid, and insurance will end if we determine you are able to work under a modified work arrangement and you refuse to do so without Good Cause.

WHO IS ELIGIBLE

If you qualify under the Class Definition shown in the Schedule of Benefits you are eligible for coverage under the Policy on the Policy Effective Date, or the day after you complete the Eligibility Waiting Period, if later. The Eligibility Waiting Period is the period of time you must be in Active Service to be eligible for coverage. Your Eligibility Waiting Period will be extended by the number of days you are not in Active Service.

Except as noted in the Reinstatement Provision, if you terminate your coverage and later wish to reapply, or if you are a former Employee who is rehired, you must satisfy a new Eligibility Waiting Period. You are not required to satisfy a new Eligibility Waiting Period if your insurance ends because you no longer qualify under your Class Definition, but you continue to be employed, and within one year you qualify again.

TL-004710

WHEN COVERAGE BEGINS

You will be insured on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are not in Active Service on the date your insurance would otherwise be effective, it will be effective on the date you return to any occupation for your Employer on a Full-time basis.

TL-004712

WHEN COVERAGE ENDS

Your coverage ends on the earliest of the following dates:

1. the date you are eligible for coverage under a plan intended to replace this coverage;
2. the date the Policy is terminated;
3. the date you are no longer in an eligible class;
4. the day after the end of the period for which premiums are paid;
5. the date you are no longer in Active Service;
6. the date benefits end because you did not comply with the terms and conditions of the insurance coverage.

If you are entitled to receive Disability Benefits when the Policy terminates, Disability Benefits will be payable to you if you remain disabled and meet the requirements for the insurance. Any later period of Disability, regardless of cause, that begins when you are eligible under another disability coverage provided by any employer, will not be covered.

TL-007505.00

WHEN COVERAGE CONTINUES

This provision modifies the When Coverage Ends provision to allow insurance to continue under certain circumstances if you are no longer in Active Service. Insurance that is continued under this provision is subject to all other terms of the When Coverage Ends provisions.

Your Disability Insurance will continue if your Active Service ends because of a Disability for which benefits under the Policy are or may become payable. Your premiums will be waived while Disability Benefits are payable. If you do not return to Active Service, this insurance ends when your Disability ends or when benefits are no longer payable, whichever occurs first.

If your Active Service ends due to an approved leave pursuant to the Family and Medical Leave Act (FMLA), insurance will continue up to the later of the period of your approved FMLA leave or the leave period required by law in the state in which you are employed. Premiums are required for this coverage.

If your Active Service ends due to any other leave of absence approved in writing by the Employer prior to the date you cease work, insurance will continue for you for up to 6 months. Premiums are required for this coverage. An approved leave of absence does not include Furlough, Temporary Layoff or termination of employment.

If your Active Service ends due to Temporary Layoff, insurance will continue for you until the end of the month in which the Temporary Layoff begins. Premiums are required for this coverage.

If your Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer's reporting requirements for such short term absence, your insurance will continue until the earlier of:

a. the date your employment relationship with the Employer terminates;
b. the date premiums are not paid when due;
c. the end of the 30 day period that begins with the first day of such excused absence;
d. the end of the period for which such short term absence is excused by the Employer.

Notwithstanding any other provision of this policy, if your Active Service ends due to termination of employment or any other termination of the employment relationship, insurance will terminate and continuation of insurance under this provision will not apply.

If your insurance is continued pursuant to this When Coverage Continues provision, and you become Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Elimination Period is satisfied or the date you are scheduled to return to Active Service.

TL-009970.00

TAKEOVER PROVISION

This provision applies to you only if you are eligible under this Policy and were covered for long term disability coverage on the day prior to the effective date of this Policy under the Prior Plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

A. This section A applies to you if you are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, we will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) you return to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day you were not in Active Service. The Policy will provide this coverage as follows:
    1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
    2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Elimination Periods and partial satisfaction of pre-existing condition limitations.

B. The Elimination Period under this Policy will be waived for a Disability which begins while you are insured under this Policy if all of the following conditions are met:
   1. The Disability results from the same or related causes as a Disability for which monthly benefits were payable under the Prior Plan;
   2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;
   3. An Elimination Period would not apply to the Disability if the Prior Plan had not ended;
   4. The Disability begins within 6 months of your return to Active Service and your insurance under this Policy is continuous from this Policy's Effective Date.

C. Except for any amount of benefit in excess of a Prior Plan's benefits, the Pre-existing Condition Limitation will not apply if you were covered under a Prior Plan and satisfied the pre-existing condition limitation, if any, under that plan. If you did not fully satisfy the pre-existing condition limitation of that plan, credit will be given for any time that was satisfied under the Prior Plan's pre-existing condition limitation.

   Benefits will be determined based on the lesser of: (1) the amount of the gross disability benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

   If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

TL-005108

DESCRIPTION OF BENEFITS
WHAT IS COVERED

Disability Benefits
We will pay Disability Benefits if you become Disabled while covered under this Policy. You must satisfy the Elimination Period, be under the Appropriate Care of a Physician, and meet all the other terms and conditions of the Policy. You must provide to us, at your own expense, satisfactory proof of Disability before benefits will be paid. The Disability Benefit is shown in the Schedule of Benefits.

We will require continued proof of your Disability for benefits to continue.

Elimination Period
The Elimination Period is the period of time you must be continuously Disabled before Disability Benefits are payable. The Elimination Period is shown in the Schedule of Benefits.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes.

Disability Benefit Calculation
The Disability Benefit Calculation is shown in the Schedule of Benefits. Monthly Disability Benefits are based on a 30 day period. They will be prorated if payable for any period less than a month. If you are working while Disabled, the Disability Benefit Calculation will be the Return to Work Incentive.

Return to Work Incentive
The Return to Work Incentive is shown in the Schedule of Benefits. You may work for wage or profit while Disabled. In any month in which you work and a Disability Benefit is payable, the Return to Work Incentive applies.

We will, from time to time, review your status and will require satisfactory proof of earnings and continued Disability.

Minimum Benefit
We will pay the Minimum Benefit shown in the Schedule of Benefits despite any reductions made for Other Income Benefits. The Minimum Benefit will not apply if benefits are being withheld to recover an overpayment of benefits.

Other Income Benefits
If Disability Benefits are payable to you under this Policy, you may be eligible for benefits from Other Income Benefits. If so, we may reduce the Disability Benefits by the amount of such Other Income Benefits.

Other Income Benefits include:

1. any amounts received (or assumed to be received*) by you or your dependents under:
   - the Canada and Quebec Pension Plans;
   - the Railroad Retirement Act;
   - any local, state, provincial or federal government disability or retirement plan or law payable for Injury or Sickness provided as a result of employment with the Employer;
   - any salary continuation plan of the Employer;
   - any work loss provision in mandatory "No-Fault" auto insurance.
2. any Social Security disability or retirement benefits you or any third party receive (or are assumed to receive*) on your own behalf or for your dependents; or which your dependents receive (or are assumed to receive*) because of your entitlement to such benefits.
3. any Retirement Plan benefits funded by the Employer. "Retirement Plan" means any defined benefit or defined contribution plan sponsored or funded by the Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 40l(k) plan.
4. any proceeds payable under any franchise or group insurance or similar plan. If other insurance applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, we will pay for our pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
5. any amounts received (or assumed to be received*) by you or your dependents under any workers' compensation, occupational disease, unemployment compensation law or similar state or federal law payable for Injury or Sickness arising out of work with the Employer, including all permanent and temporary disability benefits. This includes any damages, compromises or settlement paid in place of such benefits, whether or not liability is admitted.
6. any amounts paid because of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise for a disability for which disability benefits are payable under this Policy, where a third party may be liable, regardless of whether liability is determined.

Dependents include any person who receives (or is assumed to receive*) benefits under any applicable law because of your entitlement to benefits.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits
Any increase in Other Income Benefits during a period of Disability due to a cost of living adjustment will not be considered in calculating your Disability Benefits after the first reduction is made for any Other Income Benefits. This section does not apply to any cost of living adjustment for Disability Earnings.

Lump Sum Payments
Other Income Benefits or earnings paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated over five years.

If no specific allocation of a lump sum payment is made, then the total payment will be an Other Income Benefit.

Assumed Receipt of Benefits
We will assume you (and your dependents, if applicable) are receiving benefits for which you are eligible from Other Income Benefits. We will reduce your Disability Benefits by the amount from Other Income Benefits we estimate are payable to you and your dependents.

We will waive Assumed Receipt of Benefits, except for Disability Earnings for work you perform while Disability Benefits are payable, if you:
1. provide satisfactory proof of application for Other Income Benefits;
2. sign a Reimbursement Agreement;
3. provide satisfactory proof that all appeals for Other Income Benefits have been made unless we determine that further appeals are not likely to succeed; and
4. submit satisfactory proof that Other Income Benefits were denied.

We will not assume receipt of any pension or retirement benefits that are actuarially reduced according to applicable law, until you actually receive them.

