Maximum Macomb Credits = 64	Minimum credits at Central Michigan University = 60	
Minimum credits for Bachelor of Science in Administration - 120 credit hours		

Important Information:

1. All content is for informational purposes and is designed to be used as a tool to assist students with transfer information but should not be used for self-advising.
2. Associate degree requirements are NOT included on this transfer guide. When pursuing a Macomb degree work closely with a Macomb and Central Michigan University advisor or counselor to ensure BOTH the Macomb and Central Michigan University degree requirements are being met.
3. A grade of "C-" or better is required for a course to transfer.
4. Transfer credit limits vary by each transfer college and major. This transfer guide may contain more than the maximum number of allowable transfer credits Central Michigan University will accept.
5. Macomb and Central Michigan University reserve the right to make any necessary changes to courses, provisions, or transfer requirements without notice.
6. It is the responsibility of the student to be aware of changes that affect their transfer program. Students are strongly encouraged to contact Central Michigan University on an annual basis to review their program requirements.
7. Students may concurrently be enrolled and taking courses at both Macomb and Central Michigan University during the same semester after completing the minimum requirements for Central Michigan University. Meet with an academic advisor or counselor for additional information.
8. If you decide to transfer before graduating from Macomb you may be eligible to earn your associate degree after the fact.
