Job Search

If you're looking for employment, we can help! Career Services provides a variety of job-seeker services, including one-on-one resume critiquing, interview preparation and professional networking guidance. Students and alumni also have access to free informational workshops and career exploration events. Please visit our office or www.macomb.edu for a current calendar of events.

MacombCareerLink

This is our online job database where local employers post positions and internship opportunities. If you are a current or former Macomb Community College student, you are eligible to use MacombCareerLink to help find employment!

Career Experience Opportunities

Job shadowing, career mentoring, internships and cooperative education assignments let you enhance your career knowledge beyond what you learn in class. These experiences are designed to integrate classroom experience while providing you with maximum exposure to the field you're studying.

Career and College Resources

Our staff can provide you with up-to-the-minute career information, hiring statistics, current trends and salary ranges so that you are fully informed about the local and national job markets. We also have assessments to help you match your skills, interests and values with the job market.

"Macomb produces very well-rounded, educated and highly motivated students. We like people that are ready to work, and that's what we've seen."

— John C. Nori,
President & CEO,