Social Security Assistance
We may help you in applying for Social Security Disability Income (SSDI) Benefits, and may require you to file an appeal if we believe a reversal of a prior decision is possible.

We will reduce Disability Benefits by the amount we estimate you will receive, if you refuse to cooperate with or participate in the Social Security Assistance Program.

Recovery of Overpayment
We have the right to recover any benefits we have overpaid. We may use any or all of the following to recover an overpayment:
1. request a lump sum payment of the overpaid amount;
2. reduce any amounts payable under this Policy; and/or
3. take any appropriate collection activity available to us.

The Minimum Benefit amount will not apply when Disability Benefits are reduced in order to recover any overpayment.

If an overpayment is due when you die, any benefits payable under the Policy will be reduced to recover the overpayment.

Successive Periods of Disability
A separate period of Disability will be considered continuous:
1. if it results from the same or related causes as a prior Disability for which benefits were payable; and
2. if, after receiving Disability Benefits, you return to work in your Regular Occupation for less than 30 days; and
3. if you earn less than the percentage of Indexed Earnings that would still qualify you to meet the definition of Disability/Disabled during at least one month.

Any later period of Disability, regardless of cause, that begins when you are eligible for coverage under another group disability plan provided by any employer will not be considered a continuous period of Disability.

For any separate period of disability which is not considered continuous, you must satisfy a new Elimination Period.

LIMITATIONS

1) Anxiety disorders
2) Delusional (paranoid) disorders
3) Depressive disorders
4) Eating disorders
5) Mental illness
6) Somatoform disorders (psychosomatic illness)

Limited Benefit Periods for Alcoholism and Drug Addiction or Abuse

Pre-Existing Condition Limitation
We will not pay benefits for any period of Disability caused or contributed to by, or resulting from, a Pre-existing Condition. A "Pre-existing Condition" means any Injury or Sickness for which you incurred expenses, received medical treatment, care or services including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a Physician within 3 months before your most recent effective date of insurance.

The Pre-existing Condition Limitation will apply to any added benefits or increases in benefits. This limitation will not apply to a period of Disability that begins after you are covered for at least 12 months after your most recent effective date of insurance, or the effective date of any added or increased benefits.

ADDITIONAL BENEFITS

Rehabilitation During a Period of Disability
If we determine that you are a suitable candidate for rehabilitation, we may require you to participate in a Rehabilitation Plan and assessment at our expense. We have the sole discretion to approve your participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. We will work with you, the Employer and your Physician and others, as appropriate, to perform the assessment, develop a Rehabilitation Plan, and discuss return to work opportunities.

The Rehabilitation Plan may, at our discretion, allow for payment of your medical expense, education expense, moving expense, accommodation expense or family care expense while you participate in the program.

If you fail to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, no Disability Benefits will be paid, and insurance will end.

To be eligible, an Employee must have been insured for Disability Benefits and actively at work for at least 12 straight months. An Employee must apply for conversion insurance within 62 days after insurance under this Policy ends or within 31 days of the date notice is given to apply for a converted policy or certificate, whichever is later. In no event will the conversion period be extended beyond 105 days from the date insurance ends.

2. the Employee is not in Active Service because of Disability;
3. the Policy is canceled for any reason;
4. the Employee is no longer in a Class of Eligible Employees, but is still employed by the Employer.

A single lump sum payment equal to 3 monthly Survivor Benefits will be payable.

We will pay the Survivor Benefit to your Spouse. If you do not have a Spouse, we will pay your surviving Children in equal shares. If you do not have a Spouse or any Children, we will pay your estate.

CLAIM PROVISIONS

Notice of Claim
Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Claim Forms
When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision
If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data
The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss
You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof that the loss continues, or proof by any other electronic/telephonic means authorized by us, must be furnished to us at intervals we require. Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to us.

Time of Payment
Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which we are liable, will be paid at that time.

To Whom Payable
Disability Benefits will be paid to you. If any person to whom benefits are payable is a minor or, in our opinion is not able to give a valid receipt, such payment will be made to his or her legal guardian. However, if no request for payment has been made by the legal guardian, we may, at our option, make payment to the person or institution appearing to have assumed custody and support.

If you die while any Disability Benefits remain unpaid, we may, at our option, make direct payment to any of your following living relatives: your spouse, your mother, your father, your children, your brothers or sisters; or to the executors or administrators of your estate. We may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release us from all liability for any payment made.

Physical Examination and Autopsy
We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions
No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations
If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship
You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

ADMINISTRATIVE PROVISIONS

Premiums
The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Reinstatement of Insurance
Your insurance may be reinstated if it ends because you are on an unpaid leave of absence. If your Active Service ended due to an approved leave pursuant to the Family and Medical Leave Act (FMLA) and Continuation of Insurance is not applicable, your insurance may be reinstated at the conclusion of the FMLA leave.

If your Active Service ends due to an Employer approved unpaid leave of absence, other than an approved FMLA leave, insurance may be reinstated only:
1. If the reinstatement occurs within 12 weeks from the date insurance ends, or
2. When returning from military service pursuant to the Uniformed Services Employment Act of 1994 (USERRA).

For insurance to be reinstated the following conditions must be met:
1. You must be in a Class of Eligible Employees.
2. The required premium must be paid.
3. We must receive a written request for reinstatement within 31 days from the date you return to Active Service.

Reinstated insurance will be effective on the date you return to Active Service. If you did not fully satisfy the Eligibility Waiting Period or the Pre-Existing Condition Limitation (if any) before insurance ended due to an unpaid leave of absence or Temporary Layoff, credit will be given for any time that was satisfied.

GENERAL PROVISIONS

Incontestability
All statements made by the Employer or by you are representations not warranties. No statement will be used by us to deny or reduce benefits or as a defense to a claim, unless a copy of the writing containing the statement has been given to you. In the event of your death or legal incapacity, your beneficiary or representative will receive the copy.

Except for fraud, we will not use any statement to contest your insurance after two years from the effective date of your coverage or from the effective date of any additional or increased benefits.

Misstatement of Age
If your age is misstated, we will adjust all benefits to the amounts that would have been purchased for your correct age.

Workers' Compensation Insurance
Benefits payable under the Policy are not in lieu of and do not affect any requirements for coverage under any Workers' Compensation Insurance Law.

Assignment of Benefits
We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided coverage under the Policy is in effect. Your insurance may not be levied on, attached, garnisheed, or otherwise taken for your debts. This prohibition does not apply where contrary to law.

Clerical Error
Your insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Agency
The Employer and Plan Administrator are your agents for transactions relating to your insurance under the Policy. We are not liable for any of their acts or omissions.

Covered Earnings
Covered Earnings means your wage or salary as reported by the Employer for work performed for the Employer as in effect just prior to the date your Disability begins. It include earnings received from extra contractual pay, but not overtime pay, bonuses, commissions or other extra compensation. Covered Earnings are determined initially on the date an Employee applies for coverage. A change in the amount of Covered Earnings is effective on the date of the change, if the Employer gives us written notice of the change and the required premium is paid.

Disability payment will be based on the greater of extra contractual pay plus extra contractual pay in previous academic year or current contractual pay. The academic year is from August through May.

Any increase in your Covered Earnings will not be effective during a period of continuous Disability.

Disability/Disabled
You are considered Disabled if, solely because of Injury or Sickness, you are:

2. unable to earn 80% or more of your Indexed Earnings from working in your Regular Occupation.

Furlough
Furlough means a temporary suspension or alteration of Active Service initiated by the Employer, for a period of time specified in advance not to exceed 30 days at a time.

Good Cause
A medical reason preventing participation in the Rehabilitation Plan. Satisfactory proof of Good Cause must be provided to us.

Indexed Earnings
For the first 12 months Monthly Benefits are payable, your Indexed Earnings are equal to your Covered Earnings. After 12 Monthly Benefits are payable, your Indexed Earnings are your Covered Earnings plus an increase applied on each anniversary of the date Monthly Benefits became payable. The amount of each increase will be the lesser of:
1. 10% of your Indexed Earnings during your preceding year of Disability; or
2. the rate of increase in the Consumer Price Index (CPI-W) during the preceding calendar year.

It is not work tasks that are performed for a specific employer or at a specific location.

CONVERSION PRIVILEGE

1. If the Covered Person's insurance or any portion of it ends for any of the following reasons:
   a. employment or membership ends;
   b. eligibility ends (except for age for the Employee);

   the Covered Person may have Us issue converted accident insurance on an individual policy or an individual certificate under a designated group policy. The Covered Person may apply for an amount of coverage that is:
   a. in $1,000 increments;
   b. not less than $25,000, regardless of the amount of insurance under the group policy; and
   c. not more than the amount of insurance he had under the group policy, except as provided above, up to a maximum amount of $250,000.

   The Covered Person must be under age 70 to get a converted policy.

   If the Covered Person's insurance or any portion of it ends for non-payment of premium, he may not convert. If the Covered Person's insurance ends for a reason described in 2. below, conversion is subject to that section.

   The converted policy or certificate will cover accidental death and dismemberment. The policy or certificate will not contain disability or other additional benefits. The Covered Person need not show Us that he is insurable.

   If the Covered Person has converted his group coverage and later becomes insured under the same group plan as before, he may not convert a second time unless he provides, at his own expense, proof of insurability or proof the prior converted policy is no longer in force.

   The Covered Person must apply for the individual policy within 31 days after his coverage under this Group Policy ends and pay the required premium, based on Our table of rates for such policies, his Age and class of risk. If the Covered Person has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

   If the Covered Person suffers a Covered Loss or dies during this 31-day period as the result of an accident that would have been covered under this Group Policy, We will pay as a claim under this Group Policy the amount of insurance that the Covered Person was entitled to convert. It does not matter whether the Covered Person applied for the individual policy or certificate. If such policy or certificate is issued, it will be in exchange for any other benefits under this Group Policy.

   The individual policy or certificate will take effect on the day following the date coverage under the Group Policy ended; or, if later, the date application is made.

   Exclusions
   The converted policy may exclude the hazards or conditions that apply to the Covered Person's group coverage at the time it ends. We will reduce payment under the converted policy by the amount of any benefits paid under the group policy if both cover the same loss.

2. If the Covered Person's insurance ends because this Group Policy is terminated or is amended to terminate insurance for the Covered Person's class, and he has been covered under this Group Policy or, any group accident insurance issued to the Employer which the Group Policy replaced, for at least five years, the Covered Person may have Us issue an individual policy or certificate of accident insurance subject to the same terms, conditions and limitations listed above. However, the amount he may apply for will be limited to the lesser of the following:
   a. coverage under this Group Policy less any amount of group accident insurance for which he is eligible on the date this Group Policy is terminated or for which he became eligible within 31 days of such termination, or
   b. $10,000.

Extension of Conversion Period
If the Covered Person is eligible to convert and is not notified of this right at least 15 days prior to the end of the 31 day conversion period, the conversion period will be extended. The Covered Person will have 15 days from the date notice is given to apply for a converted policy or certificate. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Covered Person by the Subscriber or mailed to the Covered Person's last known address as reported by the Subscriber.

If the Covered Person sustains a Covered Loss or dies during the extended conversion period, but more than 31 days after his coverage under the Group Policy terminates, benefits will not be paid under the Group Policy. If the Covered Person's application for a converted policy or certificate is received by Us and the required premium is paid, benefits may be payable under the converted policy or certificate.

CLAIM PROVISIONS

Notice of Claim
Written or authorized electronic/telephonic notice of claim must be given to Us within 31 days after a Covered Loss occurs or begins or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to Us at Our Home Office in Philadelphia, Pennsylvania, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Subscriber's name and policy number and the Covered Person's name, address, policy and certificate number.

Claim Forms
We will send claim forms for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

Claimant Cooperation Provision
Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss
Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If (a) benefits are payable as periodic payments and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which We are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims
We will pay benefits due under this Policy for any loss other than a loss for which this Policy provides any periodic payment immediately upon receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly unless otherwise specified in the benefits descriptions and any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us.

Payment of Claims
All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under this Policy, unless otherwise stated, will be payable to the covered Employee or to his estate.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay $1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability.

Manner of Payment of Claims
The Subscriber authorizes that any benefit payment due as a lump sum of $5,000 or more shall be credited to a draft account with the Insurance Company, in the name of the beneficiary. The beneficiary may withdraw the entire proceeds at any time by issuing one or more drafts, or may withdraw lesser amounts, subject to a minimum account balance set by the Insurance Company from time to time. Interest shall be credited to such account at rates as determined from time to time by the Insurance Company.

Payment of Claims to Foreign Employees
The Subscriber may, in a fiduciary capacity, receive and hold any benefits payable to covered Employees whose place of employment is other than the United States of America.

We will not be responsible for the application or disposition by the Subscriber of any such benefits paid. Our payments to the Subscriber will constitute a full discharge of Our liability for those payments under this Policy.

Physical Examination and Autopsy
We, at Our own expense, have the right and opportunity to examine the Covered Person when and as often as We may reasonably require while a claim is pending and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions
No action at law or in equity may be brought to recover under this Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Beneficiary
The beneficiary is the person or persons the Employee names or changes on a form executed by him and satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Subscriber. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by this Policy.

A beneficiary designation or change will become effective on the date the Employee executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless the Employee has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if the Employee dies while benefits are payable to him, We may make direct payment to the first surviving class of the following classes of persons:
1. spouse;
2. child or children;
3. mother or father;
4. sisters or brothers;
5. estate of the Covered Person.

Recovery of Overpayment
If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.
1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under this Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

Changes in Premium Rates
We may change the premium rates from time to time with at least 31 days advance written notice to the Subscriber. No change in rates will be made until 15 months after the Re-Issue Date. An increase in rates will not be made more often than once in a 12-month period. However, We reserve the right to change rates at any time if any of the following events take place:

5. any federal or state law or regulation is amended to the extent it affects Our benefit obligation.

Draft Accounts
The Insurance Company shall be entitled to retain, as part of its compensation, any earnings on draft accounts created in connection with benefit claims, in excess of interest credited under the terms of the policy.

Payment of Premium
The first premium is due on the Subscriber's effective date of participation under this Policy. Thereafter, premiums are due on the Premium Due Dates agreed upon between Us and the Subscriber. If any premium is not paid when due, the Subscriber's participation under this Policy will be terminated as of the Premium Due Date on which premium was not paid.

Grace Period
A Grace Period of 31 days will be granted to each Subscriber for payment of required premiums under this Policy. A Subscriber's participation under this Policy will remain in effect during the Grace Period. The Subscriber is liable to Us for any unpaid premium for the time its participation under this Policy was in force.

Misstatement of Fact
If the Covered Person has misstated any fact, all amounts payable under this Policy will be such as the premium paid would have purchased had such fact been correctly stated.

Certificates
Where required by law, We will provide a certificate of insurance for delivery to the Covered Person. Each certificate will list the benefits, conditions and limits of this Policy. It will state to whom benefits will be paid.

30 Day Right To Examine Certificate
If a Covered Person does not like the Certificate for any reason, it may be returned to Us within 30 days after receipt. We will return any premium that has been paid and the Certificate will be void as if it had never been issued.

Multiple Certificates
The Covered Person may have in force only one certificate at a time under this Policy. If at any time the Covered Person has been issued more than one certificate, then only the largest shall be in effect. We will refund premiums paid for the others for any period of time that more than one certificate was issued.

Assignment
We will be bound by an assignment of a Covered Person's insurance under this Policy only when the original assignment or a certified copy of the assignment, signed by the Covered Person and any irrevocable beneficiary, is filed with Us. The assignee may exercise all rights and receive all benefits assigned only while the assignment remains in effect and insurance under this Policy and the Covered Person’s certificate remains in force.

Incontestability
1. Of This Policy or Participation Under This Policy

All statements made by the Subscriber to obtain this Policy or to participate under this Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, or to deny the validity of this Policy or of participation under this Policy unless a copy of the instrument containing the statement is, or has been, furnished to the Subscriber.

After two years from the Policy Effective Date, no such statement will cause this Policy to be contested except for fraud.

2. Of A Covered Person's Insurance

All statements made by a Covered Person are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After two years from the Covered Person’s effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, the beneficiary or representative shall be given a copy.

Policy Termination
We may terminate coverage on or after the first anniversary of the policy effective date. The Subscriber may terminate coverage on any premium due date. Written or authorized electronic notice must be given at least 31 days prior to such premium due date.

This Policy may be reinstated if it lapsed for nonpayment of premium. Requirements for reinstatement are written application of the Subscriber satisfactory to Us and payment of all overdue premiums. Any premium accepted in connection with a reinstatement will be applied to a period for which premium was not previously paid.

Clerical Error
A Covered Person's insurance will not be affected by error or delay in keeping records of insurance under this Policy. If such error or delay is found, We will adjust the premium fairly.

Conformity with Statutes
Any provisions in conflict with the requirements of any state or federal law that apply to this Policy are automatically changed to satisfy the minimum requirements of such laws.

ELIGIBILITY FOR INSURANCE

An Employee in one of the Classes of Eligible Employees shown in the Schedule of Benefits is eligible to be insured on the Policy Effective Date, or the day after he or she completes the Eligibility Waiting Period, if later. The Eligibility Waiting Period is the period of time the Employee must be in Active Service to be eligible for coverage. It will be extended by the number of days the Employee is not in Active Service.

Except as noted in the Reinstatement Provision, if an Employee terminates coverage and later wishes to reapply, or if a former Employee is rehired, a new Eligibility Waiting Period must be satisfied. An Employee is not required to satisfy a new Eligibility Waiting Period if insurance ends because he or she is no longer in a Class of Eligible Employees, but continues to be employed and within one year becomes a member of an eligible class.

TL-004710

EFFECTIVE DATE OF INSURANCE

An Employee will be insured on the date he or she becomes eligible, if the Employee is not required to contribute to the cost of this insurance.

If an Employee is not in Active Service on the date insurance would otherwise be effective, it will be effective on the date he or she returns to any occupation for the Employer on a Full-time basis.

TL-004712

TERMINATION OF INSURANCE

An Employee's coverage will end on the earliest of the following dates:

1. the date the Employee is eligible for coverage under a plan intended to replace this coverage;
2. the date the Policy is terminated;
3. the date the Employee is no longer in an eligible class;
4. the day after the end of the period for which premiums are paid;
5. the date the Employee is no longer in Active Service;
6. the date benefits end for failure to comply with the terms and conditions of the Policy.

Disability Benefits will be payable to an Employee who is entitled to receive Disability Benefits when the Policy terminates, if he or she remains disabled and meets the requirements of the Policy. Any period of Disability, regardless of cause, that begins when the Employee is eligible under another group disability coverage provided by any employer, will not be covered.

TL-007505.00

CONTINUATION OF INSURANCE

This Continuation of Insurance provision modifies the Termination of Insurance provision to allow insurance to continue under certain circumstances if the Insured Employee is no longer in Active Service. Insurance that is continued under this provision is subject to all other terms of the Termination of Insurance provisions.

Disability Insurance continues if an Employee's Active Service ends due to a Disability for which benefits under the Policy are or may become payable. Premiums for the Employee will be waived while Disability Benefits are payable. If the Employee does not return to Active Service, this insurance ends when the Disability ends or when benefits are no longer payable, whichever comes first.

If an Employee's Active Service ends due to an approved leave pursuant to the Family and Medical Leave Act (FMLA), insurance will continue for an Employee for the period of his or her approved FMLA, provided the premium is paid when due.

If an Employee's Active Service ends due to any other leave of absence approved in writing by the Employer prior to the date the Employee ceases work, insurance will continue for an Employee for up to 6 months. Premiums are required for this coverage. An approved leave of absence does not include Furlough, Temporary Layoff or termination of employment.

If an Employee's Active Service ends due to Temporary Layoff, insurance will continue for an Employee until the end of the month in which the Temporary Layoff begins. Premiums are required for this coverage.

If an Employee's Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer's reporting requirements for such short term absence, insurance for an Employee will continue until the earlier of:

a. the date the Employee's employment relationship with the Employer terminates;
b. the date premiums are not paid when due;
c. the end of the 30 day period that begins with the first day of such excused absence;
d. the end of the period for which such short term absence is excused by the Employer.

Notwithstanding any other provision of this policy, if an Employee's Active Service ends due to termination of employment or any other termination of the employment relationship, insurance will terminate and Continuation of Insurance under this provision will not apply.

If an Employee's insurance is continued pursuant to this Continuation of Insurance provision, and he or she becomes Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Elimination Period is satisfied or the date he or she is scheduled to return to Active Service.

TAKEOVER PROVISION

This provision applies only to Employees eligible under this Policy who were covered for short term disability coverage on the day prior to the effective date of this Policy under the prior plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

A. This section A applies to Employees who are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, the Insurance Company will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) the employee returns to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day the employee was not in Active Service. The Policy will provide this coverage as follows:
    1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
    2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Elimination Periods.

B. The Elimination Period under this Policy will be waived for a Disability which begins while the Employee is insured under this Policy if all of the following conditions are met:
   1. The Disability results from the same or related causes as a Disability for which weekly benefits were payable under the Prior Plan;
   2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;
   3. An Elimination Period would not apply to the Disability if the Prior Plan had not ended;
   4. The Disability begins within 14 days of the Employee's return to Active Service and the Employee's insurance under this Policy is continuous from this Policy's Effective Date.

   Benefits will be determined based on the lesser of: (1) the amount of the gross disability benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

   If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

TL-005108

DESCRIPTION OF BENEFITS

The following provisions explain the benefits available under the Policy. Please see the Schedule of Benefits for the applicability of these benefits to each class of Insureds.

Disability Benefits
The Insurance Company will pay Disability Benefits if an Employee becomes Disabled while covered under this Policy. The Employee must satisfy the Elimination Period, be under the Appropriate Care of a Physician, and meet all the other terms and conditions of the Policy. He or she must provide the Insurance Company, at his or her own expense, satisfactory proof of Disability before benefits will be paid. The Disability Benefit is shown in the Schedule of Benefits.

The Insurance Company will require continued proof of the Employee's Disability for benefits to continue.

Elimination Period
The Elimination Period is the period of time an Employee must be continuously Disabled before Disability Benefits are payable. The Elimination Period is shown in the Schedule of Benefits.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes.

Disability Benefit Calculation
The Disability Benefit Calculation is shown in the Schedule of Benefits. Weekly Disability Benefits are based on the number of days in a normally scheduled work week for the Employee immediately before the onset of Disability. They will be prorated if payable for any period less than a week. If an Employee is working while Disabled, the Disability Benefit Calculation will be the Return to Work Incentive.

Return to Work Incentive
The Return to Work Incentive is shown in the Schedule of Benefits. An Employee may work for wage or profit while Disabled. In any week in which the Employee works and a Disability Benefit is payable, the Return to Work Incentive applies.

The Insurance Company will, from time to time, review the Employee's status and will require satisfactory proof of earnings and continued Disability.

Minimum Benefit
The Insurance Company will pay the Minimum Benefit shown in the Schedule of Benefits despite any reductions made for Other Income Benefits. The Minimum Benefit will not apply if benefits are being withheld to recover an overpayment of benefits.

Other Income Benefits
An Employee for whom Disability Benefits are payable under this Policy may be eligible for benefits from Other Income Benefits. If so, the Insurance Company may reduce the Disability Benefits by the amount of such Other Income Benefits.

Other Income Benefits include:

1. any amounts received (or assumed to be received*) by the Employee or his or her dependents under:
   - the Canada and Quebec Pension Plans;
   - the Railroad Retirement Act;
   - any local, state, provincial or federal government disability or retirement plan or law payable for Injury or Sickness provided as a result of employment with the Employer;
   - any salary continuation plan of the Employer;
   - any work loss provision in mandatory "No-Fault" auto insurance.
   - an Injury or Sickness for which the Employee is entitled to benefits from Workers' Compensation or occupational disease law. **(Applicable to Classes 3 and 5 only)**
2. any Retirement Plan benefits funded by the Employer. "Retirement Plan" means any defined benefit or defined contribution plan sponsored or funded by the Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 40l(k) plan.
3. any proceeds payable under any franchise or group insurance or similar plan. If other insurance applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, the Insurance Company will pay for its pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
4. any amounts paid because of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise for a disability for which disability benefits are payable under this Policy, where a third party may be liable, regardless of whether liability is determined.

Dependents include any person who receives (or is assumed to receive*) benefits under any applicable law because of an Employee's entitlement to benefits.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits
Any increase in Other Income Benefits during a period of Disability due to a cost of living adjustment will not be considered in calculating the Employee's Disability Benefits after the first reduction is made for any Other Income Benefits. This section does not apply to any cost of living adjustment for Disability Earnings.

Lump Sum Payments
Other Income Benefits or earnings paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated over five years.

If no specific allocation of a lump sum payment is made, then the total payment will be an Other Income Benefit.

Assumed Receipt of Benefits
The Insurance Company will assume the Employee (and his or her dependents, if applicable) are receiving benefits for which they are eligible from Other Income Benefits. The Insurance Company will reduce the Employee's Disability Benefits by the amount from Other Income Benefits it estimates are payable to the Employee and his or her dependents.

The Insurance Company will waive Assumed Receipt of Benefits, except for Disability Earnings for work the Employee performs while Disability Benefits are payable, if the Employee:
1. provides satisfactory proof of application for Other Income Benefits;
2. signs a Reimbursement Agreement;
3. provides satisfactory proof that all appeals for Other Income Benefits have been made unless the Insurance Company determines that further appeals are not likely to succeed; and
4. submits satisfactory proof that Other Income Benefits were denied.

The Insurance Company will not assume receipt of any pension or retirement benefits that are actuarially reduced according to applicable law, until the Employee actually receives them.

Social Security Assistance
The Insurance Company may help the Employee in applying for Social Security Disability Income (SSDI) Benefits, and may require the Employee to file an appeal if it believes a reversal of a prior decision is possible.

The Insurance Company will reduce Disability Benefits by the amount it estimates the Employee will receive, if the Employee refuses to cooperate with or participate in the Social Security Assistance Program.

Recovery of Overpayment
The Insurance Company has the right to recover any benefits it has overpaid. The Insurance Company may use any or all of the following to recover an overpayment:
1. request a lump sum payment of the overpaid amount;
2. reduce any amounts payable under this Policy; and/or
3. take any appropriate collection activity available to it.

The Minimum Benefit amount will not apply when Disability Benefits are reduced in order to recover any overpayment.

If an overpayment is due when the Employee dies, any benefits payable under the Policy will be reduced to recover the overpayment.

Successive Periods of Disability
A separate period of Disability will be considered continuous:
1. if it results from the same or related causes as a prior Disability for which benefits were payable; and
2. if, after receiving Disability Benefits, the Employee returns to work in his or her Regular Occupation for less than 14 days; and
3. if the Employee earns less than the percentage of Covered Earnings that would still qualify him or her to meet the definition of Disability/Disabled during at least one week.

Any later period of Disability, regardless of cause, that begins when the Employee is eligible for coverage under another group disability plan provided by any employer will not be considered a continuous period of Disability.

For any separate period of disability which is not considered continuous, the Employee must satisfy a new Elimination Period.

ADDITIONAL BENEFITS

Rehabilitation During a Period of Disability
If the Insurance Company determines that a Disabled Employee is a suitable candidate for rehabilitation, the Insurance Company may require the Employee to participate in a Rehabilitation Plan. The Insurance Company has the sole discretion to approve the Employee's participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. The Insurance Company will work with the Employee, the Employer and the Employee's Physician and others, as appropriate, to perform the assessment, develop a Rehabilitation Plan, and discuss return to work opportunities.

The Rehabilitation Plan may, at the Insurance Company's discretion, allow for payment of the Employee's medical expense, education expense, moving expense, accommodation expense or family care expense while he or she participates in the program.

If an Employee fails to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, no Disability Benefits will be paid, and insurance will end.

TL-007501.00

TERMINATION OF DISABILITY BENEFITS

Benefits will end on the earliest of the following dates:
1. the date the Employee earns from any occupation, more than the percentage of Covered Earnings set forth in the definition of Disability;
2. the date the Insurance Company determines he or she is not Disabled;
3. the end of the Maximum Benefit Period;
4. the date the Employee dies;
5. the date the Employee refuses, without Good Cause, to fully cooperate in all required phases of the Rehabilitation Plan and assessment;
6. the date the Employee is no longer receiving Appropriate Care;
7. the date the Employee fails to cooperate with the Insurance Company in the administration of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Benefits may be resumed if the Employee begins to cooperate fully in the Rehabilitation Plan within 30 days of the date benefits terminated.

TL-007502.00

EXCLUSIONS

The Insurance Company will not pay any Disability Benefits for a Disability that results, directly or indirectly, from:
1. suicide, attempted suicide, or self-inflicted injury while sane or insane.
2. war or any act of war, whether or not declared.
3. active participation in a riot.
4. commission of a felony.
5. the revocation, restriction or non-renewal of an Employee’s license, permit or certification necessary to perform the duties of his or her occupation unless due solely to Injury or Sickness otherwise covered by the Policy.

6. any cosmetic surgery or surgical procedure that is not Medically Necessary; "Medically Necessary" means the surgical procedure is: (a) prescribed by a Physician as required treatment of the Injury or Sickness; and (b) appropriate according to conventional medical practice for the Injury or Sickness in the locality in which the surgery is performed. (The Insurance Company will pay benefits if the Disability is caused by the Employee donating an organ in a non-experimental organ transplant procedure.)
7. an Injury or Sickness that is work related.

Applicable to Classes 1, 2, 4, 6, 7 and 8
An Injury or Sickness for which the Employee is entitled to benefits from Workers' Compensation or occupational disease law.

In addition, the Insurance Company will not pay Disability Benefits for any period of Disability during which the Employee is incarcerated in a penal or corrections institution.

CLAIM PROVISIONS

Notice of Claim
Written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's Name, the Policy Number and the claimant's name and address.

Claim Forms
When the Insurance Company receives notice of claim, the Insurance Company will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by the Insurance Company, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, of the nature and extent of the loss.

Claimant Cooperation Provision
Failure of a claimant to cooperate with the Insurance Company in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data
The Employer is required to cooperate with the Insurance Company in the review of claims and applications for coverage. Any information the Insurance Company provides in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss
Written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given not more than one year after that 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is provided outside of these time limits, the claim will be denied. These time limits will not apply while the person making the claim lacks legal capacity.

Written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, that the loss continues must be furnished to the Insurance Company at intervals required by us. Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to the Insurance Company.

Time of Payment
Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which the Insurance Company is liable, will be paid at that time.

To Whom Payable
Disability Benefits will be paid to the Employee. If any person to whom benefits are payable is a minor or, in the opinion of the Insurance Company, is not able to give a valid receipt, such payment will be made to his or her legal guardian. However, if no request for payment has been made by the legal guardian, the Insurance Company may, at its option, make payment to the person or institution appearing to have assumed custody and support.

If an Employee dies while any Disability Benefits remain unpaid, the Insurance Company may, at its option, make direct payment to any of the following living relatives of the Employee: spouse, mother, father, children, brothers or sisters; or to the executors or administrators of the Employee's estate. The Insurance Company may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release the Insurance Company from all liability for any payment made.

Physical Examination and Autopsy
The Insurance Company, at its expense, will have the right to examine any person for whom a claim is pending as often as it may reasonably require. The Insurance Company may, at its expense, require an autopsy unless prohibited by law.

Legal Actions
No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations
If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which the Employee lives when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship
The Insured will have the right to choose any Physician who is practicing legally. The Insurance Company will in no way disturb the Physician/patient relationship.

ADMINISTRATIVE PROVISIONS

Premiums
The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Changes in Premium Rates
The premium rates may be changed by the Insurance Company from time to time with at least 31 days advance written notice. No change in rates will be made until 15 months after the Re-Issue Date. An increase in rates will not be made more often than once in a 12 month period. However, the Insurance Company reserves the right to change the rates even during a period for which the rate is guarantee, if any of the following events take place.

1. The Policy terms change.
2. A division, subsidiary, eligible company, or class is added or deleted.
3. There is a change of more than 10% in the number of Insureds.
4. Federal or state laws or regulation affecting benefit obligations change.
5. Other changes occur in the nature of the risk that would affect the Insurance Company's original risk assessment.
6. The Insurance Company determines the Employer fails to furnish necessary information.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Reporting Requirements
The Employer must, upon request, give the Insurance Company any information required to determine who is insured, the amount of insurance in force and any other information needed to administer the plan of insurance.

Payment of Premium
The first premium is due on the Policy Effective Date. After that, premiums will be due monthly unless the Employer and the Insurance Company agree on some other method of premium payment.

If any premium is not paid when due, the plan will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Notice Of Cancellation
The Employer or the Insurance Company may cancel the policy as of any Premium Due Date by giving 31 days advance written notice. If a premium is not paid when due, the Policy will automatically be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period
A Policy Grace Period of 31 days will be granted for the payment of the required premiums under this Policy. This Policy will be in force during the Policy Grace Period. The Employer is liable to the Insurance Company for any unpaid premium for the time this Policy was in force.

Reinstatement of Insurance
An Employee's insurance may be reinstated if it ends because he or she is on an unpaid leave of absence. If an Employee's Active Service ended due to an approved leave pursuant to the Family and Medical Leave Act (FMLA) and Continuation of Insurance is not applicable, an Employee's insurance may be reinstated at the conclusion of the FMLA leave.

If an Employee's Active Service ends due to an Employer approved unpaid leave of absence, other than an approved FMLA leave, insurance may be reinstated only:
1. If the reinstatement occurs within 12 weeks from the date insurance ends, or
2. When returning from military service pursuant to the Uniformed Services Employment Act of 1994 (USERRA).

For insurance to be reinstated the following conditions must be met:
1. An Employee must be in a Class of Eligible Employees.
2. The required premium must be paid.
3. The Insurance Company must receive a written request for reinstatement within 31 days from the date an Employee returns to Active Service.

Reinstated insurance will be effective on the date the Employee returns to Active Service. If an Employee did not fully satisfy the Eligibility Waiting Period or the Pre-Existing Condition Limitation (if any) before insurance ended due to an unpaid leave of absence or Temporary Layoff, credit will be given for any time that was satisfied.

TL-009960.00

GENERAL PROVISIONS

Entire Contract
The entire contract will be made up of the Policy, the application of the Employer, a copy of which is attached to the Policy, and the applications, if any, of the Employees.

Incontestability
All statements made by the Employer or by an Employee are representations not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Employee's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud.

Misstatement of Age
If an Employee's age has been misstated, the Insurance Company will adjust all benefits to the amounts that would have been purchased for the correct age.

Policy Changes
No change in the Policy will be valid until approved by an executive officer of the Insurance Company. This approval must be endorsed on, or attached to, the Policy. No agent may change the Policy or waive any of its provisions.

Workers' Compensation Insurance
The Policy is not in lieu of and does not affect any requirements for coverage under any Workers' Compensation Insurance Law.

Certificates
A certificate of insurance will be delivered to the Employer for delivery to Employees. Each certificate will list the benefits, conditions and limits of the Policy. It will state to whom benefits will be paid.

Assignment of Benefits
The Insurance Company will not be affected by the assignment of an Employee's certificate until the original assignment or a certified copy of the assignment is filed with the Insurance Company. The Insurance Company will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided coverage under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error
A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Agency
The Employer and Plan Administrator are agents of the Employee for transactions relating to insurance under the Policy. The Insurance Company is not liable for any of their acts or omissions.

DEFINITIONS

Please note, certain words used in this document have specific meanings. These terms will be capitalized throughout this document. The definition of any word, if not defined in the text where it is used, may be found either in this Definitions section or in the Schedule of Benefits.

Accident
An Accident is a sudden, unforeseeable external event that causes bodily Injury to an Insured while coverage is in force under the Policy.

Active Service
An Employee is in Active Service on a day which is one of the Employer's scheduled work days if either of the following conditions are met.

1. The Employee is performing his or her regular occupation for the Employer on a full-time basis. He or she must be working at one of the Employer's usual places of business or at some location to which the employer's business requires an Employee to travel.
2. The day is a scheduled holiday or vacation day and the Employee was performing his or her regular occupation on the preceding scheduled work day.

An Employee is in Active Service on a day which is not one of the Employer's scheduled work days only if he or she was in Active Service on the preceding scheduled work day.

Appropriate Care
Appropriate Care means the Employee:

1. Has received treatment, care and advice from a Physician who is qualified and experienced in the diagnosis and treatment of the conditions causing Disability. If the condition is of a nature or severity that it is customarily treated by a recognized medical specialty, the Physician is a practitioner in that specialty.
2. Continues to receive such treatment, care or advice as often as is required for treatment of the conditions causing Disability.
3. Adheres to the treatment plan prescribed by the Physician, including the taking of medications.

Disability Earnings
Any wage or salary for any work performed for any employer during the Employee's Disability, including commissions, bonus, overtime pay or other extra compensation.

Employee
For eligibility purposes, an Employee is an employee of the Employer in one of the "Classes of Eligible Employees." Otherwise, Employee means an employee of the Employer who is insured under the Policy.

Employer
The Policyholder and any affiliates or subsidiaries covered under the Policy. The Employer is acting as an agent of the Insured for transactions relating to this insurance. The actions of the Employer shall not be considered the actions of the Insurance Company.

Full-time
Full-time means the number of hours set by the Employer as a regular work day for Employees in the Employee's eligibility class.

Furlough
Furlough means a temporary suspension or alteration of Active Service initiated by the Employer, for a period of time specified in advance not to exceed 30 days at a time.

Any accidental loss or bodily harm which results directly and independently of all other causes from an Accident.

Insurability Requirement
An eligible person will satisfy the Insurability Requirement for an amount of coverage on the day the Insurance Company agrees in writing to accept him or her as insured for that amount. To determine a person's acceptability for coverage, the Insurance Company will require evidence of good health and may require it be provided at the Employee's expense.

Insurance Company
The Insurance Company underwriting the Policy is named on the Policy cover page.

Insured
A person who is eligible for insurance under the Policy, for whom insurance is elected, the required premium is paid and coverage is in force under the Policy.

The term does not include an Employee, an Employee's spouse, the immediate family (including parents, children, siblings or spouses of any of the foregoing, whether the relationship derives from blood or marriage), of an Employee or spouse, or a person living in an Employee's household.

Prior Plan
The Prior Plan refers to the plan of insurance providing similar benefits sponsored by the Employer in effect directly prior to the Policy Effective Date. A Prior Plan will include the plan of a company in effect on the day prior to that company's addition to this Policy after the Policy Effective Date.

Regular Occupation
The occupation the Employee routinely performs at the time the Disability begins. In evaluating the Disability, the Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy. It is not work tasks that are performed for a specific employer or at a specific location.

Rehabilitation Plan
A written plan designed to enable the Employee to return to work. The Rehabilitation Plan will consist of one or more of the following phases:

1. rehabilitation, under which the Insurance Company may provide, arrange or authorize educational, vocational or physical rehabilitation or other appropriate services;
2. work, which may include modified work and work on a part-time basis.

Sickness
Any physical or mental illness.

Temporary Layoff
Temporary Layoff means a temporary suspension of Active Service for a period of time determined in advance by the Employer, other than a Furlough as defined. Temporary Layoff does not include the permanent termination of Active Service (including but not limited to a job elimination), which shall be treated as termination of employment.

Definition of Covered Earnings
Covered Earnings means an Employee's wage or salary as reported by the Employer for work performed for the Employer as in effect just prior to the date Disability begins. Covered Earnings are determined initially on the date an Employee applies for coverage. A change in the amount of Covered Earnings is effective on the date of the change, if the Employer gives us written notice of the change and the required premium is paid.

It does not include amounts received as bonus, commissions, overtime pay or other extra compensation.

Any increase in an Employee's Covered Earnings will not be effective during a period of continuous Disability.

Elimination Period	90 days
Gross Disability Benefit	The lesser of 70% of an Employee's monthly Covered Earnings rounded to the nearest dollar or the Maximum Disability Benefit.
Maximum Disability Benefit	$15,000 per month
Minimum Disability Benefit	The greater of $100 or 15% of an Employee's Monthly Benefit prior to any reductions for Other Income Benefits.

Disability Benefit Calculation
The Disability Benefit payable to the Employee is figured using the Gross Disability Benefit, Other Income Benefits and the Return to Work Incentive. Monthly Benefits are based on a 30-day month. The Disability Benefit will be prorated if payable for any period less than a month.

During any month the Employee has no Disability Earnings, the monthly benefit payable is the Gross Disability Benefit less Other Income Benefits. During any month the Employee has Disability Earnings, benefits are determined under the Return to Work Incentive. Benefits will not be less than the minimum benefit shown in the Schedule of Benefits except as provided under the section Minimum Benefit.

"Other Income Benefits" means any benefits listed in the Other Income Benefits provision that an Employee receives on his or her own behalf or for dependents, or which the Employee's dependents receive because of the Employee's entitlement to Other Income Benefits.

Return to Work Incentive
During any month the Employee has Disability Earnings, his or her benefits will be calculated as follows.

The Employee's monthly benefit payable will be calculated as follows during 12 months disability benefits are payable and the Employee has Disability Earnings:

1. Add the Employee's Gross Disability Benefit and Disability Earnings.
2. Compare the sum from 1. to the Employee's Indexed Earnings.
3. If the sum from 1. exceeds 100% of the Employee's Indexed Earnings, then subtract the Indexed Earnings from the sum in 1.
4. The Employee's Gross Disability Benefit will be reduced by the difference from 3., as well as by Other Income Benefits.
5. If the sum from 1. does not exceed 100% of the Employee's Indexed Earnings, the Employee's Gross Disability Benefit will be reduced by Other Income Benefits.

No Disability Benefits will be paid, and insurance will end if the Insurance Company determines the Employee is able to work under a modified work arrangement and he or she refuses to do so without Good Cause.

ELIGIBILITY FOR INSURANCE

An Employee in one of the Classes of Eligible Employees shown in the Schedule of Benefits is eligible to be insured on the Policy Effective Date, or the day after he or she completes the Eligibility Waiting Period, if later. The Eligibility Waiting Period is the period of time the Employee must be in Active Service to be eligible for coverage. It will be extended by the number of days the Employee is not in Active Service.

Except as noted in the Reinstatement Provision, if an Employee terminates coverage and later wishes to reapply, or if a former Employee is rehired, a new Eligibility Waiting Period must be satisfied. An Employee is not required to satisfy a new Eligibility Waiting Period if insurance ends because he or she is no longer in a Class of Eligible Employees, but continues to be employed and within one year becomes a member of an eligible class.

TL-004710

EFFECTIVE DATE OF INSURANCE

An Employee will be insured on the date he or she becomes eligible, if the Employee is not required to contribute to the cost of this insurance.

If an Employee is not in Active Service on the date insurance would otherwise be effective, it will be effective on the date he or she returns to any occupation for the Employer on a Full-time basis.

TL-004712

TERMINATION OF INSURANCE

An Employee's coverage will end on the earliest of the following dates:

1. the date the Employee is eligible for coverage under a plan intended to replace this coverage;
2. the date the Policy is terminated;
3. the date the Employee is no longer in an eligible class;
4. the day after the end of the period for which premiums are paid;
5. the date the Employee is no longer in Active Service;
6. the date benefits end for failure to comply with the terms and conditions of the Policy.

Disability Benefits will be payable to an Employee who is entitled to receive Disability Benefits when the Policy terminates, if he or she remains disabled and meets the requirements of the Policy. Any period of Disability, regardless of cause, that begins when the Employee is eligible under another group disability coverage provided by any employer, will not be covered.

TL-007505.00

CONTINUATION OF INSURANCE

This Continuation of Insurance provision modifies the Termination of Insurance provision to allow insurance to continue under certain circumstances if the Insured Employee is no longer in Active Service. Insurance that is continued under this provision is subject to all other terms of the Termination of Insurance provisions.

Disability Insurance continues if an Employee's Active Service ends due to a Disability for which benefits under the Policy are or may become payable. Premiums for the Employee will be waived while Disability Benefits are payable. If the Employee does not return to Active Service, this insurance ends when the Disability ends or when benefits are no longer payable, whichever occurs first.

If an Employee's Active Service ends due to an approved leave pursuant to the Family and Medical Leave Act (FMLA), insurance will continue up to the later of the period of his or her approved FMLA leave or the leave period required by law in the state in which he or she is employed. Premiums are required for this coverage.

If an Employee's Active Service ends due to any other leave of absence approved in writing by the Employer prior to the date the Employee ceases work, insurance will continue for an Employee for up to 6 months. Premiums are required for this coverage. An approved leave of absence does not include Furlough, Temporary Layoff or termination of employment.

If an Employee's Active Service ends due to Temporary Layoff, insurance will continue for an Employee until the end of the month in which the Temporary Layoff begins. Premiums are required for this coverage.

If an Employee's Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer's reporting requirements for such short term absence, insurance for an Employee will continue until the earlier of:

a. the date the Employee's employment relationship with the Employer terminates;
b. the date premiums are not paid when due;
c. the end of the 30 day period that begins with the first day of such excused absence;
d. the end of the period for which such short term absence is excused by the Employer.

Notwithstanding any other provision of this policy, if an Employee's Active Service ends due to termination of employment or any other termination of the employment relationship, insurance will terminate and Continuation of Insurance under this provision will not apply.

If an Employee's insurance is continued pursuant to this Continuation of Insurance provision, and he or she becomes Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Elimination Period is satisfied or the date he or she is scheduled to return to Active Service.

TAKEOVER PROVISION

This provision applies only to Employees eligible under this Policy who were covered for long term disability coverage on the day prior to the effective date of this Policy under the Prior Plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

A. This section A applies to Employees who are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, the Insurance Company will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) the employee returns to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day the employee was not in Active Service. The Policy will provide this coverage as follows:
    1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
    2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Elimination Periods and partial satisfaction of pre-existing condition limitations.

B. The Elimination Period under this Policy will be waived for a Disability which begins while the Employee is insured under this Policy if all of the following conditions are met:
   1. The Disability results from the same or related causes as a Disability for which monthly benefits were payable under the Prior Plan;
   2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;
   3. An Elimination Period would not apply to the Disability if the Prior Plan had not ended;
   4. The Disability begins within 6 months of the Employee's return to Active Service and the Employee's insurance under this Policy is continuous from this Policy's Effective Date.

C. Except for any amount of benefit in excess of a Prior Plan's benefits, the Pre-existing Condition Limitation will not apply to an Employee covered under a Prior Plan who satisfied the pre-existing condition limitation, if any, under that plan. If an Employee, covered under a Prior Plan, did not fully satisfy the pre-existing condition limitation of that plan, credit will be given for any time that was satisfied under the Prior Plan's pre-existing condition limitation.

   Benefits will be determined based on the lesser of: (1) the amount of the gross disability benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

   If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

DESCRIPTION OF BENEFITS

The following provisions explain the benefits available under the Policy. Please see the Schedule of Benefits for the applicability of these benefits to each class of Insureds.

Disability Benefits
The Insurance Company will pay Disability Benefits if an Employee becomes Disabled while covered under this Policy. The Employee must satisfy the Elimination Period, be under the Appropriate Care of a Physician, and meet all the other terms and conditions of the Policy. He or she must provide the Insurance Company, at his or her own expense, satisfactory proof of Disability before benefits will be paid. The Disability Benefit is shown in the Schedule of Benefits.

The Insurance Company will require continued proof of the Employee's Disability for benefits to continue.

Elimination Period
The Elimination Period is the period of time an Employee must be continuously Disabled before Disability Benefits are payable. The Elimination Period is shown in the Schedule of Benefits.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes.

Disability Benefit Calculation
The Disability Benefit Calculation is shown in the Schedule of Benefits. Monthly Disability Benefits are based on a 30 day period. They will be prorated if payable for any period less than a month. If an Employee is working while Disabled, the Disability Benefit Calculation will be the Return to Work Incentive.

Return to Work Incentive
The Return to Work Incentive is shown in the Schedule of Benefits. An Employee may work for wage or profit while Disabled. In any month in which the Employee works and a Disability Benefit is payable, the Return to Work Incentive applies.

The Insurance Company will, from time to time, review the Employee's status and will require satisfactory proof of earnings and continued Disability.

Minimum Benefit
The Insurance Company will pay the Minimum Benefit shown in the Schedule of Benefits despite any reductions made for Other Income Benefits. The Minimum Benefit will not apply if benefits are being withheld to recover an overpayment of benefits.

Other Income Benefits
An Employee for whom Disability Benefits are payable under this Policy may be eligible for benefits from Other Income Benefits. If so, the Insurance Company may reduce the Disability Benefits by the amount of such Other Income Benefits.

Other Income Benefits include:

1. any amounts received (or assumed to be received*) by the Employee or his or her dependents under:
   - the Canada and Quebec Pension Plans;
   - the Railroad Retirement Act;
   - any local, state, provincial or federal government disability or retirement plan or law payable for Injury or Sickness provided as a result of employment with the Employer;
   - any salary continuation plan of the Employer;
   - any work loss provision in mandatory "No-Fault" auto insurance.
2. any Social Security disability or retirement benefits the Employee or any third party receives (or is assumed to receive*) on his or her own behalf or for his or her dependents; or which his or her dependents receive (or are assumed to receive*) because of his or her entitlement to such benefits.
3. any Retirement Plan benefits funded by the Employer. "Retirement Plan" means any defined benefit or defined contribution plan sponsored or funded by the Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 40l(k) plan.
4. any proceeds payable under any franchise or group insurance or similar plan. If other insurance applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, the Insurance Company will pay for its pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
5. any amounts received (or assumed to be received*) by the Employee or his or her dependents under any workers' compensation, occupational disease, unemployment compensation law or similar state or federal law payable for Injury or Sickness arising out of work with the Employer, including all permanent and temporary disability benefits. This includes any damages, compromises or settlement paid in place of such benefits, whether or not liability is admitted.
6. any amounts paid because of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise for a disability for which disability benefits are payable under this Policy, where a third party may be liable, regardless of whether liability is determined.

Dependents include any person who receives (or is assumed to receive*) benefits under any applicable law because of an Employee’s entitlement to benefits.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits
Any increase in Other Income Benefits during a period of Disability due to a cost of living adjustment will not be considered in calculating the Employee's Disability Benefits after the first reduction is made for any Other Income Benefits. This section does not apply to any cost of living adjustment for Disability Earnings.

Lump Sum Payments
Other Income Benefits or earnings paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated over five years.

If no specific allocation of a lump sum payment is made, then the total payment will be an Other Income Benefit.

Assumed Receipt of Benefits
The Insurance Company will assume the Employee (and his or her dependents, if applicable) are receiving benefits for which they are eligible from Other Income Benefits. The Insurance Company will reduce the Employee's Disability Benefits by the amount from Other Income Benefits it estimates are payable to the Employee and his or her dependents.

The Insurance Company will waive Assumed Receipt of Benefits, except for Disability Earnings for work the Employee performs while Disability Benefits are payable, if the Employee:
1. provides satisfactory proof of application for Other Income Benefits;
2. signs a Reimbursement Agreement;
3. provides satisfactory proof that all appeals for Other Income Benefits have been made unless the Insurance Company determines that further appeals are not likely to succeed; and
4. submits satisfactory proof that Other Income Benefits were denied.

The Insurance Company will not assume receipt of any pension or retirement benefits that are actuarially reduced according to applicable law, until the Employee actually receives them.

Social Security Assistance
The Insurance Company may help the Employee in applying for Social Security Disability Income (SSDI) Benefits, and may require the Employee to file an appeal if it believes a reversal of a prior decision is possible.

The Insurance Company will reduce Disability Benefits by the amount it estimates the Employee will receive, if the Employee refuses to cooperate with or participate in the Social Security Assistance Program.

Recovery of Overpayment
The Insurance Company has the right to recover any benefits it has overpaid. The Insurance Company may use any or all of the following to recover an overpayment:
1. request a lump sum payment of the overpaid amount;
2. reduce any amounts payable under this Policy; and/or
3. take any appropriate collection activity available to it.

The Minimum Benefit amount will not apply when Disability Benefits are reduced in order to recover any overpayment.

If an overpayment is due when the Employee dies, any benefits payable under the Policy will be reduced to recover the overpayment.

Successive Periods of Disability
A separate period of Disability will be considered continuous:
1. if it results from the same or related causes as a prior Disability for which benefits were payable; and
2. if, after receiving Disability Benefits, the Employee returns to work in his or her Regular Occupation for less than 30 days; and
3. if the Employee earns less than the percentage of Indexed Earnings that would still qualify him or her to meet the definition of Disability/Disabled during at least one month.

Any later period of Disability, regardless of cause, that begins when the Employee is eligible for coverage under another group disability plan provided by any employer will not be considered a continuous period of Disability.

For any separate period of disability which is not considered continuous, the Employee must satisfy a new Elimination Period.

LIMITATIONS

Limited Benefit Periods for Mental or Nervous Disorders
The Insurance Company will pay Disability Benefits on a limited basis during an Employee's lifetime for a Disability caused by, or contributed to by, any one or more of the following conditions. 1) Anxiety disorders
2) Delusional (paranoid) disorders
3) Depressive disorders
4) Eating disorders
5) Mental illness
6) Somatoform disorders (psychosomatic illness)

Limited Benefit Periods for Alcoholism and Drug Addiction or Abuse
The Insurance Company will pay Disability Benefits on a limited basis during an Employee's lifetime for a Disability caused by, or contributed to by, any one or more of the following conditions. Pre-Existing Condition Limitation
The Insurance Company will not pay benefits for any period of Disability caused or contributed to by, or resulting from, a Pre-existing Condition. A "Pre-existing Condition" means any Injury or Sickness for which the Employee incurred expenses, received medical treatment, care or services including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a Physician within 3 months before his or her most recent effective date of insurance.

The Pre-existing Condition Limitation will apply to any added benefits or increases in benefits. This limitation will not apply to a period of Disability that begins after an Employee is covered for at least 12 months after his or her most recent effective date of insurance, or the effective date of any added or increased benefits.

ADDITIONAL BENEFITS

Rehabilitation During a Period of Disability
If the Insurance Company determines that a Disabled Employee is a suitable candidate for rehabilitation, the Insurance Company may require the Employee to participate in a Rehabilitation Plan and assessment at our expense. The Insurance Company has the sole discretion to approve the Employee's participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. The Insurance Company will work with the Employee, the Employer and the Employee's Physician and others, as appropriate, to perform the assessment, develop a Rehabilitation Plan, and discuss return to work opportunities.

The Rehabilitation Plan may, at the Insurance Company's discretion, allow for payment of the Employee's medical expense, education expense, moving expense, accommodation expense or family care expense while he or she participates in the program.

If an Employee fails to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, no Disability Benefits will be paid, and insurance will end.

TL-007501.00

Conversion Privilege for Disability Insurance Benefits
If an Employee's insurance ends because employment with the Employer ends, or an Employee is laid off or on an uninsured leave of absence, he or she may be eligible for conversion insurance.

To be eligible, an Employee must have been insured for Disability Benefits and actively at work for at least 12 straight months. An Employee must apply for conversion insurance within 62 days after insurance under this Policy ends or within 31 days of the date notice is given to apply for a converted policy or certificate, whichever is later. In no event will the conversion period be extended beyond 105 days from the date insurance ends.

The benefits of the conversion plan will be those benefits offered at the time the Employee applies. The premium will be based on the rates in effect for conversion plans at that time.

Conversion insurance is not available if any of the following conditions apply:
1. the Employee is retired or age 70 or older;
2. the Employee is not in Active Service because of Disability;
3. the Policy is canceled for any reason;
4. the Employee is no longer in a Class of Eligible Employees, but is still employed by the Employer.

Benefits will be paid to the Employee's Spouse. If there is no Spouse, benefits will be paid in equal shares to the Employee's surviving Children. If there are no Spouse and no Children, benefits will be paid to the Employee's estate.

"Spouse" means an Employee's lawful spouse. "Children" means an Employee's unmarried children under age 21 who are chiefly dependent upon the Employee for support and maintenance. The term includes a stepchild living with the Employee at the time of his or her death.

CLAIM PROVISIONS

Notice of Claim
Written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's Name, the Policy Number and the claimant's name and address.

Claim Forms
When the Insurance Company receives notice of claim, the Insurance Company will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by the Insurance Company, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, of the nature and extent of the loss.

Claimant Cooperation Provision
Failure of a claimant to cooperate with the Insurance Company in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data
The Employer is required to cooperate with the Insurance Company in the review of claims and applications for coverage. Any information the Insurance Company provides in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss
Written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given not more than one year after that 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is provided outside of these time limits, the claim will be denied. These time limits will not apply while the person making the claim lacks legal capacity.

Written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, that the loss continues must be furnished to the Insurance Company at intervals required by us. Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to the Insurance Company.

Time of Payment
Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which the Insurance Company is liable, will be paid at that time.

To Whom Payable
Disability Benefits will be paid to the Employee. If any person to whom benefits are payable is a minor or, in the opinion of the Insurance Company, is not able to give a valid receipt, such payment will be made to his or her legal guardian. However, if no request for payment has been made by the legal guardian, the Insurance Company may, at its option, make payment to the person or institution appearing to have assumed custody and support.

If an Employee dies while any Disability Benefits remain unpaid, the Insurance Company may, at its option, make direct payment to any of the following living relatives of the Employee: spouse, mother, father, children, brothers or sisters; or to the executors or administrators of the Employee's estate. The Insurance Company may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release the Insurance Company from all liability for any payment made.

Physical Examination and Autopsy
The Insurance Company, at its expense, will have the right to examine any person for whom a claim is pending as often as it may reasonably require. The Insurance Company may, at its expense, require an autopsy unless prohibited by law.

Legal Actions
No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations
If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which the Employee lives when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship
The Insured will have the right to choose any Physician who is practicing legally. The Insurance Company will in no way disturb the Physician/patient relationship.

TL-004724

ADMINISTRATIVE PROVISIONS

Premiums
The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Changes in Premium Rates
The premium rates may be changed by the Insurance Company from time to time with at least 31 days advance written notice. No change in rates will be made until 15 months after the Re-Issue Date. An increase in rates will not be made more often than once in a 12 month period. However, the Insurance Company reserves the right to change the rates even during a period for which the rate is guarantee, if any of the following events take place.

1. The Policy terms change.
2. A division, subsidiary, eligible company, or class is added or deleted.
3. There is a change of more than 10% in the number of Insureds.
4. Federal or state laws or regulation affecting benefit obligations change.

5. Other changes occur in the nature of the risk that would affect the Insurance Company's original risk assessment.
6. The Insurance Company determines the Employer fails to furnish necessary information.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Reporting Requirements
The Employer must, upon request, give the Insurance Company any information required to determine who is insured, the amount of insurance in force and any other information needed to administer the plan of insurance.

Payment of Premium
The first premium is due on the Policy Effective Date. After that, premiums will be due monthly unless the Employer and the Insurance Company agree on some other method of premium payment.

If any premium is not paid when due, the plan will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Notice Of Cancellation
The Employer or the Insurance Company may cancel the policy as of any Premium Due Date by giving 31 days advance written notice. If a premium is not paid when due, the Policy will automatically be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period
A Policy Grace Period of 31 days will be granted for the payment of the required premiums under this Policy. This Policy will be in force during the Policy Grace Period. The Employer is liable to the Insurance Company for any unpaid premium for the time this Policy was in force.

Reinstatement of Insurance
An Employee's insurance may be reinstated if it ends because he or she is on an unpaid leave of absence. If an Employee's Active Service ended due to an approved leave pursuant to the Family and Medical Leave Act (FMLA) and Continuation of Insurance is not applicable, an Employee's insurance may be reinstated at the conclusion of the FMLA leave.

If an Employee's Active Service ends due to an Employer approved unpaid leave of absence, other than an approved FMLA leave, insurance may be reinstated only:
1. If the reinstatement occurs within 12 weeks from the date insurance ends, or
2. When returning from military service pursuant to the Uniformed Services Employment Act of 1994 (USERRA).

For insurance to be reinstated the following conditions must be met:
1. An Employee must be in a Class of Eligible Employees.
2. The required premium must be paid.
3. The Insurance Company must receive a written request for reinstatement within 31 days from the date an Employee returns to Active Service.

Reinstated insurance will be effective on the date the Employee returns to Active Service. If an Employee did not fully satisfy the Eligibility Waiting Period or the Pre-Existing Condition Limitation (if any) before insurance ended due to an unpaid leave of absence or Temporary Layoff, credit will be given for any time that was satisfied.

GENERAL PROVISIONS

Entire Contract
The entire contract will be made up of the Policy, the application of the Employer, a copy of which is attached to the Policy, and the applications, if any, of the Employees.

Incontestability
All statements made by the Employer or by an Employee are representations not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Employee's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud.

Misstatement of Age
If an Employee's age has been misstated, the Insurance Company will adjust all benefits to the amounts that would have been purchased for the correct age.

Policy Changes
No change in the Policy will be valid until approved by an executive officer of the Insurance Company. This approval must be endorsed on, or attached to, the Policy. No agent may change the Policy or waive any of its provisions.

Workers' Compensation Insurance
The Policy is not in lieu of and does not affect any requirements for coverage under any Workers' Compensation Insurance Law.

Certificates
A certificate of insurance will be delivered to the Employer for delivery to Employees. Each certificate will list the benefits, conditions and limits of the Policy. It will state to whom benefits will be paid.

Assignment of Benefits
The Insurance Company will not be affected by the assignment of an Employee's certificate until the original assignment or a certified copy of the assignment is filed with the Insurance Company. The Insurance Company will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided coverage under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error
A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Agency
The Employer and Plan Administrator are agents of the Employee for transactions relating to insurance under the Policy. The Insurance Company is not liable for any of their acts or omissions.
